

Independent Auditor's Report

To
The Members of Axis Bank Limited
Report on the audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying Standalone Financial Statements of Axis Bank Limited ('the Bank'), which comprise the Standalone Balance Sheet as at 31 March 2026, the Standalone Profit And Loss Account, and the Standalone Cash Flow Statement for the year ended on that date, and notes to the Standalone Financial Statements, including a summary of the significant accounting policies and other explanatory information ('the Standalone Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Banking Regulation Act, 1949, as well as the Companies Act, 2013 ('the Act') and circulars and guidelines issued by the Reserve Bank of India ('the RBI'), in the manner so required for banking companies and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021 ('AS') and other accounting principles generally accepted in India, of the State of Affairs of the Bank as at 31 March 2026, and its profit and its Cash Flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Bank, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the Standalone Financial Statements of the current year. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters:

Key Audit Matter	How the matter was addressed in our audit
1. Information Technology (IT) Systems and controls over financial reporting As the Bank operates on core banking solution across its branches and asset centres, the reliability and security of Information Technology ("IT") systems plays a key role in the business operations. Since large volume of transactions are processed daily, the IT controls are required to ensure that applications process data as expected and that changes are made in an appropriate manner. IT infrastructure is critical for smooth functioning and accurate accounting and financial reporting process.	In assessing the controls over the IT systems of the Bank, we involved our technology specialists to understand the IT control environment, IT infrastructure and IT systems. We conducted an assessment and identified key IT systems that are critical for accounting and financial reporting process and are relevant for our audit and tested their internal controls. In particular: • We obtained an understanding of the Bank's IT control environment and key changes during the audit period that may be relevant to the audit; • We tested the design, implementation and operating effectiveness of the Bank's General IT controls over the key IT systems that are critical to accounting and financial reporting. This included evaluation of Bank's controls for user access management, program change management, database management, network operations, incident management and other IT operations performed by the Bank during the period of audit;

Due to the pervasive nature and complexity of the IT environment, we have ascertained key IT systems used in financial reporting process and its related controls as a key audit matter.

- We tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; and
- We also tested compensating controls and performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.

2. Income Recognition, Asset Classification and Provisioning on Advances (IRAC) as per the regulatory requirements

Total Loans and Advances (Net of Provision) as at 31 March 2026: INR 12,33,569.88 crore

Provision for NPAs as at 31 March 2026: INR 10,677.32 crore

Refer Schedule 9, Schedule 17(4.3) and Schedule 18(1) - Note 1.4

The Bank is required to comply with the Master Circular issued by the Reserve Bank of India ('RBI') on 'Prudential Norms for Income Recognition, Asset Classification and Provisioning pertaining to Advances' (the 'IRAC norms') and amendments thereto ("RBI guidelines") which prescribes the norms for identification and classification of Non-performing Assets ('NPAs') and the minimum provision required for such assets.

The Bank is also required to apply its judgement to determine the identification and provision required against NPAs considering various quantitative as well as qualitative factors.

As the identification of and provisioning against NPAs requires considerable level of management estimation, application of various regulatory requirements and its significance to the overall audit due to stakeholder and regulatory focus, we have identified this as a key audit matter.

Our audit approach included testing the design, operating effectiveness of internal controls and substantive audit procedures in respect of income recognition, asset classification and provisioning pertaining to advances. In particular:

- We have evaluated and understood the Bank's internal control system in adhering to the RBI guidelines;
- We have analysed and understood key IT systems/ applications used and tested the design and implementation and operational effectiveness of relevant controls in relation to income recognition, asset classification, viz., standard, sub-standard, doubtful and loss with reference to RBI guidelines and provisioning pertaining to advances; and
- We test checked advances to examine the validity and accuracy of the recorded amounts, provision for NPAs, and compliance with IRAC norms of RBI.
- Assessed appropriateness & the adequacy of disclosures as per RBI guidelines relating to NPAs

Other Information

5. The Bank's Board of Directors are responsible for the other information. The other information comprises the information included in the Bank's Annual Report but does not include the Standalone Financial Statements and our auditor's report thereon. The Other Information included is expected to be made available to us after the date of this auditor's report.
6. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
8. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

9. The Bank's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the State of Affairs,

Profit and Cash Flows of the Bank in accordance with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, and other accounting principles generally accepted in India and provisions of section 29 of the Banking Regulation Act, 1949 and circulars, guidelines and directions issued by the RBI from time to time ('RBI Guidelines'). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act and the RBI Guidelines for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection of the appropriate accounting software for ensuring compliance with applicable laws and regulations including those related to retention of audit logs; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

10. In preparing the Standalone Financial Statements, the Management and the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.
13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - 13.1. Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - 13.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to Standalone Financial Statements and the operating effectiveness of such controls.
 - 13.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
 - 13.4. Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
 - 13.5. Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

17. In our opinion, the Standalone Balance Sheet and the Standalone Profit and Loss account have been drawn up in accordance with the provisions of section 29 of the Banking Regulation Act, 1949 and section 133 of the Act and relevant rules issued thereunder.
18. As required by sub-section (3) of section 30 of the Banking Regulation Act, 1949, based on our audit we report that:
 - 18.1. We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
 - 18.2. The transactions of the Bank, which have come to our notice during the course of our audit, have been within the powers of the Bank; and
 - 18.3. Since the key operations of the Bank are automated with the key applications integrated to the core banking system, the audit is carried out centrally, as all the necessary records and data required for the purposes of our audit are available therein. We have visited 67 branches (including credit units) to examine the records maintained at such branches for the purpose of our audit.
19. Further, as required by Section 143(3) of the Act based on our audit we report, to the extent applicable, that:
 - 19.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - 19.2. In our opinion, proper books of accounts as required by law have been kept by the Bank, so far as it appears from our examination of those books.
 - 19.3. The Standalone Balance Sheet, the Standalone Profit And Loss Account, and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - 19.4. In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with the relevant rules thereunder to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
 - 19.5. On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - 19.6. With respect to the adequacy of the internal financial controls with reference to the Standalone Financial Statements of the Bank and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'.
 - 19.7. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended; The Bank is a Banking Company as defined under Banking Regulation Act, 1949. Accordingly, the requirements prescribed under Section 197 of the Act, do not apply.

20. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- 20.1. The Bank has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements - Refer Schedule 12 - Contingent Liabilities to the Standalone Financial Statements.
- 20.2. The Bank has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Schedule 5 and 12 read with Note No. 2.14 of Schedule 18 to the Standalone Financial Statements.
- 20.3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Bank.
- 20.4. The Management has represented, to best of their knowledge and belief, that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- 20.5. The Management has represented, to best of their knowledge and belief, that no funds have been received by the Bank from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Bank shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- 20.6. Based on such audit procedures, that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause (i) and (ii) of Rule 11(e), as provided under para 20.4 and 20.5 above, contain any material misstatement.
- 20.7. In our opinion and according to the information and explanations given to us, the dividend declared and / or paid during the year by the Bank is in compliance with Section 123 of the Act.
- 20.8. Based on our examination which included test checks, the Bank has used various accounting software for maintaining its books of account which have feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail has been preserved by the Bank as per the statutory requirements for record retention.

Annexure 'A' to the Independent Auditors' report on the Standalone Financial Statements of Axis Bank Limited for the year ended 31 March 2026

(Referred to in paragraph '19.6' under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act').

Opinion

1. We have audited the internal financial controls with reference to the Standalone Financial Statements of Axis Bank Limited ('the Bank') as at 31 March 2026 in conjunction with our audit of the Standalone Financial Statements of the Bank for the year ended on that date.
2. In our opinion, the Bank has, in all material respects, an adequate internal financial controls with reference to the Standalone Financial Statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal controls over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note').

Management's responsibility for Internal Financial Controls

3. The Bank's Management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

4. Our responsibility is to express an opinion on the Bank's internal financial controls with reference to the Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('SA'), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Standalone Financial Statements. Those SAs and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Financial Statements were established and maintained and whether such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to the Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls with reference to the Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to the Standalone Financial Statements

7. A bank's internal financial controls with reference to the Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A bank's internal financial controls with reference to the Standalone Financial Statements include those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of Management and Directors of the Bank; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to the Standalone Financial Statements

8. Because of the inherent limitations of internal financial controls with reference to the Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

TOTAL	393,620,784	374,999,428

1. Includes commission paid to direct selling agents, charges paid to network partners, cashback expenses, fees paid for purchase of Priority Sector Lending Certificates, professional fees, technology expenses, business promotion expenses and miscellaneous expenses

17 Significant Accounting Policies to the Standalone Financial Statements

for the year ended 31 March, 2026

1. Background

Axis Bank Limited ('the Bank') was incorporated in 1993 and provides a complete suite of banking and financial services including retail banking, wholesale banking and treasury operations. The Bank is primarily governed by the Banking Regulation Act, 1949. As on 31 March 2026, the Bank has overseas branches at Singapore, DIFC - Dubai and an Offshore Banking Unit at the International Financial Service Centre (IFSC), Gujarat International Finance Tec-City (GIFT City), Gandhinagar, India.

2. Basis of preparation

The standalone financial statements ('financial statements') have been prepared and presented under the historical cost convention on the accrual basis of accounting in accordance with the generally accepted accounting principles in India, unless otherwise stated by the Reserve Bank of India ('RBI'), to comply with the statutory requirements prescribed under the Third Schedule of the Banking Regulation Act, 1949, the circulars, notifications, guidelines and directives issued by the RBI from time to time and the Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021 to the extent applicable and practices generally prevalent in the banking industry in India. Accounting policies applied have been consistent with the previous year except otherwise stated.

3. Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) at the date of the financial statements, revenues and expenses during the reporting period. Actual results could differ from those estimates. The Management believes that the estimates and assumptions used in the preparation of the financial statements are prudent and reasonable. Any revisions, as and when carried out, to the accounting estimates are recognised prospectively in the current and future periods.

4. Significant accounting policies

4.1 Investments

Classification

In accordance with the RBI guidelines, investments (except investments in subsidiaries, joint ventures and associates) are classified at the time of acquisition as:

- Held to Maturity ('HTM');
- Available for Sale ('AFS') and
- Fair Value through Profit and Loss (FVTPL) with Held for Trading (HFT) as a separate investment subcategory within FVTPL.

Classification of Investments in the Balance sheet

For disclosure in the Balance Sheet, investments in India are classified under six categories - Government Securities, Other Approved Securities, Shares, Debentures and Bonds, Investment in Subsidiaries/Joint Ventures/Associates and Others. Investments made outside India are classified under three categories - Government Securities, Subsidiaries and/or Joint Ventures abroad and Others.

All investments are accounted for on settlement date, except investments in equity shares which are accounted for on trade date.

i. Held to Maturity ('HTM')

The Bank classifies investments as HTM, if both of the following conditions are met:

- The investment is acquired with the intention and objective of holding it to maturity, i.e., the financial assets are held with an objective to collect the contractual cash flows; and
- The contractual terms of the investment give rise to cash flows that are solely payments of principal and interest on principal outstanding ('SPPI criterion') on specified dates.

ii. Available for Sale ('AFS')

The Bank classifies investments as AFS, if both the following conditions are met:

- The investment is acquired with an objective which is achieved by both collecting contractual cash flows and selling securities; and
- The contractual terms of the investment give rise to cash flows that meet SPPI criterion on specified dates.

The Bank, upon initial recognition, may make an irrevocable election to classify an equity instrument as an AFS that is not held with the objective of trading.

iii. Fair Value through Profit and Loss (FVTPL)

The investments that are not classified as HTM or AFS are classified as FVTPL. The Bank classifies investments in FVTPL category as either FVTPL-Held for Trading ('HFT') or FVTPL Non-HFT. Any investment held by the Bank for one or more of the following purposes is, when it is first recognised on its books, designated as a FVTPL HFT:

- short-term resale;
- profiting from short-term price movements;
- locking in arbitrage profits; or
- hedging risks that arise from instruments meeting all of the above

Investments in listed equities, trading-related repo-style transactions, instruments resulting from market-making activities, equity investments in a fund are included in FVTPL HFT category. Investments in unlisted equities are included in FVTPL Non-HFT category.

All other investments forming part of FVTPL category are classified as FVTPL Non-HFT.

Investments in Subsidiaries, Associates and Joint Ventures

All investments in subsidiaries, associates and joint ventures held by Bank are classified under this category separately from the aforesaid investment categories.

Initial recognition

The Bank measures all investments at fair value on initial recognition. Unless facts and circumstances suggest that the fair value is materially different from the acquisition cost, it is presumed that the acquisition cost is the fair value. Any discount or premium on the investments under HTM category is amortised over the remaining life of the instrument on a constant yield basis.

i. Acquisition cost

Costs incurred at the time of acquisition, pertaining to investments, such as brokerage, commission etc. are charged to the Profit and Loss Account. Broken period interest is charged to the Profit and Loss Account. Cost of investments is computed based on the weighted average cost method.

ii. Day 1 gain/loss

Day 1 Gain/loss is the difference between the fair value at initial recognition and acquisition cost. Any Day 1 gain/loss arising on quoted investments is recognized in the Profit and Loss Account. Any Day 1 loss arising

from Level 3 investments is recognised immediately. Any Day 1 gains arising from Level 3 investments is deferred. In the case of debt instruments, the Day 1 gain is amortized on a straight-line basis up to the maturity date (or earliest call date for perpetual instruments), while for unquoted equity instruments, the gain is set aside as a liability until the security is listed or derecognised.

iii. Subsequent measurement

a. Investments classified under the HTM category

Investments held in HTM category are carried at cost and are not Mark-to-Market (MTM) after initial recognition. The amortised amount is reflected under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.

Realised gains on sale of investments in HTM category are recognised in the Profit and Loss Account and subsequently appropriated to the Capital Reserve Account (net of taxes and transfer to statutory reserves) in accordance with the RBI guidelines. Realised losses are recognised in the Profit and Loss Account.

b. Investments classified under AFS category

Investments held in AFS category are fair valued. Any discount or premium on the acquisition of debt securities under AFS is amortised over the remaining life of the instrument on a constant yield basis. The amortised amount is reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.

The net valuation gains and losses across all performing investments under AFS is aggregated and the net appreciation or depreciation (net of tax) is directly credited or debited to the AFS Reserve without routing through the Profit & Loss Account.

The AFS-Reserve is reckoned as Common Equity Tier (CET) 1 capital but not available for distribution of dividend and coupon on Additional Tier I instruments.

On sale or maturity of a debt instrument in AFS category, the accumulated gain/ loss for that security in the AFS Reserve is transferred from the AFS Reserve and recognized in the Profit and Loss Account.

In the case of equity instruments designated under AFS at the time of initial recognition, any gain or loss on sale of such investments is transferred from AFS Reserve to Capital Reserve in accordance with the RBI Investment Direction, 2023.

c. Investments classified under FVTPL category

Investments held under FVTPL category are fair valued and the net gain or loss arising on such valuation is directly credited or debited to the Profit and Loss Account. Any discount or premium on the debt securities under FVTPL category is amortised over the remaining life of the instrument. The amortised amount is reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.

d. Investments in Subsidiaries, Associates and Joint Ventures

The Bank measures all the investments (i.e., including debt and equity) in subsidiaries, associates and joint ventures at acquisition cost.

Any discount or premium on the acquisition of debt securities of subsidiaries, associates and joint ventures is amortised over the remaining life of the instrument. The amortised amount is reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned'.

Valuation

The Bank determines the fair values of its investments according to the following hierarchy:

Level 1: Valuation based on quoted market price: These investments are valued with quoted prices (unadjusted) for identical instruments in active markets that the Bank can access at the measurement date.

Level 2: Valuation based on using observable inputs: These investments are valued with inputs other than quoted prices included within Level 1, that are observable, either directly or indirectly.

Level 3: Valuation technique with significant unobservable inputs: These investments are valued using valuation techniques where one or more significant inputs are unobservable.

The fair value of various types of instruments is determined as per the valuation norms laid down in RBI guidelines, as follows:

- The fair value of quoted investments (other than discounted instruments) included in the AFS and FVTPL categories is considered as available from the trades/quotes on the stock exchanges or prices, yield and spread matrix declared by the Fixed Income Money Market and Derivatives Association of India ('FIMMDA')/ Financial Benchmark India Private Limited ('FBIL'), periodically.
- Treasury Bills, Exchange Funded Bills, Commercial Paper and Certificate of Deposits being discounted instruments, are valued at carrying cost which includes discount accreted over the period to maturity.
- Units of mutual funds are valued at the latest repurchase price/Net Asset Value ('NAV') declared by the mutual fund.
- Units of Venture Capital Funds ('VCF') and Unquoted Alternative Investment Fund (AIFs) are valued at Net Asset Value (NAV) declared by the funds. Where an AIF fails to carry out and disclose the valuation of its investments by an independent valuer as per the frequency mandated by SEBI (Alternative Investment Fund) Regulations, 2012, the value of its units is treated as Re. 1. In case AIF is not registered under SEBI (Alternative Investment Fund) Regulations, 2012 and the latest disclosed valuation of its investments by an independent valuer precedes the date of valuation by more than 18 months, the value of its units is treated as Re. 1.
- Investments in Subsidiaries, Associates and Joint Ventures category are assessed for impairment to determine permanent diminution, if any, in accordance with the RBI guidelines and suitable provisions are made.
- The fair value of investments where current quotations are not available, is determined in accordance with the norms prescribed by the RBI/FIMMDA/FBIL as under:
 - a) The fair value of unquoted government securities which are in the nature of Statutory Liquidity Ratio ('SLR') securities forming part of AFS, FVTPL-HFT and FVTPL Non-HFT categories are computed as per the rates published by FIMMDA/FBIL.
 - b) In case of special bonds issued by the Government of India that do not qualify for SLR purposes, unquoted bonds, debentures and preference shares where interest/dividend is received regularly (i.e. not overdue beyond 90 days), the market price is derived based on the Yield to Maturity ('YTM') for such securities as published by FIMMDA/FBIL and suitably marked up for credit risk applicable to the credit rating of the instrument. The matrix for credit risk mark-up for each category and credit ratings along with residual maturity issued by FIMMDA/FBIL is adopted for this purpose.
 - c) In case of bonds & debentures where interest is not received regularly (i.e. overdue beyond 90 days), the valuation is in accordance with prudential norms for provisioning as prescribed by the RBI.
 - d) Pass Through Certificates (PTCs) are valued based on yields published by FIMMDA, suitably adjusted downwards for the quality and characteristics of the underlying pool of assets in the PTCs.
 - e) Equity shares, for which current quotations are not available or where the shares are not quoted on the stock exchanges, are valued at break-up value (without considering revaluation reserves, if any) which is ascertained from the company's latest Balance Sheet (not older than 18 months). In case the latest Balance Sheet is not available, the shares are valued at Re. 1 per company.
 - f) Valuation of investments in private equity funds and limited liability partnership funds is based on valuation of their underlying exposures.
 - g) Investments in listed instruments of Real Estate Investment Trust ('REIT')/Infrastructure Investment Trust ('INVIT') are valued at the closing price on the recognised stock exchange. In case the instruments

are not traded on any stock exchange for a period of 30 days, valuation is carried out based on lower of the latest NAV (not older than 1 year) submitted by the trust or the last available traded price.

- h) Investments in Government guaranteed Security Receipts ('SRs') are valued periodically by reckoning the Net Asset Value (NAV) declared by the Asset Reconstruction Company ('ARC') based on the recovery ratings received for such instruments. Any Government guaranteed SRs outstanding after the final settlement of the Government guarantee or the expiry of the guarantee period, whichever is earlier, are valued at one rupee (₹1).

Investments in other SRs are valued as per the NAV declared by the issuing ARC or net book value of loans transferred or estimated recoverable value based on Bank's internal assessment on case to case basis, whichever is lower. Investments in such Security Receipts where original maturity period has expired are valued at one rupee (₹1).

In case of investments in SRs which are backed by more than 10 percent of the stressed assets sold by the Bank, the valuation of such SRs is additionally subject to a floor of face value of the SRs reduced by the provisioning rate as per the extant asset classification and provisioning norms as applicable to the underlying loans, assuming that the loan notionally continued in the books of the Bank.

Investment asset classification and provisioning

Investments under HTM, AFS and FVTPL category are subjected to income recognition, asset classification and provisioning norms of RBI. Non-performing Investments (NPIs) are identified and provision is made thereon in the Profit and Loss account, as per the RBI guidelines. Once an investment becomes NPI, the Bank segregates it from rest of the portfolio and does not consider it for netting valuation gains and losses. An NPI investment is segregated from other investments within the same category [i.e., HTM, AFS, or FVTPL] under which it was classified at initial recognition. Interest on NPIs is not recognized in the Profit and Loss Account until received. MTM appreciation in case of NPIs over and above the book value is not recognized and ignored.

Reclassification between categories

Reclassification of investments between categories (viz. HTM, AFS and FVTPL) if any is carried out only after, prior approval of Board of Directors and RBI and the same is accounted for in accordance with the RBI guidelines.

Short sales

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. Such short positions are categorised under FVTPL category and netted off from investments in the Balance Sheet. These positions are marked-to-market along with the other securities under FVTPL portfolio and the resultant MTM gains/losses are accounted for as per the relevant RBI guidelines for valuation of investments.

4.2 Repurchase and reverse repurchase transactions

Repurchase transactions ('Repos')

Repurchase transactions in Government securities and corporate debt securities including those conducted under the Liquidity Adjustment Facility ('LAF') and Marginal Standby Facility ('MSF') with RBI are accounted for as collateralised borrowings. Accordingly, securities given as collateral under an agreement to repurchase them, continue to be held under the investment account and the Bank continues to accrue the coupon on the security during the repo period. Borrowing cost on such repo transactions is accounted as interest expense in "Schedule 15 – Interest Expended" in the Profit and Loss Account.

Reverse repurchase transactions ('Reverse repos')

Reverse repurchase transactions with RBI with original maturity upto 14 days, including those conducted under the Liquidity Adjustment Facility ('LAF') and Standing Deposit Facility ('SDF'), are accounted for as collateralised lending under "Schedule 6 - Balances with RBI - in Other Accounts". Reverse repurchase transactions with banks and other financial institutions with original maturity upto 14 days, are accounted for as collateralised lending under

“Schedule 7 - Balances with Banks and Money at call and short notice”. Revenue on such reverse repos is accounted for as interest income under “Schedule 13 – Interest Earned – Interest on balances with Reserve Bank of India and Other Inter-bank Funds” in the Profit and Loss Account.

Reverse repos with original maturity of more than 14 days are accounted for as collateralised lending under “Schedule 9 - Advances”. Revenue on such reverse repos is accounted for as interest income under “Schedule 13 - Interest Earned – Interest/discount on advances/bills” in the Profit and Loss account.

4.3 Advances

Classification and measurement of advances

Advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of bills rediscounted, inter-bank participation certificates, specific provisions made towards NPAs, interest in suspense for NPAs, claims received from Export Credit Guarantee Corporation, provisions for funded interest on term loans classified as NPAs and floating provisions. Structured collateralised foreign currency loans extended to customers and deposits received from the same customer are reported on a net basis.

The Bank transfers advances through inter-bank participation with and without risk. In accordance with the RBI guidelines, in the case of participation with risk, the aggregate amount of the participation issued by the Bank is reduced from advances and where the Bank is participating, the aggregate amount of the participation is classified under advances. In the case of participation without risk, the aggregate amount of participation issued by the Bank is classified under borrowings and where the Bank is participating, the aggregate amount of participation is shown as due from banks under advances.

Non-performing advances and provision on non-performing advances

NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI. Advances held at the overseas branches that are identified as impaired as per host country regulations for reasons other than record of recovery, but which are standard as per the RBI guidelines, are classified as NPAs to the extent of amount outstanding in the host country. NPAs are upgraded to standard as per the extant RBI guidelines.

Provisions for NPAs are made for sub-standard and doubtful assets at rates as prescribed by the RBI with the exception of schematic retail advances, agriculture advances and advances to Commercial Banking segment. In respect of schematic retail advances, provisions are made in terms of a bucket-wise policy upon reaching specified stages of delinquency (90 days or more of delinquency) under each type of loan, which satisfies the RBI prudential norms on provisioning. Provisions in respect of Commercial Banking segment advances and agriculture advances classified into sub-standard and doubtful assets are made at rates which are higher than those prescribed by the RBI.

Provisions for advances booked in overseas branches, which are standard as per the RBI guidelines but are identified as impaired as per host country regulations for reasons other than record of recovery, are made as per the host country regulations.

In case of NPAs referred to the National Company Law Tribunal ('NCLT') under the Insolvency and Bankruptcy Code, 2016 ('IBC') where resolution plan or liquidation order has been approved by NCLT, provision is maintained at higher of the requirement under the RBI guidelines or the likely haircut as per resolution plan or liquidation order.

Loans reported as fraud are classified as loss assets, and fully provided for immediately without considering the value of security.

Provision on restructured assets

Restructured assets including compromise settlements where the time for payment of the agreed settlement amount exceeds three months are classified and provided for in accordance with the guidelines issued by the RBI from time to time.

In respect of advances where resolution plan has been implemented under the RBI guidelines on “Resolution Framework for COVID 19-related Stress” and “Micro, Small and Medium Enterprises (MSME) Sector – Restructuring of Advances”,

provisions are maintained as per the internal framework of the Bank at rates which are higher than those specified under the extant RBI guidelines. Restructured loans are upgraded to standard as per the extant RBI guidelines.

Provisions held on restructured assets are reported in Schedule 5 – Other Liabilities and Provisions in the Balance Sheet.

Write-offs and recoveries from written-off accounts

Write-offs are carried out in accordance with the Bank's policy.

Amounts recovered against debts written off are recognised in the Profit and Loss Account as a credit to Provision and Contingencies.

Appropriation of funds for standard advances

In case of Equated Monthly Instalment (EMI) based standard retail advances, funds received from customers are appropriated in the order of principal, interest and charges. In case of other standard advances, funds received from customers are appropriated in the order of charges, interest and principal.

Other provisions on advances classified under Schedule 5 – 'Other Liabilities and Provisions' in the Balance Sheet

The Bank recognises additional provisions as per the RBI's guidelines on accounts in default and with aggregate exposure above the threshold limits as laid down in the guidelines where the resolution plan is not implemented within the specified timelines. These provisions are written back on satisfying the conditions for reversal as per RBI guidelines.

In respect of borrowers classified as non-cooperative or wilful defaulters, the Bank makes accelerated provisions as per the extant RBI guidelines.

In the case of one-time settlements with borrowers that are entered into but not closed as on the reporting date, the Bank makes provisions which is the higher of (i) the provision required based on asset classification; and (ii) the amount of contracted sacrifice, on a portfolio basis.

The Bank makes incremental provisioning (determined based on a time scale and on occurrence of predefined events) on all outstanding advances and investments relating to borrowers tagged as Red Flagged Accounts ('RFA').

For entities with Unhedged Foreign Currency Exposure ('UFCE'), provision is made in accordance with the guidelines issued by the RBI, which requires ascertaining the amount of UFCE, estimating the extent of likely loss and estimating the riskiness of the unhedged position. Further, incremental capital is maintained in respect of such borrower counter parties in the highest risk category, in line with stipulations by the RBI.

Upto 31 December, 2025 the Bank maintained provisions for incremental exposure of the banking system to specified borrowers beyond the Normally Permitted Lending Limit ('NPLL') in proportion to the Bank's funded exposure to the specified borrowers as per the RBI guidelines.

The Bank maintains a general provision on standard advances at the rates prescribed by the RBI. In respect of advances to stressed sectors, such general provision is made at rates higher than the regulatory minimum as per the internal policy of the Bank. The general provision on corporate standard advances internally rated 'BB and Below' or 'Unrated' and all Special Mention Accounts-2 ('SMA-2') advances as reported to Central Repository of Information on Large Credits ('CRILC'), is maintained at rates that are higher than those prescribed by RBI. In case of overseas branches, general provision on standard advances is maintained at the higher of the levels stipulated by the respective overseas regulator or by the extant RBI guidelines. The Bank also maintains general provision on positive Mark-to-Market (MTM) on derivative transactions at the rates prescribed under the extant RBI guidelines.

The Bank maintains additional specific provision on projects under implementation which have availed deferment in date of commencement of commercial operations and are classified as standard as per extant RBI guidelines.

The Bank also maintains additional provision on standard accounts in a particular borrower group where one or more entity in the group is classified as NPA, subject to the aggregate outstanding of such entities being above a certain threshold limit. Such provision is in addition to and at rates higher than the provision for standard assets as prescribed by RBI.

The Bank also maintains provision on non-funded outstanding in relation to NPAs, prudentially written off accounts, corporate standard advances internally rated 'BB and Below' or 'Unrated' and all SMA-2 advances as reported to CRILC.

Under its home loan portfolio, the Bank offers housing loans with certain features involving waiver of EMIs for a specific period subject to fulfilment of certain conditions by the borrower. The Bank makes provision against the probable loss that could be incurred in future on account of these waivers to eligible borrowers, based on actuarial valuation conducted by an independent actuary.

As approved by the Board of Directors, the Bank holds prudent provision of ₹7,013 crores towards certain standard advances and / or exposures.

4.4 Country risk

In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure (other than for home country) as per the RBI guidelines. Such provisions are held only in respect of those countries where the net funded exposure of the Bank exceeds 1% of its total assets. For this purpose, the countries are categorized into seven risk categories namely insignificant, low, moderate, high, very high, restricted and off-credit as per internal parameters in accordance with RBI guidelines. Provision is made on exposures exceeding 180 days on a graded scale ranging from 0.25% to 100%. For exposures with contractual maturity of less than 180 days, 25% of the normal provision requirement is held. If the net funded exposure of the Bank in respect of each country does not exceed 1% of the total assets, no provision is maintained on such country exposure in accordance with RBI guidelines. Indirect exposure is reckoned at 50% of the exposure. This provision is classified under Schedule 5 – Other Liabilities and Provisions in the Balance Sheet.

4.5 Securitisation and transfer of assets

Securitisation of Standard Assets

The Bank enters into purchase/sale of corporate and retail loans through direct assignment/Special Purpose Vehicle ('SPV'). In most cases, post securitisation, the Bank continues to service the loans transferred to the assignee/SPV. The Bank also provides credit enhancement in the form of cash collaterals and/or by subordination of cash flows to Senior Pass Through Certificate holders. In respect of credit enhancements provided or recourse obligations (projected delinquencies, future servicing etc.) accepted by the Bank, appropriate provision/disclosure is made at the time of sale in accordance with AS-29, Provisions, Contingent Liabilities and Contingent Assets as notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021. In accordance with RBI guidelines on Securitisation of Standard Assets, any loss, profit or premium realised at the time of the sale is accounted for in the Profit & Loss Account for the accounting period during which the sale is completed. However, in case of unrealised gains arising out of sale of underlying assets to the SPV, the profit is recognised in Profit and Loss Account only when such unrealised gains associated with such income is redeemed in cash.

Transfer of Loan Exposures

In accordance with RBI guidelines on Transfer of Loan exposures, any profit or loss arising post transfer of loans, which is realised, is accounted for and reflected in the Profit & Loss Account for the accounting period during which the transfer is completed. Loans acquired are carried at acquisition cost unless it is more than the outstanding principal at the time of the transfer, in which case the premium paid is amortised based on a straight-line method.

4.6 Priority Sector Lending Certificates

The Bank enters into transactions for the sale or purchase of Priority Sector Lending Certificates ('PSLCs'). In the case of a sale transaction, the Bank sells the fulfilment of priority sector obligation and in the case of a purchase transaction the Bank buys the fulfilment of priority sector obligation through the RBI trading platform. There is no transfer of loan assets in PSLC transactions.

4.7 Translation of Foreign Currency items

In respect of domestic operations, transactions denominated in foreign currencies are accounted for at the rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated at the closing rates of exchange as notified by the Foreign Exchange Dealers Association of India ('FEDAI'). All profits/losses resulting from year end revaluations are recognised in the Profit and Loss Account.

Financial statements of foreign branches classified as non-integral foreign operations as per the RBI guidelines, are translated as follows:

- Assets and liabilities (both monetary and non-monetary as well as contingent liabilities) are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- Income and expenses are translated at the rates prevailing on the date of the transactions.
- All resulting exchange differences are accumulated in a separate 'Foreign Currency Translation Reserve' (FCTR) till the disposal of the net investments. Any realised gains or losses on such disposal are recognised in the Profit and Loss Account except for those that relate to repatriation of accumulated profits which are reclassified from FCTR to 'Balance in Profit and Loss Account' under Schedule 2 – Reserves and Surplus in the Balance Sheet.

Contingent liabilities on account of forward exchange and derivative contracts, guarantees, acceptances, endorsements and other obligations denominated in foreign currencies are disclosed at closing rates of exchange notified by FEDAI.

4.8 Foreign exchange and derivative contracts

Derivative transactions comprise of forward contracts, swaps, FRAs, futures and options which are disclosed as contingent liabilities. The forwards, swaps and options are categorised as trading or hedge transactions.

Trading derivatives

Trading derivative contracts are revalued based on actual traded and/or derived from curves published by external market sources or FBIL with the resulting unrealised gain or loss being recognised in the Profit and Loss Account and correspondingly in other assets (representing positive MTM) and in other liabilities (representing negative MTM) on a gross basis.

Outstanding forward exchange contracts including tom/spot contracts (excluding swaps undertaken to hedge foreign currency assets/liabilities and funding swaps) as at Balance Sheet date are revalued at closing spot and forward rates as applicable as notified by FEDAI/FBIL and at interpolated rates for contracts of interim maturities. Valuation is considered on present value basis by discounting the forward value till cash date using Alternative Reference Rate ('ARR') curve and converting the foreign currency amount using the respective spot rates as notified by FEDAI/FBIL. The resulting gains or losses on revaluation are included in the Profit and Loss Account.

Currency futures contracts are mark-to-market, using the daily settlement price on a trading day, which is the closing price of the respective futures contracts on that day. While the daily settlement price is computed based on the last half an hour weighted average price of such contracts, the final settlement price is taken as the RBI reference rate on the last trading day of the futures contracts or as may be specified by the relevant authority from time to time. All open positions are marked-to-market based on the settlement price and the resultant MTM profit/loss is daily settled with the exchange.

Valuation of Exchange Traded Currency Options ('ETCO') is carried out using internal pricing models and valuation of Interest Rate Futures ('IRF') is carried out on the basis of the daily settlement price of each contract provided by the exchange.

Premium on options is recognized as income/expense on expiry or early termination of the transaction.

Hedging derivatives including funding swaps

Foreign exchange forward contracts not intended for trading (including funding swaps), that are entered into to establish the amount of reporting currency required or available at the settlement date of a transaction, and are outstanding at the Balance Sheet date, are effectively valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised on a straight-line basis as expense or income over the life of the contract.

For hedge transactions through other derivatives, the Bank identifies the hedged item (asset or liability) at the inception of transaction itself. The effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. In case of a fair value hedge, the changes in the fair value of the hedging instruments and hedged items are recognized in the Profit and Loss Account and in case of cash flow hedges, the change in fair value of hedging instrument for the effective portion is recognised in Schedule 2- 'Reserves and Surplus' under 'Cash Flow Hedge Reserve' and the ineffective portion of an effective hedging relationship, if any, is recognised in the Profit and Loss Account. The accumulated balance in the Cash Flow Hedge Reserve, in an effective hedging relationship, is recycled in the Profit and Loss Account at the same time that the impact from the hedged item is recognised in the Profit and Loss Account.

Provisioning

Pursuant to the RBI guidelines, any receivables under derivative contracts comprising of crystallised receivables as well as positive MTM in respect of future receivables which remain overdue for more than 90 days are reversed through the Profit and Loss account and are held in a separate suspense account under Schedule 5 – 'Other Liabilities and Provisions'.

4.9 Revenue recognition

Interest income is recognised on an accrual basis in accordance with AS-9, Revenue Recognition as notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014, the Companies (Accounting Standards) Rules, 2021 and the RBI guidelines, except in the case of interest income on non-performing assets where it is recognised on receipt basis as per the income recognition and asset classification norms of RBI. Any discount or premium on the investments in debt-securities is amortised as interest income over the remaining life of the instrument. Interest income on investments in PTCs is recognized on a constant yield basis.

Commission on Guarantees and Letters of Credit ('LC') is recognized on a pro-rata basis over the period of the Guarantee/ LC. Locker rent is recognized on a straight-line basis over the period of contract. Annual fee for credit cards and debit cards is recognised on a straight-line basis over the period of service. Arrangership/syndication fee is accounted for on completion of the agreed service and when the right to receive is established.

Loan processing fee is accounted for upfront when due, where the Bank is reasonably certain of ultimate collection. Penal charges on loans are recognized as income on actual realization.

Other fees and commission income are recognised when due, where the Bank is reasonably certain of ultimate collection. Payouts made to network partners and entities with co-branded arrangements, in the nature of sharing of fees or based on driver of volume/spends are netted off from the respective fee and commission income.

Dividend income is accounted on an accrual basis when the right to receive the dividend is established. Income from units of mutual funds / AIFs / VCFs is recognised on cash basis in line with regulatory guidelines.

Gain/loss on sell down of loans and advances through direct assignment is recognised at the time of sale.

Fees paid for purchase of PSLCs are amortised on straight-line basis over the tenor of the certificate as 'Other Expenditure' under Schedule 16 of the Profit and Loss Account. Fees received on sale of PSLCs are amortised on straight-line basis over the tenor of the certificate as 'Miscellaneous Income' under Schedule 14 of the Profit and Loss Account.

In accordance with RBI guidelines on sale of non-performing advances, if the sale is at a price below the net book value (i.e. book value less provisions held), the shortfall is charged to the Profit and Loss Account. If the sale is for a value higher than the net book value, the excess provision is credited to the Profit and Loss Account in the year the amounts are received.

4.10 Bullion

The Bank deals in bullion on a consignment basis. The difference between the amount recovered from customers and cost of bullion is accounted for at the time of sale to the customers. The Bank also deals in bullion on a borrowing and lending basis and the interest paid/received is accounted for on an accrual basis.

4.11 Fixed assets and depreciation

Fixed assets are carried at cost of acquisition less accumulated depreciation and impairment, if any. Cost includes initial handling and delivery charges, duties, taxes and incidental expenses related to the acquisition and installation of the

asset. Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future economic benefit / functioning capability from / of such assets.

Capital work-in-progress includes cost of fixed assets that are not ready for their intended use and also includes advances paid to acquire fixed assets.

Depreciation is provided over the estimated useful life of a fixed asset on straight-line method from the date of addition. The Management believes that depreciation rates currently used, fairly reflect its estimate of the useful lives and residual values of fixed assets based on the historical experience of the Bank, though these rates in certain cases are different from those prescribed under Schedule II of the Companies Act, 2013. Whenever there is a revision of the estimated useful life of an asset, the unamortised depreciable amount is charged over the revised remaining useful life of the said asset.

Asset	Estimated useful life	As per Companies Act, 2013
Leased Land	As per the term of the agreement	-
Owned premises	60 years	60 years
Furniture and Fittings including interior	9 years to 10 years	10 years
Office/Electrical equipment and installations	5 years to 10 years	5 years to 10 years
Application software	5 years	-
Vehicles	4 years	8 years
Computer hardware including printers	3 years	3 years
CCTV and video conferencing equipment	3 years	5 years

Assets costing less than ₹5,000 individually are fully depreciated in the year of purchase.

Depreciation on assets sold during the year is recognised on a pro-rata basis in the Profit and Loss Accounts till the date of sale.

Gains or losses arising from the retirement or disposal of fixed assets are determined as the difference between the net disposal proceeds and the carrying amount of assets and are recognised as income or expense in the Profit and Loss Account. Further, profit on sale of premises is appropriated to the Capital Reserve Account (net of taxes and transfer to Statutory Reserve) in accordance with RBI instructions.

4.12 Impairment of Fixed Assets

The carrying amounts of fixed assets are reviewed at each Balance Sheet date to ascertain if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

4.13 Non-banking assets

Non-banking assets ('NBAs') acquired in satisfaction of claims include land. In the case of land, the Bank creates provision and follows the accounting treatment as per specific RBI directions.

4.14 Lease Transactions

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognised as an expense in the Profit and Loss Account on a straight-line basis over the lease term, unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase. Lease income from assets given on operating lease is recognized as income in the Profit and Loss Account on a straight-line basis over the lease term.

4.15 Employee benefits

Short-term employee benefits

Short-term employee benefits comprise salaries and other compensations payable for services which the employee has rendered during the period. These are recognized at the undiscounted amount in the Profit and Loss Account.

Defined benefit plans

The Bank has defined benefit plans in the form of provident fund, gratuity and resettlement allowance. Provident Fund and Gratuity are in the nature of funded defined benefit plans and resettlement allowance is in the nature of unfunded defined benefit plan.

- **Provident Fund**

Retirement benefit in the form of provident fund is a defined benefit plan wherein the contributions are charged to the Profit and Loss Account of the year when such contributions are due and when services are rendered by the employees. Further, an actuarial valuation is conducted by an independent actuary using the Projected Unit Credit Method as at 31 March each year to determine the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate declared by the Central Government and the shortfall, if any, due to fluctuations in price or impairment, in the aggregate asset values of the Trust as compared to the market value. Actuarial gains/losses are immediately recognised in the Profit and Loss Account and are not deferred.

The overseas branches of the Bank and its eligible employees contribute a certain percentage of their salary towards respective government schemes as per local regulatory guidelines.

- **Gratuity**

The Bank contributes towards gratuity fund (defined benefit retirement plan) administered by various insurers for eligible employees. Under this scheme, the settlement obligation remains with the Bank, although the insurers administer the scheme and determine the contribution premium required to be paid by the Bank. The plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee's salary and the years of employment with the Bank. The liability with regard to the gratuity fund is recognised based on actuarial valuation conducted by an independent actuary using the Projected Unit Credit Method as at each reporting date based on certain assumptions regarding rate of interest, salary growth, mortality and staff attrition. Actuarial gains/losses are immediately recognized in the Profit and Loss Account and are not deferred.

In respect of employees at overseas branches (other than expatriates), the liability with regard to gratuity is provided on the basis of a prescribed method as per local laws, wherever applicable.

- **Resettlement Allowance**

The Bank provides for resettlement allowance liability in the form of six months' pay at the time of separation, for certain eligible employees who moved to the Bank as part of the Citibank India Consumer Business acquisition. Provision for this liability is based on an actuarial valuation conducted by an independent actuary using the Projected Unit Credit Method as at 31 March each year based on certain assumptions regarding discount rate and salary escalation rate.

Defined Contribution plans

- **Superannuation**

Select employees of the Bank are entitled to receive retirement benefits under the Bank's superannuation scheme either under a cash-out option through salary or under a defined contribution plan. For the employees covered under the defined contribution plan, the Bank contributes annually a sum equal to 10% of the employee's eligible annual basic salary to the Life Insurance Corporation of India (LIC), which undertakes to pay the lump sum and annuity benefit payments pursuant to the scheme. Such contributions are recognised in the Profit and Loss Account in the period in which they accrue.

- **National Pension Scheme ('NPS')**

In respect of employees who opt for contribution to the NPS, the Bank contributes a certain percentage of the total basic salary of such employees to the aforesaid scheme, a defined contribution plan, which is managed and administered by pension fund management companies. Such contributions are recognised in the Profit and Loss Account in the period in which they accrue.

4.16 Reward points

The Bank runs a loyalty program which seeks to recognize and reward customers based on their relationship with the Bank. Under the program, eligible customers are granted loyalty points redeemable in future, subject to certain conditions. In addition, the Bank continues to grant reward points in respect of certain credit cards (not covered under the loyalty program). The Bank estimates the provision for such loyalty/reward points using an actuarial method at the Balance Sheet date through an independent actuary, basis assumptions such as redemption rate, lapse rate, discount rate, value of reward points etc. Provision for the said reward points is then made based on the actuarial valuation report as furnished by the said independent actuary.

4.17 Taxation

Income tax expense is the aggregate amount of current tax and deferred tax charge. Current year taxes are determined in accordance with the relevant provisions of the Income Tax Act, 1961 and considering the material principles set out in the Income Computation and Disclosure Standards to the extent applicable. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off assets against liabilities representing current tax and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The impact of changes in the deferred tax assets and liabilities is recognised in the Profit and Loss Account.

Deferred tax assets are recognised and reassessed at each reporting date, based upon the Management's judgement as to whether realisation is considered as reasonably certain. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax asset can be realised against future profits.

4.18 Share issue expenses

Share issue expenses are adjusted from the Share Premium Account in terms of Section 52 of the Companies Act, 2013.

4.19 Corporate Social Responsibility

Expenditure towards Corporate Social Responsibility is recognised in the Profit and Loss Account in accordance with the provisions of the Companies Act, 2013.

4.20 Earnings per share

The Bank reports basic and diluted earnings per share in accordance with AS-20, Earnings per Share, as notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the year end except where the results are anti-dilutive.

4.21 Employee stock option/unit scheme

The Employee Stock Option Scheme ('the Scheme') provides for grant of stock options on equity shares of the Bank to employees and Directors, of the Bank and its subsidiaries. Under the Scheme, options are granted at an exercise price, which is equal to the fair market price of the underlying equity shares at the date of the grant. The fair market price is the latest available closing price, prior to the date of grant, on the stock exchange on which the shares of the Bank are listed. If the shares are listed on more than one stock exchange, then the stock exchange where there is highest trading volume on the said date is considered.

Further, the Employees Stock Unit Scheme ('the ESU Scheme') provides for grant of stock units convertible into equivalent number of fully paid-up equity share(s) of the Bank to eligible employees. The stock units are granted at an exercise price as determined by the Bank and specified at the time of grant which shall not be less than the face value of the equity shares of the Bank.

As per RBI guidelines, for options/units granted after 31 March, 2021, the Bank follows the fair value method and recognizes the fair value of such options/units computed using the Black-Scholes model without reducing estimated forfeitures, as compensation expense over the vesting period. On exercise of the stock options/units, the corresponding balance under Employee Stock Options/Units Outstanding account is transferred to the Share Premium account. In respect of the options/units which expire unexercised, the balance standing to the credit of Employee Stock Options/Units Outstanding account is transferred to the General Reserve. In respect of Employee Stock Options/Units which are granted to the employees of the subsidiaries, the Bank recovers the cost from the subsidiaries over the vesting period.

4.22 Provisions, contingent liabilities and contingent assets

In accordance with AS-29 "Provisions, Contingent Liabilities and Contingent Assets", provision is recognised when the Bank has a present obligation as a result of past event where it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

A disclosure of contingent liability is made when there is:

- a possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Bank; or
- a present obligation arising from a past event which is not recognised as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

4.23 Accounting for dividend

As per AS-4 'Contingencies and Events occurring after the Balance Sheet date' as notified by the Ministry of Corporate Affairs through the Companies (Accounting Standards) Rules, 2021, the Bank does not account for proposed dividend as a liability through appropriation from the Profit and Loss Account. The same is recognised in the year of actual payout post approval of the shareholders. However, the Bank considers proposed dividend in determining capital funds in computing the capital adequacy ratio as on the reporting date.

4.24 Cash and cash equivalents

Cash and cash equivalents include cash in hand, rupee digital currency, balances with RBI, balances with other banks and money at call and short notice.

4.25 Segment Reporting

The disclosure relating to segment information is made in accordance with AS-17: 'Segment Reporting' and relevant guidelines issued by the RBI.

18 Notes forming part of the Financial Statements

For the year ended 31 March, 2026

1 Statutory disclosures as per RBI

1.1 Regulatory Capital

a) Composition of Regulatory Capital

The Bank's capital to risk-weighted assets ratio ('Capital Adequacy Ratio') is calculated in accordance with the RBI guidelines on Basel III capital regulations ('Basel III'). The minimum capital ratio requirement under Basel III is as follows:

Minimum ratio of Capital to Risk-Weighted Assets (RWAs)	% of RWA
Common Equity Tier 1 (CET 1)	8.00
Tier 1 capital	9.50
Total capital	11.50

The capital adequacy ratio of the Bank, calculated as per the RBI guidelines (under Basel III) is set out below:

	31 March, 2026	31 March, 2025
(₹ in crores)		
Capital		
Common Equity Tier I (CET I)	194,606.69	169,352.18
Additional Tier I capital	5,425.33	4,591.23
Tier I capital	200,032.02	173,943.41
Tier II capital	22,251.88	23,113.44
Total capital (Tier I + Tier II)	222,283.90	197,056.85
Total Risk Weighted Assets (RWAs)	13,53,451.99	11,54,074.65
Capital ratios		
CET I	14.38%	14.67%
Tier I	14.78%	15.07%
Tier II	1.64%	2.00%
Capital to Risk Weighted Assets Ratio (CRAR)	16.42%	17.07%
Leverage Ratio	9.03%	9.18%
Percentage of the Shareholding of Government of India	Nil	Nil
Amount of paid-up equity capital raised during the year¹	2.16	2.16
Amount of Non-equity Tier I capital raised during the year	-	-
Perpetual Non-Cumulative Preference Shares	-	-
Perpetual Debt Instruments	-	-
Amount of Tier II capital raised during the year	-	-
Debt Capital Instruments	-	-
Perpetual Cumulative Preference Shares (PCPS)	-	-

1. During the year ended 31 March, 2026, the Bank raised ₹680.88 crores (consisting of share capital of ₹2.16 crores and share premium of ₹678.72 crores) pursuant to the exercise of options/units under its employee stock option/units scheme (Previous year ₹685.87 crores, consisting of share capital of ₹2.16 crores and share premium of ₹683.71 crores)

During the year ended 31 March, 2026, the Bank has not raised any non-equity Basel III compliant Tier-I/Tier-II capital.

During the year ended 31 March, 2026, the Bank redeemed non-equity Basel III compliant Tier-II capital, the details of which are set out below:

Instrument	Capital	Date of maturity	Period	Coupon	Amount
Subordinated debt	Tier-II	30 September, 2025	120 months	8.50%	₹1,500.00 crores

During the year ended 31 March, 2025, the Bank has not raised any non-equity Basel III compliant Tier-I/Tier-II capital.

During the year ended 31 March, 2025, the Bank redeemed non-equity Basel III compliant Tier-II capital, the details of which are set out below:

Instrument	Capital	Date of maturity	Period	Coupon	Amount
Subordinated debt	Tier-II	12 February, 2025	120 months	8.45%	₹850.00 crores

b) Capital and Reserves and Surplus

i) Share Capital

During the years ended 31 March, 2026 and 31 March, 2025, the Bank has not raised equity capital other than through allotment of equity shares to eligible employees upon exercise of options/units under its Employees Stock Option/ Units Scheme. During the year ended 31 March, 2026, pursuant to the exercise of options/units, the Bank has raised ₹680.88 crores, consisting of share capital of ₹2.16 crores and share premium of ₹678.72 crores (Previous year ₹685.87 crores, consisting of share capital of ₹2.16 crores and share premium of ₹683.71 crores).

ii) Draw down from Reserves

During the years ended 31 March, 2026 and 31 March, 2025 the Bank has not undertaken any drawdown from reserves.

iii) Capital Reserve

During the year ended 31 March, 2026, the Bank appropriated ₹506.52 crores (previous year ₹214.35 crores) to the Capital Reserve, net of taxes and transfer to Statutory Reserve, being the gain on sale of HTM investments in accordance with RBI guidelines.

iv) Special Reserve

During the year ended 31 March, 2026, the Bank appropriated ₹976.81 crores (previous year ₹1,024.73 crores) to the Special Reserve created and maintained in terms of Section 36(1)(viii) of the Income-tax Act, 1961.

v) Investment Reserve

Effective 1st April, 2024 the Bank adopted the revised framework as detailed in RBI Master Direction on Classification, Valuation and Operation of Investment Portfolio issued on 12 September, 2023 ('RBI Investment Direction 2023'). Accordingly in the previous year, as prescribed under the transition provisions of the RBI Investment Direction 2023, the Bank transferred the balance in the Investment Reserve Account as at 31 March, 2024 of ₹242.29 crores to the General Reserve.

vi) General Reserve

During the year ended 31 March, 2026, the Bank transferred ₹2.55 crores (previous year ₹7.98 crores) to the General Reserve from the Employee Stock Options/Units Outstanding Account, in respect of vested employee stock options/ units that have lapsed during the year. The addition to General Reserve also includes ₹0.04 crores (previous year nil) on account of exchange rate fluctuation arising on revaluation of a part of General Reserve balance held in foreign currency.

Further during the previous year ended 31 March 2025, the Bank has also transferred to the General Reserve an amount of ₹242.29 crores from the Investment Reserve and an amount of ₹1,217.86 crores (net of tax) on account of reversal of balance in provision for depreciation on investments as at 31 March, 2024 and adjustment for the difference between the carrying value of its investment portfolio as per the revised framework and the previous carrying value as at 31 March, 2024, as per the transition provisions of RBI Investment Direction 2023.

vii) Investment Fluctuation Reserve

During the year ended 31 March, 2026, the Bank appropriated ₹136.00 crores (previous year ₹248.00 crores) to the Investment Fluctuation Reserve in accordance with RBI guidelines.

viii) Available for Sale (AFS) Reserve

The valuation gains and losses for the year ended 31 March, 2026, across all performing investments held under AFS category investments are aggregated and the net loss amounting to ₹300.99 crores (net of tax) (previous year net gain of ₹110.39 crores) has been directly recognised in the AFS Reserve.

ix) Cash Flow Hedge Reserve

During the year ended 31 March, 2026, the Bank recognised a loss of ₹6.87 crores (previous year loss of ₹1.64 crores) in the Cash Flow Hedge Reserve on derivative contracts designated as cash flow hedge.

1.2 Asset Liability management**a) Maturity pattern of certain items of assets and liabilities¹**

1. Classification of assets and liabilities under the different maturity buckets is based on the same estimates and assumptions as used by the Bank for compiling the return submitted to the RBI, which has been relied upon by the auditors
2. Includes foreign currency balances
3. For the purpose of disclosing the maturity pattern, advances that have been subject to risk participation vide Inter-Bank Participation Certificates ('IBPCs') and Funded Risk Participation ('FRPs') have been classified in the maturity bucket corresponding to the contractual maturities of IBPC/FRP instruments
4. Maturity profile of foreign currency assets and liabilities excludes off balance sheet items
5. Listed equity investments (except strategic investments) have been considered at 50% haircut as per RBI directions

b) Disclosure on Liquidity Coverage Ratio**Qualitative disclosure**

The Bank has adopted the Basel III framework on liquidity standards as prescribed by RBI and has put in place requisite systems and processes to enable periodical computation and reporting of the Liquidity Coverage Ratio (LCR). The mandated regulatory threshold is embedded into the Risk Appetite Statement of the Bank thus subjecting LCR maintenance to Board oversight and periodical review. The Bank computes the LCR and reports the same to the Asset Liability Management Committee (ALCO) every month for review as well as to the Risk Management Committee of the Board.

The Bank computes LCR on a daily basis and in accordance with RBI guidelines the quarterly disclosures of LCR contain data on the simple average calculated on daily observations over the quarter.

The Bank follows the criteria laid down by RBI for calculation of High Quality Liquid Assets (HQLA), gross outflows and inflows within the next 30-day period. HQLA predominantly comprises Government securities viz. Treasury Bills, Central and State Government securities. A relatively smaller part of HQLA is accounted for by the corporate bonds with mandated haircuts applied thereto.

The Bank monitors the concentration of funding sources from significant counterparties, significant instruments/products as part of the asset liability management framework. The Bank adheres to the regulatory and internal limits on Inter-bank liability and call money borrowings which form part of the ALM policy. The Bank's funding sources are fairly dispersed across sources and maturities.

Expected derivative cash outflows and inflows are calculated for outstanding contracts in accordance with laid down valuation methodologies. Cash flows, if any, from collaterals posted against derivatives are not considered.

Apart from the LCR position in all currencies put together, the Bank monitors the LCR in US Dollar currency which qualifies as a significant currency as per RBI guidelines.

The liquidity management of the Bank is undertaken by the Asset Liability Management group in the Treasury department in accordance with the Board approved policies and ALCO approved funding plans. The Risk department measures and monitors the liquidity profile of the Bank with reference to the Board approved limits, for both domestic as well as overseas operations, on a static as well as on a dynamic basis by using the gap analysis technique supplemented by monitoring of key liquidity ratios and periodical liquidity stress testing. Periodical reports are placed before the Bank's ALCO for perusal and review. As per RBI guidelines, the Bank is required to maintain a minimum of 100% of Liquidity Coverage Ratio, which was applicable for all the quarters for the financial years ending on 31 March, 2026 and 31 March, 2025.

All significant outflows and inflows determined in accordance with RBI guidelines are included in the prescribed LCR computation template.

* while reporting number of borrowers, restructured accounts of same borrowers under different category are reported only under one category

1. Excludes prudentially written-off accounts
2. Excludes accounts where resolution plan is implemented under RBI Resolution Framework for Covid-19 related stress as per RBI circular dated 6 August, 2020 (Resolution Framework 1.0) and 5 May, 2021 (Resolution Framework 2.0). [Refer note 18 (1.4) (k)]
3. Includes accounts where restructuring is implemented under RBI circular for Resolution of Stressed Assets (excluding cases of change in ownership)
4. Includes compromise settlement accounts treated as restructuring pursuant to RBI guidelines on "Resolution of Stressed Assets" where the time for payment of agreed settlement amount exceeds three months
5. Includes **zero** MSME borrower accounts restructured under RBI guidelines of January, 2019 amounting to ₹Nil (Previous year Zero accounts amounting ₹Nil)
6. Excluding balance outstanding in Sundries Account (Interest Capitalization - Restructured Accounts), in respect of NPA accounts which is not recognized as income as per RBI guidelines

e) Divergence in asset classification and provisioning

In terms of RBI guidelines, banks are required to disclose the divergences in asset classification and provisioning consequent to RBI's annual supervisory process in their notes to accounts to the financial statements. The disclosure is required if either or both of the following conditions are satisfied: (a) the additional provisioning for NPAs assessed by RBI exceeds 5% of the reported profit before provisions and contingencies for the reference period and (b) the additional Gross NPAs identified by RBI exceed 5% of the published incremental Gross NPAs for the reference period.

Based on the above, no disclosure on divergence in asset classification and provisioning for NPAs is required with respect to RBI's annual supervisory process for the year ended 31 March, 2025 and 31 March, 2024.

f) Disclosure on transfer of loan exposures

- i) Details of loans not in default acquired and transferred during the years ended 31 March, 2026 and 31 March, 2025 under the RBI guidelines are given below :
- a) Details of loans not in default acquired from other entities:

(₹ in crores)

Particulars	For the year ended 31 March, 2026		For the year ended 31 March, 2025	
	Corporate	Retail	Corporate	Retail
Mode of acquisition	Assignment and Novation	Assignment	Assignment	Assignment
Aggregate Principal outstanding of loans acquired	5,026.47	6,138.50	706.30	127.05

Yet to be rated ¹		164.50	164.50
Total		800.65	1,340.41

1. Recent purchase whose statutory period has not elapsed as on 31 March, 2025

- g)** The Bank has not entered into any co-lending transactions during the quarter ended 31 March, 2026 which qualify under Part B of the RBI (Commercial Banks – Transfer and Distribution of Credit Risk) Directions, 2025 which became effective from 1 January, 2026.
- h) Non-Fund Based (NFB) Credit Facilities:** During the year ended 31 March, 2026, RBI has issued directions with regard to NFB Credit Facilities (Master Direction on Commercial Banks – Credit Facilities, 2025) which shall come into force for the Bank from 1 April, 2026. Accordingly, the disclosure is not applicable for FY 2025-26.
- i) Disclosure on provisioning pertaining to fraud accounts**

(₹ in crores)		
Particulars	For the year ended 31 March, 2026	For the year ended 31 March, 2025
Number of frauds reported during the year ^{1,2,3,4}	4,098	19,625
Amounts involved net of recoveries/write-offs during the year ^{1,2,3}	275.66	490.49
Provisions held at the beginning of the year	40.00	51.59
Provisions made during the year	234.59	307.41
Balance held in interest capitalisation accounts	-	-
Provisions held at the end of the year	274.59	359.01
Unamortised provision debited from 'other reserves' as at the end of the year	-	-

- Includes 158 cases of frauds where claim not admitted amounting to ₹0.78 crores (previous year 17,281 cases of ₹124.35 crores), relating to digital payment related transactions
- In respect of frauds related to advances, the Bank undertakes 100% provisioning of the outstanding amount once the borrower account is classified as fraud in line with RBI guidelines. In respect of other frauds, provision is made where the claim has been admitted and the Bank is under an obligation to settle the same. In all other cases declared as fraud but where claim is not admitted, no provision is required to be made. The number of frauds reported during the year include 32 cases (excluding cases covered under note 1 above) amounting to ₹6.02 crores where claim has not been admitted by the Bank (previous year 96 cases amounting to ₹7.13 crores)
- Excluding 934 cases of advances (previous year 316 cases) amounting to ₹416.56 crores (previous year ₹409.48 crores) reported as fraud during the FY 2025-26 and which are prudentially written off as on 31 March, 2026
- Based on number of borrowers impacted in case of frauds relating to loans and advances and count of Fraud Monitoring Return (FMR) filed with RBI in other cases

j) Disclosure related to project finance

3. Personal loans represent retail advances

For the year ended 31 March, 2025

Movement in position of accounts where resolution plan is implemented under RBI Resolution Framework for Covid-19 related stress as per RBI circular dated 6 August, 2020 (Resolution Framework 1.0) during the half year ended 30 September, 2024:

(₹ in crores except number of accounts)

Type of borrower	Exposure to accounts classified as Standard consequent to implementation of resolution plan – Position as at 31 March, 2024 (A) ¹	Of (A), aggregate debt that slipped into NPA during H1 FY25	Of (A) amount written off during H1 FY25	Of (A) amount paid by the borrowers during H1 FY25 ²	Exposure to accounts classified as Standard consequent to implementation of resolution plan – Position as at 30 September, 2024 ¹
Personal Loans ³	1,330.90	47.61	2.04	120.32	1,160.93
Corporate persons	197.15	-	-	37.76	159.39
Of which, MSMEs	-	-	-	-	-
Others	-	-	-	-	-
Total	1,528.05	47.61	2.04	158.08	1,320.32

1. Represents fund based outstanding balance of standard accounts
2. Represents net movement in balance outstanding
3. Personal loans represent retail advances

Movement in position of accounts where resolution plan is implemented under RBI Resolution Framework for Covid-19 related stress as per RBI circular dated 6 August, 2020 (Resolution Framework 1.0) and 5 May, 2021 (Resolution Framework 2.0) during the half year ended 31 March, 2025:

(₹ in crores except number of accounts)

Type of borrower	Exposure to accounts classified as Standard consequent to implementation of resolution plan – Position as at 30 September, 2024 (A) ¹	Of (A), aggregate debt that slipped into NPA during H2 FY25	Of (A) amount written off during H2 FY25	Of (A) amount paid by the borrowers during H2 FY25 ²	Exposure to accounts classified as Standard consequent to implementation of resolution plan – Position as at 31 March, 2025 ¹
Personal Loans ³	1,160.93	23.73	2.94	112.96	1,021.30
Corporate persons	159.39	-	-	(27.99)	187.38
Of which, MSMEs	-	-	-	-	-
Others	-	-	-	-	-
Total	1,320.32	23.73	2.94	84.97	1,208.68

1. Represents fund based outstanding balance of standard accounts
2. Represents net movement in balance outstanding
3. Personal loans represent retail advances

- i) During the years ended 31 March, 2026 and 31 March, 2025 none of the loans and advances held at overseas branches of the Bank have been classified as NPA by any host banking regulator for reasons other than record of recovery.

1.5 Exposures

a) Exposure to Real Estate sector

		(₹ in crores)	
Category		31 March, 2026	31 March, 2025
1) Direct Exposure			
(i) Residential mortgages		231,366.73	217,344.83
(Lending fully secured by mortgages on residential property that is or will be occupied by the borrower or that is rented. Exposure also includes non-fund based (NFB) limits)			
- of which housing loans eligible for inclusion in priority sector advances		67,667.35	56,083.46
(ii) Commercial real estate		102,202.26	71,495.88
[Lending secured by mortgages on commercial real estate (office building, retail space, multipurpose commercial premises, multifamily residential buildings, multi tenanted commercial premises, industrial or warehouse space, hotels, land acquisition, development, and construction etc.) where the prospects for repayment and recovery depend primarily on the cashflows generated by the assets and also includes housing loans extended towards third dwelling unit. Exposures include NFB limits.]			
(iii) Investments in Mortgage Backed Securities (MBS) and other securitised exposures -			
a. Residential		-	-
b. Commercial real estate		-	-
2) Indirect Exposure			
Fund based and non-fund based exposures on National Housing Bank (NHB) and Housing Finance Companies (HFCs)		14,798.87	17,482.70
Total Exposure to Real Estate Sector		348,367.86	306,323.41

b) Exposure to Capital Market

		(₹ in crores)	
Category		31 March, 2026	31 March, 2025
1. Direct investments in equity shares, convertible bonds, convertible debentures and units of equity-oriented mutual funds the corpus of which is not exclusively invested in corporate debt ¹		4,151.54	4,576.42
2. Advances against shares/bonds/debentures or other securities or on clean basis to individuals for investment in shares (including IPOs/ESOPs), convertible bonds, convertible debentures, and units of equity-oriented mutual funds		60.00	11.61
3. Advances for any other purposes where shares or convertible bonds or convertible debentures or units of equity-oriented mutual funds are taken as primary security		2,451.55	2,675.40
4. Advances for any other purposes to the extent secured by the collateral security of shares or convertible bonds or convertible debentures or units of equity-oriented mutual funds i.e. where primary security other than shares/convertible bonds/convertible debentures/units of equity-oriented mutual funds does not fully cover the advances		82.43	100.30
5. Secured and unsecured advances to stockbrokers and guarantees issued on behalf of stockbrokers and market makers		41,621.39	34,114.15
6. Loans sanctioned to corporates against the security of shares/bonds/debentures or other securities or on clean basis for meeting promoter's contribution to the equity of new companies in anticipation of raising resources		13.50	16.90
7. Bridge loans to companies against expected equity flows/issues		8.88	51.04
8. Underwriting commitments taken up in respect of primary issue of shares or convertible bonds or convertible debentures or units of equity-oriented mutual funds		-	-

Category	(₹ in crores)	
	31 March, 2026	31 March, 2025
9. Financing to stock brokers for margin trading	-	-
10. All exposures to Venture Capital Funds (both registered and unregistered) including capital contribution to LLP	477.59	413.04
Total exposure to Capital Market (Total of 1 to 10)	48,866.88	41,958.86

1. excludes investment in equity shares on account of conversion of debt into equity as part of restructuring amounting to ₹465.69 crores as on 31 March, 2026 (previous year ₹210.76 crores) which are exempted from exposure to Capital Market

c) Details of Risk Category wise Country Exposure

	(₹ in crores)			
Risk Category ¹	Exposure (Net) as at 31 March, 2026	Provision Held as at 31 March, 2026	Exposure (Net) as at 31 March, 2025	Provision Held as at 31 March, 2025
Insignificant	-	-	-	-
Low	37,867.02	69.63	26,770.15	44.14
Moderate	1,144.83	-	692.33	-
High	204.85	-	32.75	-
Very High	755.24	-	45.46	-
Restricted	1,277.18	-	0.15	-
Off-Credit	-	-	0.01	-
Total	41,249.12	69.63	27,540.85	44.14

1. Risk categorization is based on the methodology as internally adopted by the Bank

d) Unsecured Advances

Particulars	(₹ in crores)	
	31 March, 2026	31 March, 2025
Total unsecured advances of the Bank	335,252.19	282,660.38
Out of the above, amount of advances for which intangible securities such as charge over the rights, licenses, authority, etc. have been taken	-	-
Estimated value of such intangible securities	-	-

e) Factoring Exposures

As on 31 March, 2026, exposures under factoring stood at ₹19,057.15 crores (previous year ₹16,497.03 crores).

f) Disclosure on Intra-Group Exposures¹

Particulars	(₹ in crores)	
	31 March, 2026	31 March, 2025
Total amount of intra-group exposures	19,528.49	18,360.20
Total amount of top-20 intra-group exposures	19,528.45	18,360.09
Percentage of intra-group exposures to total exposure of the Bank on borrowers/customers	0.92	1.01

1. Exposure includes credit exposure (funded and non-funded), derivative exposure, investment exposure (including underwriting and similar commitments) and deposits placed for meeting shortfall in Priority Sector Lending

During the years ended 31 March, 2026 and 31 March, 2025, the intra-group exposures were within the limits specified by RBI.

The above information is as certified by the Management and relied upon by the auditors.

g) Unhedged foreign currency exposures

The Bank has laid down the framework to manage credit risk arising out of unhedged foreign currency exposures of the borrowers. Both at the time of initial approval as well as subsequent reviews/renewals, the assessment of credit risk arising out of foreign currency exposure of the borrowers include details of imports, exports, repayments of foreign currency borrowings, as well as hedges done by the borrowers or naturally enjoyed by them vis-a-vis their intrinsic financial strength, history of hedging and losses arising out of foreign currency volatility. The extent of hedge/cover required on the total foreign currency exposure including natural hedge and hedged positions, is guided through a matrix of internal ratings. The hedging policy is applicable for existing as well as new clients with foreign currency exposures above a predefined threshold. The details of un-hedged foreign currency exposure of customers for transactions undertaken through the Bank are monitored periodically. The Bank also maintains additional provision and capital, in line with RBI guidelines.

Particulars	(₹ in crores)	
	31 March, 2026	31 March, 2025
Opening provision held as at 1st April	356.57	411.31
Provision created during the year	161.44	-
Provision released during the year	-	(54.74)
Cumulative provision held as at 31st March	518.01	356.57
Incremental capital held as at 31 st March	2,135.00	1,562.07

h) Loans against gold and silver collateral**i. Details of loans extended against eligible gold collateral :**

Particulars	As at 31 March, 2026				
	Loan outstanding		Average ticket size (₹ crore) ¹	Average LTV ratio	Gross NPA (%)
	₹ crore	As % of Total Loans			
1. Opening balance of the FY [(a)+(b)]	11,283.64	1.07%	0.04	73.51	1.00%
(a) Consumption loans	3,518.64	0.33%	0.03	73.46	0.69%
of which bullet repayment loans	2.34	0.00%*	0.04	64.78	0.00%
(b) Income generating loans	7,765.00	0.74%	0.05	73.55	1.15%

of which bullet repayment loans	(299.09)	(0.02%)	0.05		
(f) Income generating loans	(10,765.57)	(0.87%)	0.06		
6. Non-Performing Loans recovered during the FY³ [(g)+(h)]	(76.44)	(0.01%)	0.02		
(g) Consumption loans	(26.58)	(0.00%)*	0.01		
of which bullet repayment loans	(0.42)	(0.00%)*	0.03		
(h) Income generating loans	(49.85)	(0.00%)*	0.02		
7. Loans written off during the FY [(i)+(j)]	(19.44)	(0.00%)*	0.02		
(i) Consumption loans	(4.04)	(0.00%)*	0.01		
of which bullet repayment loans	-	-	-		
(j) Income generating loans	(15.40)	(0.00%)*	0.04		
8. Closing balance at the end of FY [(k)+(l)]	16,945.70	1.36%	0.06	71.49	0.50%
(k) Consumption loans	10,574.65	0.85%	0.06	71.27	0.24%
of which bullet repayment loans	1,411.36	0.11%	0.06	64.08	0.08%
(l) Income generating loans	6,371.04	0.51%	0.07	71.95	0.94%

* represents values less than 0.005

1. Average Ticket Size is calculated as the total outstanding amount divided by the number of accounts
2. Represents net movement in balance outstanding after considering write offs and recoveries in non-performing loan accounts
3. Represents principal amount recovered for non-performing loans during the year

ii. Details of gold collateral and auctions :

As at 31 March, 2026

Sr. No	Particulars	Value
a.	Unclaimed gold collateral at the end of the financial year (in grams)	5,848.59
b.	Number of loan accounts in which auctions were conducted ¹	5,099
c.	Total outstanding ² in loan accounts mentioned in (b)	₹74.80 crores
d.	Gold collateral acquired during the FY due to default of loans ^{3, 4} (in grams)	2,140,305.27
e.	Gold collateral auctioned during the FY (in grams) ⁴	140,457.91
f.	Recovery made through auctions during the FY	₹132.27 crores
g.	Recovery percentage:	
h.	— as % of value of gold collateral	92%
i.	— as % of outstanding loan	177%

1. Represents number of loan accounts in which auction conducted was successful
2. Represents outstanding amount as at auction closure date
3. Represents cases for which auction notices in respect of pledged collateral were issued, including cases where the auction was subsequently not conducted for any reason
4. Represents net weight of gold collateral irrespective of caratage

The Bank has not sanctioned or disbursed any loan against silver collateral as on 31 March, 2026.

1.6 Exposure to Related Parties:

During the year ended 31 March, 2026, RBI has issued "Commercial Banks - Credit Risk Management, Amendment Directions 2026" which shall come into force for the Bank from 1 April, 2026. Accordingly, the disclosure on exposures to Related Parties is not applicable for FY 2025-26.

1.7 Concentration of deposits, advances, exposures and NPAs

a) Concentration of deposits

(₹ in crores)

	31 March, 2026	31 March, 2025
Total deposits of twenty largest depositors	109,532.61	113,671.66
Percentage of deposits of twenty largest depositors to total deposits	8.20	9.69

b) Concentration of advances¹

(₹ in crores)

	31 March, 2026	31 March, 2025
Total advances to twenty largest borrowers	172,086.55	150,927.19
Percentage of advances to twenty largest borrowers to total advances	8.35	8.63

1. Advances represent credit exposure (funded and non-funded) including derivative exposure as defined by RBI

c) Concentration of exposures¹

(₹ in crores)

	31 March, 2026	31 March, 2025
Total exposure to twenty largest borrowers/customers	177,228.84	166,227.48
Percentage of exposures to twenty largest borrowers/customers to total exposure on borrowers/customers	8.39	9.17

1. Exposure includes credit exposure (funded and non-funded), derivative exposure, investment exposure (including underwriting and similar commitments) and deposits placed for meeting shortfall in Priority Sector Lending

d) Concentration of NPAs

(₹ in crores)

	31 March, 2026	31 March, 2025
Total exposure to the top twenty NPA accounts ¹	2,227.96	2,817.52
Percentage exposures of the twenty largest NPA exposures to total gross NPAs ²	12.19	17.48

1. Represents fund based and non-fund based outstanding and non-performing investments
 2. Percentage is computed based on outstanding of top twenty NPA accounts to gross NPAs (excluding non-fund based outstanding)

1.8 Derivatives**a) Details of derivative portfolio****As at 31 March, 2026**

b) Disclosure in respect of Interest Rate Swaps ('IRS'), Forward Rate Agreement ('FRA') and Cross Currency Swaps ('CCS') outstanding is set out below:

An 'IRS' is a financial contract between two parties exchanging or swapping a stream of interest payments for a 'notional principal' amount on multiple occasions during a specified period. The Bank deals in interest rate benchmarks like Mumbai Inter-Bank Offered Rate (MIBOR), Indian Government Securities Benchmark Rate (INBMK), Modified MIFOR and Alternative Reference Rates (ARR) of various currencies.

A 'FRA' is a financial contract between two parties to exchange interest payments for 'notional principal' amount on settlement date, for a specified period from start date to maturity date. Accordingly, on the settlement date cash payments based on contract rate and the settlement rate, which is the agreed bench-mark/reference rate prevailing on the settlement date, are made by the parties to one another. The benchmark used in the FRA contracts of the Bank is Bond/ARR of various currencies.

A 'CCS' is a financial contract between two parties exchanging interest payments and principal, wherein interest payments and principal in one currency would be exchanged for an equally valued interest payments and principal in another currency.

		(₹ in crores)	
Sr. No.	Items	As at 31 March, 2026	As at 31 March, 2025
i)	Notional principal of swap agreements	1,190,053.69	1,236,207.65
ii)	Losses which would be incurred if counterparties failed to fulfil their obligations under the agreements	10,707.04	8,390.76
iii)	Collateral required by the Bank upon entering into swaps	2,639.99	3,093.63
iv)	Concentration of credit risk arising from the swaps		
	Maximum single industry exposure with Banks (previous year with Banks)	4,297.05	7,911.76
v)	Fair value of the swap book (hedging & trading)	(1,407.07)	382.48

iv)	Mark-to-market value of exchange traded interest rate derivatives outstanding as on 31 March, 2025 and "not highly effective"	N.A.

d) Disclosure on risk exposure in Derivatives

Qualitative disclosures:

- (a) Structure and organisation for management of risk in derivatives trading, the scope and nature of risk measurement, risk reporting and risk monitoring systems, policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants:

Derivatives are financial instruments whose characteristics are derived from an underlying asset, or from interest and exchange rates or indices. The Bank undertakes Over the Counter (OTC) and Exchange Traded derivative transactions for Balance Sheet management and also for proprietary trading/market making whereby the Bank offers OTC derivative products to the customers to enable them to hedge their interest rate and currency risks within the prevalent regulatory guidelines.

Proprietary trading includes Exchange Traded Currency Options, Interest Rate Futures, Currency Futures and Rupee Interest Rate Swaps under different benchmarks (viz. MIBOR, Modified MIFOR, ARR and INBMK), Currency Options, Currency Swaps and Non-Deliverable derivatives. The Bank also undertakes transactions in Cross Currency Swaps, Principal Only Swaps, Coupon Only Swaps, Currency Options, Interest Rate Swaps, Exotic Derivatives, Forex Forward and Long-Term Forex Contracts (LTFX) for hedging its Balance Sheet and also offers them to its customers. These transactions expose the Bank to various risks, primarily credit, market, legal, reputation and operational risk. The Bank has adopted the following mechanism for managing risks arising out of the derivative transactions.

There is a functional separation between the Treasury Front Office, Treasury Mid-Office and Treasury Back Office to undertake derivative transactions. The customer and interbank related derivative transactions are originated by Derivative sales and Treasury Front Office team respectively which ensures compliance with the trade origination requirements as per the Bank's policy and the RBI guidelines. The Market Risk Group within the Bank's Risk Department independently identifies, measures and monitors the market risks associated with derivative transactions and appraises the Asset Liability Management Committee (ALCO) and the Risk Management Committee of the Board (RMC) on the compliance with the risk limits. The Treasury Back Office undertakes activities such as trade validation, confirmation, settlement, ISDA and related documentation, post deal documentation, accounting, valuation and other MIS reporting.

The derivative transactions are governed by the Derivative policy, Suitability and Appropriateness Policy for derivative products, Market Risk Management policy, Hedging policy and the Asset Liability Management (ALM) policy of the Bank as well as by the extant RBI guidelines. The Bank has implemented policy on customer suitability & appropriateness to ensure that derivatives transactions entered into are appropriate and suitable to the customer. The Bank has put in place a detailed process flow on documentation for customer derivative transactions for effective management of operational/reputation/compliance risk.

Various risk limits are set up and actual exposures are monitored vis-à-vis the limits allocated. These limits are set up taking into account market volatility, risk appetite, business strategy and management experience. Risk limits are in place for risk parameters viz. PV01, VaR, Stop Loss, Delta, Gamma and Vega. Actual positions are monitored

against these limits on a daily basis and breaches, if any, are dealt with in accordance with board approved Risk Appetite Statement. Risk assessment of the portfolio is undertaken periodically. The Bank ensures that the Gross PV01 (Price value of a basis point) position arising out of all non-option rupee derivative contracts are within 0.25% of net worth of the Bank as on Balance Sheet date.

Hedging transactions are undertaken by the Bank to protect the variability in the fair value or the cash flow of the underlying Balance Sheet item. These transactions are tested for hedge effectiveness and in case any transaction fails the test, the same is re-designated as a trading deal and appropriate accounting treatment is followed.

(b) Accounting policy for recording hedge and non-hedge transactions, recognition of income, premiums and discounts, valuation of outstanding contracts:

Derivative transactions comprise of forward contracts, swaps, FRAs, futures and options which are disclosed as contingent liabilities. These are categorised as trading or hedge transactions.

Trading derivative contracts are revalued based on actual traded and/or derived from curves published by external market sources or FBIL with the resulting unrealised gain or loss being recognised in the Profit and Loss Account and correspondingly in other assets (representing positive MTM) and in other liabilities (representing negative MTM) on a gross basis. The premium on option contracts is accounted for as per FEDAI guidelines.

The Hedging Policy of the Bank governs the use of derivatives for hedging purpose. Subject to the prevailing RBI guidelines, the Bank deals in derivatives for hedging fixed rate and floating rate coupon or foreign currency assets/liabilities. Transactions for hedging and market making purposes are recorded separately.

Foreign exchange forward contracts not intended for trading (including funding swaps), that are entered into to establish the amount of reporting currency required or available at the settlement date of a transaction, and are outstanding at the Balance Sheet date, are effectively valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised on a straight-line basis as expense or income over the life of the contract.

For hedge transactions through other derivatives, the Bank identifies the hedged item (asset or liability) at the inception of transaction itself. The effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. In case of a fair value hedge, the changes in the fair value of the hedging instruments and hedged items are recognized in the Profit and Loss Account and in case of cash flow hedges, the change in fair value of hedging instrument for the effective portion is recognised in Schedule 2 - 'Reserves and Surplus' under 'Cash Flow Hedge Reserve' and the ineffective portion of an effective hedging relationship, if any, is recognised in the Profit and Loss Account. The accumulated balance in the Cash Flow Hedge Reserve, in an effective hedging relationship, is recycled in the Profit and Loss Account at the same time that the impact from the hedged item is recognised in the Profit and Loss Account.

Derivative transactions are covered under International Swaps and Derivatives Association (ISDA) master agreements with respective counterparties. The exposure on account of derivative transactions is computed as per the RBI guidelines and is marked against the Loan Equivalent Risk (LER) limits approved for the respective counterparties.

(c) Provisioning, collateral and credit risk mitigation:

In accordance with RBI guidelines, any receivables (crystallised receivables and positive MTM) under derivatives contracts, which remain overdue for more than 90 days, are reversed through the Profit and Loss Account and are held in a separate Suspense account.

Collateral requirements for derivative transactions are laid down as part of credit sanction terms on a case by case basis. Such collateral requirements are determined, based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

The credit risk in respect of customer derivative transactions is sought to be mitigated through a laid down policy on sanction of Loan Equivalent Risk (LER) limits, monitoring mechanism for LER limits and trigger events for escalation/margin calls/termination.

Others	2,275	93,293	22%	2,361	396
Total	20,754	590,540	5%	11,143	1,652

The above disclosures do not include complaints redressed within 1 working day and are as certified by the Management and relied upon by the auditors.

1.13 Details of penalty/stricture levied by RBI

Details of penalty/stricture levied by RBI during the year ended 31 March, 2026 is as under:

Amount (₹ in crores)	Reason for stricture issued/levy of penalty by RBI	Date of payment of penalty
0.29	Penalty imposed for non-compliance with certain directions issued by RBI on 'Unauthorized Operation of Internal / Office Accounts'.	07 May, 2025

Details of penalty/stricture levied by RBI during the year ended 31 March, 2025 is as under:

Amount (₹ in crores)	Reason for stricture issued/levy of penalty by RBI	Date of payment of penalty
1.91	Penalty imposed for non-compliance with provisions of Section 19 (1) (a) of the Banking Regulation Act, 1949 and for non compliance with certain directions issued by RBI on 'Interest Rate on Deposits', 'Know Your Customer (KYC)' and 'Credit flow to agriculture-collateral free agricultural loans'.	12 September, 2024

1.14 Disclosure on Remuneration

Qualitative disclosures

a) Information relating to the composition and mandate of the Nomination and Remuneration Committee:

❖ Name, composition and mandate of the main body overseeing remuneration:

The Nomination and Remuneration Committee of the Board oversees the framing, review and implementation of the compensation policy of the Bank on behalf of the Board. The Committee works in close co-ordination with the Risk Management Committee of the Bank, in order to achieve effective alignment between remuneration and risks.

As on 31 March, 2026, the Nomination and Remuneration Committee comprised of the following Non-Executive Directors:

1. Smt. Meena Ganesh – Chairperson
2. Smt. Mini Ipe
3. Shri Girish Paranjpe
4. Shri N.S. Vishwanathan

In respect of Remuneration/HR matters, the Nomination and Remuneration Committee of the Board, functions with the following main objectives:

- a. Review and recommend to the Board for approval, the overall remuneration framework and associated policies of the Bank (including remuneration policy for Directors and Key Managerial Personnel) including the level and structure of fixed pay, variable pay, perquisites, bonus pool, stock-based compensation and any other form of compensation as may be included from time to time to all the employees of the Bank including the Managing Director & CEO (MD & CEO), other Whole-Time Directors (WTDs) and senior managers one level below the Board.
- b. Recommend to the Board the compensation payable to the Chairman of the Bank.
- c. Review and recommend to the Board for approval, the talent management and succession policy and process in the Bank for ensuring business continuity, especially at the level of MD & CEO, the other WTDs, senior managers one level below the Board and other key roles and their progression to the Board.
- d. Formulate the criteria and the manner for effective evaluation of performance of the Board as a whole, its Committees and individual directors, including independent directors of the Bank, which may be carried out either by the Committee or by the Board or with the help of an independent external agency and to review its implementation, compliance and outcomes.

- e. Review adequacy and appropriateness of HR strategy of the Bank in the broader areas of code of conduct, ethics, conflict of interest, succession planning, talent management, performance management, remuneration and HR risk management.
- f. Review and recommend to the Board for approval:
 - the creation of new positions one level below MD & CEO
 - appointments, promotions and exits of senior managers one level below the MD & CEO
- g. Set the goals, objectives and performance benchmarks for the Bank and for MD & CEO, WTDs and Group Executives for the financial year and over the medium to long term.
- h. Review the performance of the MD & CEO and other WTDs at the end of each year.
- i. Consider and approve the grant of Stock Options to the Managing Director & CEO, other Whole-Time Directors, Senior Management and other eligible employees of the Bank / subsidiary, in terms of the relevant provisions of the SEBI Regulations, as amended, from time to time.
- j. Perform such other duties as may be required to be done under any law, statute, rules, regulations etc. enacted by Government of India, Reserve Bank of India or by any other regulatory or statutory body.

- ❖ External consultants whose advice has been sought, the body by which they were commissioned, and in what areas of the remuneration process:

The Bank commissioned Aon Consulting Pvt. Limited (Aon), a globally renowned compensation benchmarking firm, to conduct market benchmarking of employee compensation. The Bank participates in the salary benchmarking survey conducted by Aon every year. Aon collects data from multiple private sector peer banks across functions, levels and roles which is then used by the Bank to assess market competitiveness of remuneration offered to employees.

- ❖ A description of the scope of the Bank's remuneration policy, including the extent to which it is applicable to branches in India and overseas:

The Committee monitors the remuneration policy for both domestic and overseas branches of the Bank on behalf of the Board. However, it does not oversee the compensation policy for subsidiaries of the Bank.

- ❖ A description of the type of employees covered and number of such employees:

Employees are categorised into following three categories from remuneration structure and administration standpoint:

Category 1

MD & CEO and WTDs. This category includes 5* employees.

Category 2

All the employees in the Grade of Senior Vice President I and above engaged in the functions of Risk Control, Internal Audit and Compliance. This category includes 119* employees.

Category 3: Other Staff

'Other Staff' has been defined as a "group of employees whose actions have a material impact on the risk exposure of the Bank". This category includes 24* employees.

*represents employees in these categories during the year FY 2025-26 including employees exited from the Bank during FY 2025-26.

b) Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy:

❖ An overview of the key features and objectives of remuneration policy:

The compensation philosophy of the Bank aims to attract, retain and motivate professionals in order to enable the Bank to attain its strategic objectives and develop a strong performance culture in the competitive environment in which it operates. To achieve this, the following principles are adopted:

Affordability: Pay to reflect productivity improvements to retain cost-income competitiveness

- Maintain competitiveness on fixed pay in talent market
- Pay for performance to drive meritocracy through variable pay
- Employee Stock Units (ESUs) and Employee Stock Options (ESOPs) for long-term value creation
- Benefits and perquisites to remain aligned with market practices and provide flexibility

Apart from the above, the compensation structure for MD & CEO, WTDs, Material Risk Takers and employees at the grade of Senior Vice President and above within the Assurance functions at the Bank is aligned to RBI's guidelines for sound compensation practices issued in November 2019 and addresses the general principles of:

- Effective and independent governance and monitoring of compensation
- Alignment of compensation with prudent risk-taking through well designed and consistent compensation structures
- Clear and timely disclosure to facilitate supervisory oversight by all stakeholders

Accordingly, the compensation policy for MD & CEO and WTDs seeks to:

- a) Ensure that the compensation, in terms of structure and total amount, is in line with the best practices, as well as competitive vis-à-vis that of peer banks
- b) Establish the linkage of compensation with individual performance as well as achievement of the corporate objectives of the Bank
- c) Include an appropriate variable pay component tied to the achievement of pre-established objectives in line with Bank's scorecard while ensuring that the compensation is aligned with prudent risk taking
- d) Encourage attainment of long term shareholder returns through inclusion of equity linked long-term incentives as part of compensation

Compensation is structured in terms of fixed pay, cash variable pay and share linked instruments (for selective employees), with a strong linkage of variable pay to performance. The remuneration policy of the Bank is approved by the Nomination and Remuneration Committee and the Board of Directors of the Bank. Additional approval from Shareholders and RBI is obtained specifically for compensation of MD & CEO and WTDs.

❖ Whether the remuneration committee reviewed the firm's remuneration policy during the past year, and if so, an overview of any changes that were made:

The Bank's remuneration policy was originally reviewed and approved by the Nomination and Remuneration Committee and Board of Directors in FY2021 in order to align with RBI guidelines. The remuneration policy of the Bank is reviewed annually and any changes arising therefrom are approved by the Nomination and Remuneration Committee and Board of Directors.

Key highlights of the policy are mentioned below:

- At least 50% of total compensation i.e. Fixed Pay plus Total Variable Pay shall be variable.
- Value of share linked instruments will be included in definition of 'Total Variable Pay'

- 'Total Variable Pay' for the MD & CEO/ Whole-time Directors/ Material Risk Takers of the Bank would be capped at 300% of Fixed Pay.
 - If the 'Total Variable Pay' is up to 200% of the Fixed Pay, a minimum of 50% of the Variable pay; and in case Variable Pay is above 200%, a minimum of 67% of the Variable Pay shall be paid via employee stock options.
 - Minimum 60% of the 'Total Variable Pay' shall be deferred over 3 years. If cash component is part of 'Total Variable Pay', at least 50% of the cash component of variable pay should also be deferred over 3 years. In cases where the cash component of Total Variable pay is under Rs. 25 lakh, variable pay shall not be deferred
 - All the fixed items of compensation, including retiral benefits and perquisites, will be treated as part of Fixed Pay.
 - Qualitative and quantitative criteria defined for identification of Material Risk Takers (MRTs).
 - Specific guidelines on application of malus and clawback clauses.
- ❖ A discussion of how the Bank ensures that risk, internal audit and compliance employees are remunerated independently of the businesses they oversee:
- The Bank ensures that risk, internal audit and compliance employees are remunerated independently of the businesses they oversee and is guided by the individual employee performance. The remuneration is determined on the basis of relevant risk measures included in the Balanced Scorecard / key deliverables of staff in these functions. The parameters reviewed for performance-based rewards are independent of performance of the business area they oversee and commensurate with their individual role in the Bank. Additionally, the ratio of fixed and variable compensation is weighed towards fixed compensation in case of employees in risk, internal audit, and compliance functions.
- c) Description of the ways in which current and future risks are taken into account in the remuneration processes:**
- ❖ An overview of the key risks that the Bank takes into account when implementing remuneration measures:
- The business activity of the Bank is undertaken within the limits of risk measures to achieve the financial plan. The Financial Perspective in the Bank's Balanced Score Card (BSC) contains metrics pertaining to growth, profitability and asset quality. These metrics along with other metrics in customer, internal process and compliance and people perspective are taken into account while arriving at the remuneration decisions. The metrics on internal process and compliance ensure due weightage to non-financial risk that bank may be exposed to. The Remuneration Policy also contains provisions whereby the Nomination and Remuneration Committee of the Bank may review and approve the invoking of malus and/or clawback of compensation elements pertaining to the MD & CEO, WTDs and other Material Risk Takers of the Bank, including consideration of facts on a case to case basis and application of internal and external benchmarks.
- ❖ An overview of the nature and type of key measures used to take account of these risks, including risk difficult to measure:
- The Bank has a robust system of measuring and reviewing these risks. The risk parameters are a part of the BSC used for setting of performance objectives and for measuring performance which includes, besides financial performance, adherence to internal processes, compliance and people perspectives. Weightage is placed on not only financial or quantitative achievement of objectives but also on qualitative aspects detailing how the objectives were achieved.
- ❖ A discussion of the ways in which these measures affect remuneration:
- The relevant risk measures are included in the scorecards of MD & CEO and WTDs. Inclusion of the above mentioned measures ensures that performance parameters are aligned to risk measures at the time of performance evaluation. The Nomination and Remuneration Committee takes into consideration all the above aspects while assessing organisational and individual performance and making compensation related recommendations to the Board.
- ❖ A discussion of how the nature and type of these measures have changed over the past year and reasons for the changes, as well as the impact of changes on remuneration:

The Bank continued to track key metrics across financial, customer, internal process and compliance and people perspective as part of FY26 BSC. Further, critical deliverables were included to drive progress as per the Bank's Growth, Profitability Score strategy.

d) Description of the ways in which the Bank seeks to link performance during a performance measurement period with levels of remuneration:

The Bank's performance management and compensation philosophies are structured to support the achievement of the Bank's on-going business objectives by rewarding achievement of objectives linked directly to its strategic business priorities. These strategic priorities are cascaded through annualised objectives to the employees.

The Bank follows the Balanced Scorecard approach in designing its performance management system. Adequate attention is given to the robust goal setting process to ensure alignment of individual objectives to support the achievement of business strategy, financial and non-financial goals across and through the organisation. The non-financial goals for employees include customer service, process improvement, adherence to risk and compliance norms, operations and process control, learning and knowledge development.

❖ An overview of main performance metrics for Bank, top level business lines and individuals:

The Bank follows a Balanced Scorecard approach for measuring performance for the Bank, top business lines and individuals.

❖ A discussion of how amounts of individual remuneration are linked to the Bank-wide and individual performance:

The Bank's remuneration practices are underpinned by principles of meritocracy and fairness. The remuneration system strives to maintain the ability to attract, retain, reward and motivate the talent in order to enable the Bank to attain its strategic objectives within the increasingly competitive context in which it operates. The Bank's pay-for-performance approach strives to ensure both internal and external equity in line with emerging market trends. However, the business model and affordability form the overarching boundary conditions.

The Bank follows a Balanced Scorecard approach for measuring performance at senior levels. The Balanced scorecard parameters for individuals are cascaded from the Bank's Balanced Scorecard. The Nomination and Remuneration Committee reviews the achievements against the set of parameters which determines the performance of the individuals.

For all other employees, performance appraisals are conducted annually and initiated by the employee with self-appraisal. The immediate supervisor reviews the appraisal ratings in a joint consultation meeting with the employee and assigns the performance rating. The final ratings are discussed by a Moderation Committee comprising of senior officials of the Bank. Both relative and absolute individual performances are considered for the moderation process. Individual fixed pay increases, variable pay, ESUs and ESOPs are linked to the final performance ratings.

❖ A discussion of the measures the Bank will in general implement to adjust remuneration in the event that performance metrics are weak:

In cases where the performance metrics are weak or not well defined to measure the performance effectively, the Bank uses discretion to reward such employees. The remuneration is then influenced by the operational performance parameters of the Bank along with individual performance achievement.

Whilst determining fixed and variable remuneration, relevant risk measures are included in scorecards of senior employees.

As a prudent measure, for Material Risk Takers, a portion of variable pay if it exceeds a certain threshold is deferred and is paid proportionately over a period of 3 years. The deferred variable pay amount of reference year would be held back in case of any misrepresentation or gross inaccuracy resulting in a wrong risk assessment.

e) Description of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting:

i) Bank's policy on deferral and vesting of variable remuneration:

For MD & CEO, WTDs and other Material Risk Takers of the Bank, minimum 60% of the Total Variable Pay (including Cash Variable Pay and Stock Options) is deferred over 3 years or such other period as prescribed by RBI where applicable. In case the cash component is part of Total Variable Pay and exceeds Rs. 25 lakhs, at least 50% of the cash component of variable pay is also deferred over 3 years or such other period as prescribed by RBI where applicable.

The Total Variable Pay for MD & CEO, WTDs and other Material Risk Takers of the Bank is subject to malus and clawback clauses, as defined in the Remuneration Policy of the Bank.

ii) Bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting through claw back arrangements:

The Total Variable Pay for MD & CEO, WTDs and other Material Risk Takers of the Bank is subject to malus and clawback clauses, which are defined in the Remuneration Policy of the Bank. Detailed scenarios under which said clauses can be applied, such as event of an enquiry determining gross negligence or breach of integrity, or significant deterioration in financial performance are defined in the Remuneration Policy of the Bank.

f) Description of the different forms of variable remuneration that the Bank utilizes and the rationale for using these different forms:

❖ An overview of the forms of variable remuneration offered:

- Variable Pay: Variable Pay is linked to corporate performance, business performance and individual performance and ensures differential pay based on the performance levels of employees
- Employee Stock Options (ESOPs): ESOPs are given to selective set of employees at senior levels based on their level of performance and role. ESOP scheme has an inbuilt deferred vesting design which helps in directing long term performance orientation among employees
- Employee Stock Units (ESUs): ESUs are given to employees between the grades of AVP and SVP II based on their level of performance. The ESU scheme has an inbuilt deferred vesting design which helps in directing long term performance orientation among employees.

❖ A discussion of the use of different forms of variable remuneration including a description of the factors that determine the mix and their relative importance:

Variable pay in the form of performance based bonus is paid out annually and is linked to performance achievement against balanced performance measures and aligned with the principles of meritocracy. The proportion of variable pay in total pay shall be higher at senior management levels. The payment of all forms of variable pay is governed by the affordability of the Bank and based on profitability and cost income ratios. At senior management levels (and for certain employees with potential to cause material impact on risk exposure), a portion of variable compensation may be paid out in a deferred manner in order to drive prudent behaviour as well as long term & sustainable performance orientation. Long term variable pay is administered in the form of ESOPs and ESUs with an objective of enabling employee participation in the business as an active stakeholder and to usher in an 'owner-manager' culture. The quantum of grant of stock options is determined and approved by the Nomination and Remuneration Committee, in terms of the said Regulations and in line with best practices, subject to the approval of RBI. The current ESOP and ESU design has an inbuilt deferral intended to spread and manage risk.

Quantitative disclosures

a) The quantitative disclosures pertaining to the MD & CEO, Whole Time Directors and Material Risk Takers for the year ended 31 March, 2026 and 31 March, 2025 are given below:

Particulars	31 March, 2026	31 March, 2025
a. i) Number of meetings held by the Remuneration Committee (main body overseeing remuneration) during the financial year	11	12
ii) Remuneration paid to its members (sitting fees)	₹4,400,000	₹4,800,000
b. Number of employees having received a variable remuneration award during the financial year	27	28
c. Number and total amount of sign-on/joining bonus made during the financial year		
- Share-linked instruments (number of stock options granted)	-	162,387
- Fair value of share linked instruments	-	₹6.41 crores ¹
- Cash	-	₹0.06 crores
d. Details of severance pay, in addition to accrued benefits, if any	N.A.	N.A.
e. Total amount of outstanding deferred remuneration, split into:		
- Cash	₹32.15 crores	₹29.88 crores
- Shares	-	-
- Share-linked instruments (number of unvested stock options outstanding as on 31 March and fair value of the same)	3,693,046 options with a fair value of ₹135.88 crores ¹	3,275,367 options with a fair value of ₹109.52 crores ¹
f. Total amount of deferred remuneration paid out in the financial year:		
- Cash	₹14.20 crores	₹11.30 crores
- Share-linked instruments (number of stock options vested during the year and fair value of the same)	1,520,617 Options with a fair value of ₹47.81 crores ¹	1,440,342 Options with a fair value of ₹38.39 crores ¹
g. Breakdown of amount of remuneration awards for the financial year to show fixed and variable, deferred and non-deferred, different forms used:		
- Fixed	₹64.35 crores ²	₹70.55 crores ²
- Variable	₹115.09 crores	₹117.41 crores
- Deferred	₹98.62 crores	₹100.61 crores
- of which, cash	₹16.47 crores ¹	₹16.73 crores ¹
- of which, share-linked instruments	₹82.15 crores fair value of 2,186,752 options granted during the year ¹	₹83.88 crores fair value of 2,323,007 options granted during the year ¹
- Non-deferred	₹16.47 crores	₹16.79 crores
h. Total amount of outstanding deferred remuneration and retained remuneration exposed to ex-post explicit and/or implicit adjustments	N.A.	N.A.
i. Total amount of reductions during the financial year due to ex-post explicit adjustments	N.A.	N.A.
j. Total amount of reductions during the financial year due to ex-post implicit adjustments	N.A.	N.A.
k. Number of MRT's identified	29	29
l. Number of cases where		
- malus has been exercised	Nil	Nil
- clawback has been exercised	Nil	Nil
- both malus and clawback have been exercised	Nil	Nil

Particulars	31 March, 2026	31 March, 2025
m. The mean pay for the Bank as a whole (excluding sub-staff) and the deviation of the pay of each of its WTDs from the mean		
Mean pay of the Bank ³		
Deviation of the pay of WTDs from the mean pay for the Bank		
- MD & CEO	₹84,383,958	₹79,639,332
- DMD	₹57,849,972	₹51,751,906
- WTD 1	₹44,218,527	₹42,363,331
- WTD 2	₹43,775,831	₹41,763,292
- WTD 3	₹33,539,618	N.A.

1. Fair value is the weighted average fair value of stock options computed using Black-Scholes options pricing model as on the grant date
2. Fixed pay includes basic salary, supplementary allowances, superannuation, contribution to provident fund, gratuity fund and value of perquisites. The value of perquisites is calculated as cost to the Bank
3. Mean pay is computed on annualised fixed pay of all confirmed employees (excluding frontline sales and overseas employees) as on 31 March. Fixed pay includes basic salary, supplementary allowances, superannuation, contribution to provident fund, gratuity fund and value of perquisites. The value of perquisites is calculated as cost to the Bank

Disclosure for compensation of Non-executive Directors (Except Part-time Chairman):

	31 March, 2026	31 March, 2025
a. Amount of fixed remuneration paid during the year	2.01	2.14

(₹ in crores)

1.15 Other Disclosures

a) Business ratios:

As at	31 March, 2026 %	31 March, 2025 %
Interest income as a percentage to working funds ¹	7.52	8.10
Non-interest income as a percentage to working funds ¹	1.55	1.67
Cost of Deposits	4.85	5.12

5.	Others	49.39	36.21
Total		1,124.29	1,151.17

d) Disclosure regarding Priority Sector Lending Certificates (PSLCs) purchased/sold by the Bank:

Details of PSLCs purchased by the Bank:

		(₹ in crores)	
Category		31 March, 2026	31 March, 2025
PSLC – Small/Marginal Farmers		89,988.00	72,453.50
Total		89,988.00	72,453.50

Details of PSLCs sold by the Bank

		(₹ in crores)	
Category		31 March, 2026	31 March, 2025
PSLC – Agriculture		25.00	32,000.00
PSLC – Micro Enterprises		68,800.00	35,000.00
PSLC – Small/Micro Farmers		2,201.00	-
PSLC – General		-	-
Total		71,026.00	67,000.00

During the year ended 31 March, 2026, the Bank incurred a cost of ₹2,685.03 crores (previous year ₹1,589.06 crores), towards purchase of PSLCs which forms part of 'Other Expenditure' under Schedule 16 of the Profit and Loss Account. Further, during the year ended 31 March, 2026, the Bank also earned fees of ₹16.81 crores (previous year ₹196.89 crores), on sale of PSLCs which forms part of 'Miscellaneous Income' under Schedule 14 of the Profit and Loss Account.

e) 'Provisions and contingencies' recognised in the Profit and Loss Account comprise of:

		(₹ in crores)	
For the year ended		31 March, 2026	31 March, 2025
Provision for income tax ¹			
- Current tax		6,959.90	7,477.20
- Deferred tax [Refer note 18 (2.8)]		(1,862.58)	495.90
		5,097.32	7,973.10
Provision for non-performing assets (including bad debts written off net of write backs and recoveries in written off accounts) ²		9,483.99	7,546.77
Provision for restructured assets		1.83	(0.80)
Provision for Covid-19 restructuring & MSME restructuring		(195.12)	(143.48)
Provision towards standard assets ³		1,887.72	65.56
Provision for unhedged foreign currency exposures		161.44	(54.74)
Provision for country risk		25.49	10.57
Additional provision for delay in implementation of resolution plan		(18.18)	(38.44)
Provision for probable legal cases		28.96	527.55
Provision for other contingencies ⁴		1,886.70	(154.64)
Total		18,360.15	15,731.45

1. In the financial year 2022-23, the Bank acquired Citibank's India Consumer Business from Citibank N.A. (acting through its branch in India) ("CBNA") and the NBFC Consumer Business from Citicorp Finance (India) Limited ("CFIL") collectively referred to as Citi India

Consumer Business on a going concern basis. In accordance with an independent valuer's report, intangibles (excluding goodwill) amounting to ₹8,714.25 crores were recognised in the Bank's financial statements. Despite retaining access to and business use of these assets, as a prudent measure aimed at protecting its capacity to pay dividends, the Bank opted to fully amortise these intangibles through the Profit and Loss account in FY 2022-23. Furthermore, the Bank elected not to create any deferred tax asset in FY 2022-23 on such intangibles, nor did the Bank consider the deductibility on the said intangibles while providing for current tax in the books until the regular tax assessment for the said financial year was completed. During the year ended 31 March 2026, following the conclusion of regular assessment proceedings by the income tax authorities, tax depreciation on these intangibles was allowed. As a result, the tax expense for FY26 is lower by ₹2,193.20 crores, which includes the reversal of excess tax provisions made in prior years amounting to ₹1,129.80 crores, reduction of current year's tax expense by ₹265.85 crores and recognition of a deferred tax asset of ₹797.55 crores

2. Includes provision for non-performing advances of ₹12,960.31 crores (previous year ₹11,578.59 crores) and provision on non-performing investments of ₹65.86 crores (previous year provision of ₹222.51 crores), net of recoveries from written off accounts of ₹3,542.18 crores (previous year ₹3,809.31 crores)
3. During the year ended 31 March, 2026, following an RBI advisory, post its FY25 annual inspection, the Bank in Q2FY26 made an additional one-time standard asset provision of ₹1,231 crores for declassified PSL loans. The customer terms remain unchanged. This provision will be written back to the P&L upon all the declassified loans being made compliant, recovered or closed in the normal course, no later than March 31, 2028. No divergence in asset quality or NPA provisioning was identified in the said annual inspection
4. During the year, the Bank took the initiative to further strengthen its balance sheet by voluntarily enhancing its prudent provisioning framework for standard assets. In line with this framework, an additional one-time provision of ₹2,001 crores was made during the quarter. This measure is entirely prudent and does not indicate any concerns regarding asset quality or adverse credit developments in the Bank's loan or investment portfolio as of the reporting date

f) Status of implementation of IFRS converged Indian Accounting Standards (Ind AS):

The RBI had issued a circular in February 2016 requiring banks to implement Indian Accounting Standards (Ind AS) and prepare standalone and consolidated Ind AS financial statements with effect from 1 April, 2018. Banks were also required to report the comparative financial statements for the financial year 2017-18, to be published along with the financial statement for the year beginning 1 April, 2018. However, the RBI in its press release issued on 5 April, 2018 deferred the applicability of Ind AS by one year (i.e. 1 April, 2019) for Scheduled Commercial Banks. Further, RBI in a circular issued on 22 March, 2019 has deferred the implementation of Ind AS till further notice.

During the financial year 2016-17, the Bank had undertaken a preliminary diagnostic analysis of the GAAP differences between Indian GAAP vis-a-vis Ind AS. The Bank has also identified and evaluated data gaps, processes and system changes required to implement Ind AS. The Bank is in the process of implementing necessary changes in its IT systems wherever required and other processes in a phased manner. The Bank is also submitting Proforma Ind AS financial statements to RBI on a half-yearly basis.

In line with the RBI guidelines on Ind AS implementation, the Bank has formed a Steering Committee comprising members from the concerned functional areas, headed by the Executive Director. The Steering Committee reviews the proforma Ind AS financial statements and provides guidance on critical areas of implementation on a periodic basis. A progress report on the status of Ind AS implementation in the Bank is presented to the Audit Committee and Board of Directors on a quarterly basis. Accounting impact on the application of Ind AS shall be recognized as and when it becomes statutorily applicable to banks and in the manner so prescribed.

g) Payment of DICGC Insurance Premium

Diluted weighted average no. of shares (in crores)	312.32	311.10
Basic EPS (₹)	78.82	85.28
Less: Effect of potential equity shares for no consideration arising on grant of stock options/units under ESOP/ESU scheme (₹)	(0.51)	(0.51)
Diluted EPS (₹)	78.31	84.77
Nominal value of shares (₹)	2.00	2.00

Dilution of equity is on account of 20,373,612 stock options/units (previous year 18,432,380 stock options/units)

2.2 Employee Stock Options/Units

Over the period till 31 March 2026, pursuant to the approval of the shareholders, the Bank has framed Employee Stock Option Schemes for options aggregating 315,087,000 that vest in a graded manner over 3 to 4 years, subject to vesting conditions. The options can be exercised within five years from the date of the vesting. Further, pursuant to the approval of the shareholders in January 2023, the Bank also framed an Employee Stock Units (ESUs) Scheme aggregating to 50,000,000 units, that vest in a graded manner over 3 years, subject to vesting conditions. The ESUs can be exercised within five years from the date of the vesting. Within the respective overall ceilings of options/units, the Bank is authorised to issue options/units to eligible employees and Whole Time Directors (including those of subsidiary companies and Associate entity).

331,417,818 options and 5,112,947 ESUs have been granted under the Schemes till the previous year ended 31 March, 2025. During the year ended 31 March, 2026, pursuant to the approval of the Nomination and Remuneration Committee, the Bank granted options/units (each option representing entitlement to one equity share of the Bank) to eligible employees/directors of the Bank/subsidiary companies as set out below:

Date of grant	Options / ESUs	No. of options granted	Grant price (₹ per option/ units)
25 April, 2025	Options	7,197,426	1,207.10
25 April, 2025	ESUs	2,213,962	2.00
16 July, 2025	Options	137,575	1,165.90
14 January, 2026	Options	103,916	1,262.00

Stock option activity under the Scheme for the year ended 31 March, 2026 is set out below:

	Options outstanding	Range of exercise prices (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	46,353,347	488.35 to 1,291.65	772.73	4.01
Granted during the year	7,438,917	1,165.90 to 1,262.00	1,207.10	-
Forfeited during the year	(1,354,487)	488.35 to 1,207.10	1,017.76	-
Expired during the year	(98,943)	488.35 to 757.10	599.82	-
Exercised during the year	(9,956,984)	488.35 to 1,063.25	683.65	-
Outstanding at the end of the year	42,381,850	488.35 to 1,291.65	862.47	3.81
Exercisable at the end of the year	30,970,974	488.35 to 1,291.65	756.28	2.99

The weighted average share price in respect of options exercised during the year was ₹1,223.70.

Stock units activity under the Scheme for the year ended 31 March, 2026 is set out below:

	Units outstanding	Exercise price (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	4,267,217	2.00	2.00	5.75
Granted during the year	2,213,962	2.00	2.00	-
Forfeited during the year	(311,215)	2.00	2.00	-
Expired during the year	-	2.00	2.00	-
Exercised during the year	(846,588)	2.00	2.00	-
Outstanding at the end of the year	5,323,376	2.00	2.00	5.42
Exercisable at the end of the year	1,759,298	2.00	2.00	4.33

The weighted average share price in respect of units exercised during the year was ₹1,190.76.

Stock option activity under the Scheme for the year ended 31 March, 2025 is set out below:

	Options outstanding	Range of exercise prices (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	52,199,448	469.90 to 929.80	712.34	4.27
Granted during the year	7,105,507	1,063.25 to 1,291.65	1,066.02	-
Forfeited during the year	(2,455,328)	469.90 to 1,063.25	820.58	-
Expired during the year	(102,753)	469.90 to 757.10	654.80	-
Exercised during the year	(10,393,527)	469.90 to 848.80	659.82	-
Outstanding at the end of the year	46,353,347	488.35 to 1,291.65	772.73	4.01
Exercisable at the end of the year	34,860,694	488.35 to 1,063.25	707.90	3.32

The weighted average share price in respect of options exercised during the year was ₹1,143.23.

Stock units activity under the Scheme for the year ended 31 March, 2025 is set out below:

	Units Outstanding	Exercise price (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	2,534,240	2.00	2.00	6.09
Granted during the year	2,408,870	2.00	2.00	-
Forfeited during the year	(270,729)	2.00	2.00	-
Expired during the year	-	-	-	-
Exercised during the year	(405,164)	2.00	2.00	-
Outstanding at the end of the year	4,267,217	2.00	2.00	5.75
Exercisable at the end of the year	1,057,224	2.00	2.00	4.63

The weighted average share price in respect of units exercised during the year was ₹1,146.05.

Fair Value Methodology

In line with RBI clarification on Guidelines on Compensation of Whole Time Directors/Chief Executive Officers/ Material Risk Takers and Control Function Staff issued on 30 August, 2021, the Bank follows the fair value method for all share-linked instruments granted after 31 March, 2021 and consequently recognizes the fair value of options computed using the Black-Scholes model, without reducing estimated forfeitures, as a compensation expense over the vesting period. During the year, the Bank has recognised compensation cost of ₹357.38 crores (previous year ₹365.79 crores) for options/units granted to employees of the Bank and recovered ₹86.20 crores (previous year ₹58.18 crores) from group entities in respect of options/units granted to the employees and deputed staff at group entities.

The fair value of the options/units is estimated on the date of the grant using the Black-Scholes options pricing model, with the following assumptions:

	31 March, 2026		31 March, 2025	
	ESOP	ESU	ESOP	ESU
Dividend yield	0.09%-0.11%	0.11%	0.09%	0.09%
Expected life	2.95-5.95 years	1-3 years	2.95-5.95 years	1-3 years
Risk free interest rate	5.80% to 6.28%	5.87% to 5.96%	6.85% to 7.09%	6.95% to 7.06%
Volatility	21.61% to 28.38%	22.85% to 25.51%	24.00% to 29.15%	19.89% to 24.01%

Volatility is the measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. The measure of volatility used in the Black-Scholes options pricing model is the annualised standard deviation of the continuously compounded rates of return on the stock over a period of time. For calculating volatility, the daily volatility of the stock prices on the National Stock Exchange, over a period prior to the date of grant, corresponding with the expected life of the options has been considered.

The weighted average fair value of options granted during the year ended 31 March, 2026 is ₹369.69 (previous year ₹358.68).

The weighted average fair value of units granted during the year ended 31 March, 2026 is ₹1,202.67 (previous year ₹1,059.51).

2.3 Proposed Dividend

The Board of Directors, in their meeting held on 25 April, 2026 have proposed a final dividend of ₹1 per equity share amounting to ₹310.82 crores. The proposal is subject to the approval of shareholders at the Annual General Meeting. In terms of revised Accounting Standard (AS) 4 - 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of Corporate Affairs through the Companies (Accounting Standards) Rules, 2021, such proposed dividend has not been recognised as a liability as on 31 March, 2026.

During the year, the Bank paid final dividend of ₹1 per equity share amounting ₹310.14 crores pertaining to the previous year ended 31 March, 2025.

2.4 Segmental reporting

The business of the Bank is divided into four segments: Treasury, Retail Banking, Corporate/Wholesale Banking and Other Banking Business. These segments have been identified based on the RBI guidelines on Segment Reporting. The principal activities of these segments are as under:

Segment	Principal Activities
Treasury	Treasury operations include investments in sovereign and corporate debt, equity and mutual funds, trading operations, derivative trading and foreign exchange operations on the proprietary account and for customers. The Treasury segment also includes the central funding unit.
Retail Banking	Constitutes lending to individuals/small businesses through the branch network and other delivery channels subject to the orientation, nature of product, granularity of the exposure and the quantum thereof. Retail Banking activities also include liability products, card services, internet banking, mobile banking, ATM services, depository, financial advisory services and NRI services.
Digital Banking (Sub-segment of Retail Banking)	In accordance with RBI circular DOR.AUT.REC.12/22.01.001/2022-23 dated 7 April 2022 on Establishment of Digital Banking Units, the Bank has presented 'Digital Banking' as a sub-segment of the Retail Banking segment.
Corporate/Wholesale Banking	Includes corporate relationships not included under Retail Banking, corporate advisory services, placements and syndication, project appraisals, capital market related services and cash management services.
Other Banking Business	Includes para banking activities like third party product distribution and other banking transactions not covered under any of the above three segments.

Unallocated assets and liabilities - All items which are reckoned at an enterprise level are classified under this segment such as deferred tax, tax paid in advance net of provision, provision for other contingencies towards potential expected losses etc.

Revenues of the Treasury segment primarily consist of fees and gains or losses from trading operations and interest income on the investment portfolio. The principal expenses of the segment consist of interest expense on funds borrowed from external sources and other internal segments, premises expenses, personnel costs, other direct overheads and allocated expenses.

Revenues of the Corporate/Wholesale Banking segment consist of interest and fees earned on loans given to customers falling under this segment and fees arising from transaction services and merchant banking activities such as syndication and debenture trusteeship. Revenues of the Retail Banking segment are derived from interest earned on loans classified under this segment, fees for banking and advisory services, ATM interchange fees and cards products. Expenses of the Corporate/Wholesale Banking and Retail Banking segments primarily comprise interest expense on deposits and funds borrowed from other internal segments, infrastructure and premises expenses for operating the branch network and other delivery channels, personnel costs, other direct overheads and allocated expenses.

Segment income includes earnings from external customers and from funds transferred to the other segments. Segment result includes revenue as reduced by interest expense and operating expenses and provisions, if any, for that segment. Segment-wise income and expenses include certain allocations. Inter segment interest income and interest expense represent the transfer price received from and paid to the Central Funding Unit (CFU) respectively. For this purpose, the funds transfer pricing mechanism presently followed by the Bank, which is based on historical matched maturity and internal benchmarks, has been used by the Bank and relied upon by the Statutory Auditors. Operating expenses other than those directly attributable to segments are allocated to the segments based on an activity-based costing methodology. All activities in the Bank are segregated segment-wise and allocated to the respective segment.

Segmental results are set out below:

(₹ in crores)

	31 March, 2026

2.5 Related party disclosure

The related parties of the Bank are broadly classified as:

a) Promoter

The Bank has identified the following entities as its Promoter:

- Life Insurance Corporation of India (LIC)

b) Key Management Personnel

- Mr. Amitabh Chaudhry (MD & CEO)
- Mr. Rajiv Anand (Deputy Managing Director) (upto 2 August, 2025)
- Mr. Subrat Mohanty (Executive Director)
- Mr. Munish Sharda (Executive Director)
- Mr. Neeraj Gambhir (Executive Director) (with effect from 20 October, 2025)

c) Relatives of Key Management Personnel

Ms. Preeti Chaudhry, Mr. Anagh Chaudhry, Mr. Aruj Chaudhry, Mr. Aryan Chaudhry, Ms. Rajul Parekh, Ms. Chhavi Kharb, Mr. Ashok Kharb, Mr. Om Singh Chaudhry, Ms. Kusum Chaudhry, Ms. Gitanjali Anand, Ms. Tara Anand, Ms. Nandita Anand, Mr. P.L. Narain, Mr. P. Srinivas, Ms. Ratna Rao Shekar, Ms. Charu Narain, Ms. K Ramalakshmi, Ms. Smitha Mohanty, Mr. Agastya Mohanty, Mr. Rajat Mohanty, Ms. Neelima Mohanty, Mr. Narasingh Mohanty, Ms. Gitashree Mohanty, Ms. Rima Sharda, Ms. Tanya Sharda, Ms. Shashi Sharda, Mr. Rakesh Sharda, Ms. Monica Sharda, Ms. Shalini Chhabra, Ms. Vritika Gambhir, Ms. Ishya Gambhir, Ms. Anu Miglani, Mr. Rajnish Miglani, Ms. Darshan Kumari, Mr. Madan Lal Gambhir

d) Subsidiary Companies

- Axis Capital Limited
- Axis Trustee Services Limited
- Axis Asset Management Company Limited
- Axis Mutual Fund Trustee Limited
- Axis UK Limited (formerly Axis Bank UK Limited)
- Axis Finance Limited
- Axis Securities Limited
- A.Treds Limited
- Freecharge Payment Technologies Private Limited
- Freecharge Business and Technology Services Limited

On 17 July, 2024, the Board of Directors of Freecharge Payment Technologies Private Limited (FPTPL) approved a Scheme of Demerger ('the Scheme'). The Scheme involves the transfer of the Business Correspondence (BC) and Technology Service Provision (TSP) business from FPTPL to Freecharge Business and Technology Services Limited (FBTSL), both wholly owned subsidiaries of the Bank. As part of this process, a joint petition was filed with the National Company Law Tribunal (NCLT) Chandigarh bench on 31 July, 2024, under Section 230-232 of the Companies Act, 2013, seeking approval for the Scheme. The NCLT approved the Scheme on 10 December, 2025. Consequently, the BC and TSP business have been transferred and vested in FBTSL effective 1 January, 2026, with the appointed date being 1 July, 2024, as per the Scheme. FPTPL has completed the necessary filings with the Registrar of Companies in accordance with the NCLT order.

e) Step down subsidiary companies

- Axis Capital USA LLC
- Axis Pension Fund Management Limited

f) Associate

- Axis Max Life Insurance Limited (formerly Max Life Insurance Company Limited)

Based on RBI guidelines, details of transactions with Promoter (Life Insurance Corporation of India) and Associate (Axis Max Life Insurance Limited) are not disclosed since there is only one entity/party in the aforesaid categories.

The details of transactions of the Bank with its related parties during the year ended 31 March, 2026 are given below:

Average historic yield on the investment portfolio	7.83%	8.19%
Discount rate for the remaining term to maturity of the investment portfolio	7.00%	6.80%
Expected investment return	7.78%	8.19%
Guaranteed rate of return	8.25%	8.25%

The contribution to the employee's provident fund (including Employee Pension Scheme) amounted to ₹422.12 crores for the year (previous year ₹421.12 crores) .

Superannuation

The Bank contributed ₹11.67 crores (previous year ₹15.04 crores) to the superannuation plan for the year. In addition the Bank holds a provision of ₹23.06 crores (previous year ₹30.70 crores) for the eligible employees who had moved to the Bank as part of the Citibank India consumer business acquisition as they are entitled to receive a lumpsum corpus amount under a separate Superannuation scheme with vesting criteria of 10 years.

National Pension Scheme (NPS)

During the year, the Bank contributed ₹25.29 crores (previous year ₹20.67 crores) to the NPS for employees who have opted for the scheme.

Gratuity

The following tables summarises the components of net benefit expenses recognised in the Profit and Loss Account and funded status and amounts recognised in the Balance Sheet for the Gratuity benefit plan.

Profit and Loss Account

Net employee benefit expenses (recognised in payments to and provisions for employees)

	(₹ in crores)	
	31 March, 2026	31 March, 2025
Current Service Cost	145.68	111.00
Interest on Defined Benefit Obligation	80.24	63.22
Expected Return on Plan Assets	(64.21)	(50.19)
Net Actuarial Losses/(Gains) recognised in the year	(47.91)	7.36
Losses/(gains) on Acquisition	-	-
Past Service Cost	337.82	-
Sub-total	451.62	131.39
Less: Utilisation from prudent provision made in earlier years towards probable impact on account of Code of Social Security, 2020	(278.46)	-
Total included in "Employee Benefit Expense" [Refer Schedule 16(I) and note below]	173.16	131.39
Actual Return on Plan Assets	63.98	64.24

On 21 November 2025, the Government of India consolidated 29 existing labour laws into a unified framework of four Labour Codes (including the Code on Social Security, 2020), collectively referred to as the 'New Labour Codes'. Since Q3FY21, based on an internal policy, the Bank has been consistently provisioning for gratuity liability, in anticipation of the implementation of the Code on Social Security, 2020. In Q3FY26, the Bank performed a preliminary assessment of the financial impact of the New Labour Codes based on the draft Central Rules and FAQs published by the Ministry of Labour and Employment, in line with the guidance from the Institute of Chartered Accountants of India and charged to its Profit and Loss Account an amount of ₹25.44 crores towards gratuity, primarily due to changes in the wage definition. The Bank continues to monitor the finalization of Central and State rules relating to the New Labour Codes and will adjust its estimates and provisions in subsequent reporting periods, in accordance with applicable accounting standards.

Balance Sheet

Details of provision for gratuity

	31 March, 2026	31 March, 2025
	(₹ in crores)

Principal actuarial assumptions at the Balance Sheet date:

	31 March, 2026	31 March, 2025
Discount Rate	6.95% p.a.	6.80% p.a.
Expected Rate of Return on Plan Assets	7.00% p.a.	7.00% p.a.
Salary Escalation Rate	8.00% p.a.	8.00% p.a.
Employee Turnover		
- 21 to 30 (age in years)	24.00%	24.00%
- 31 to 44 (age in years)	14.00%	14.00%
- 45 to 59 (age in years)	8.00%	8.00%

The estimates of future salary increases considered in actuarial valuation take account of inflation, seniority, promotion and other relevant factors.

The expected rate of return on plan assets is based on the average long-term rate of return expected on investments of the Fund during the estimated term of the obligations.

As the contribution expected to be paid to the plan during the annual period beginning after the balance sheet date is based on various internal/external factors, a best estimate of the contribution is not determinable.

The above information is as certified by the actuary and relied upon by the auditors.

Resettlement allowance

Profit and Loss account

During the year ended 31 March, 2026, the Bank wrote back a provision of ₹1.06 crores (previous year provision of ₹0.21 crores) towards liability in respect of resettlement allowance based on actuarial valuation conducted by an independent actuary.

Balance Sheet

	31 March, 2026	31 March, 2025
		(₹ in crores)
Current liability	0.46	0.46
Non current liability	2.18	3.24
Net Liability as per actuarial valuation (included under Schedule 5 – Other Liabilities)	2.64	3.70

Principal actuarial assumptions at the Balance Sheet date:

	31 March, 2026	31 March, 2025
Discount Rate	6.95% p.a.	6.80% p.a.
Salary Escalation Rate	8.00% p.a.	8.00% p.a.
Employee Turnover		
- 21 to 30 (age in years)	24.00%	24.00%
- 31 to 44 (age in years)	14.00%	14.00%
- 45 to 59 (age in years)	8.00%	8.00%

The above information is as certified by the actuary and relied upon by the auditors.

2.10 Provisions and contingencies

- a) Movement in provision for frauds included under other liabilities is set out below:

	(₹ in crores)	
	31 March, 2026	31 March, 2025
Opening balance at the beginning of the year	242.69	214.33
Additions during the year	54.42	56.88
Reductions on account of payments/reversals during the year	(5.41)	(28.52)
Closing balance at the end of the year	291.70	242.69

- b) Other liabilities include provision for reward points made on actuarial basis, the movement of which is set out below:

	(₹ in crores)	
	31 March, 2026	31 March, 2025
Opening provision at the beginning of the year	1,178.45	997.08
Provision made during the year	1,312.62	1,024.16
Reductions during the year	(1,271.29)	(842.79)
Closing provision at the end of the year	1,219.78	1,178.45

- c) Movement in provision for other contingencies is set out below:

	(₹ in crores)	
	31 March, 2026	31 March, 2025
Opening provision at the beginning of the year	7,749.71	7,429.46
Additions during the year ^{1,2}	2,331.75	784.19
Reductions during the year	(483.30)	(463.94)
Closing provision at the end of the year^{3,4}	9,598.16	7,749.71

- During the year, the Bank took the initiative to further strengthen its balance sheet by voluntarily enhancing its prudent provisioning framework for standard assets. In line with this framework, an additional one-time provision of ₹2,001 crores was made. This measure is entirely prudent and does not indicate any concerns regarding asset quality or adverse credit developments in the Bank's loan or investment portfolio as of the reporting date
- Includes movement on account of exchange rate fluctuation
- Closing provision includes provision for legal cases, additional provision for delay in implementation of resolution plan, provision on AIF investments, provision held under prudent provisioning framework for standard assets and provision for other contingencies
- Includes provision of ₹7,013 crores (previous year ₹5,012 crores) held under prudent provisioning framework for standard assets

2.11 Small and Micro Enterprises

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from 2 October, 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. Following are the details of delayed payments to MSMED registered vendors.

	(₹ in crores)			
Particulars	31 March, 2026		31 March, 2025	
	Principal	Interest	Principal	Interest
The principal amount and the interest due thereon remaining unpaid to any supplier	43.58	0.00*	11.94	0.01
The amount of interest paid by the buyer in terms of Section 16, along with the amount of the payment made to the supplier beyond the due date	1.76	0.01	3.07	0.02
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the due date during the year) but without adding the interest specified under MSMED Act, 2006	N.A.	N.A.	N.A.	N.A.
The amount of interest accrued and remaining unpaid	N.A.	0.29	N.A.	0.30

Particulars	31 March, 2026		31 March, 2025	
	Principal	Interest	Principal	Interest
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowed as a deductible expenditure under Section 23	N.A.	0.29	N.A.	0.30

*Denotes amount less than ₹50,000/-

The above is based on the information available with the Bank which has been relied upon by the auditors.

2.12 Corporate Social Responsibility (CSR)

- a) Amount required to be spent by the Bank on CSR during the year ₹529.49 crores (previous year ₹425.92 crores). The details of CSR activities carried out in line with the CSR Policy of the Bank are given below:

Particulars	31 March, 2026		31 March, 2025	
Amount required to be spent by the Bank during the year		529.49		425.92
Amount of expenditure incurred		421.66		286.92
Accrual towards unspent obligations (shortfall) in relation to ongoing project		108.45		139.65
Nature of CSR activities	- Lives & Livelihoods - Education Others:- - Environmental Sustainability - Humanitarian & Relief - Healthcare & Nutrition - Sports - Arts & Culture - Financial Literacy & Financial Inclusion		- Lives & Livelihoods - Education Others:- - Environmental Sustainability - Humanitarian & Relief - Healthcare & Nutrition - Sports - Financial Literacy & Financial Inclusion	

- b) Amount spent towards CSR during the year and recognized as expense in the profit and loss account on CSR related activities is ₹530.11 crores (previous year ₹426.57 crores), which comprises of following-

	31 March, 2026			31 March, 2025		
	In cash	Yet to be paid in cash (i.e. provision) ¹	Total	In cash	Yet to be paid in cash (i.e. provision)	Total
Construction/acquisition of any asset	-	-	-	-	-	-
On purpose other than above	421.66	108.45	530.11	286.92	139.65	426.57

1. Transferred to the "Axis Bank Limited-Unspent CSR Account for FY 2025-26" to be utilized towards on-going project(s)/program(s) in line with the provisions of the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021.

c) Movement in the provision towards unspent CSR amount

Particulars	(₹ in crores)	
	31 March, 2026	31 March, 2025
Opening balance at the beginning of the year	140.87	56.68
Additions during the year	108.45	139.65
Reduction during the year	(140.84)	(55.46)
Closing balance at the end of the year	108.48	140.87

2.13 Disclosure required as per Ministry of Corporate Affairs notification dated 24 March, 2021

During the year ended 31 March, 2026 and 31 March, 2025, other than the transactions undertaken in the normal course of banking business and in accordance with extant regulatory guidelines and Bank's internal policies, as applicable:

1. the Bank has not granted any advance/loans or investments or provided guarantee or security to any other person(s) or entities with an understanding, whether recorded in writing or otherwise, to further lend or invest on behalf of the Bank or provide guarantee or security or the like to any other person identified by the Bank.
2. the Bank has not received any funds from any person(s) or entities with an understanding, whether recorded in writing or otherwise, that the Bank shall further lend or invest or provide guarantee or security or the like in any other person on behalf of and identified by such person(s)/entities.

2.14 Description of contingent liabilities**a) Claims against the Bank not acknowledged as debts**

These represent claims filed against the Bank in the normal course of business relating to various legal cases currently in progress. These also include demands raised by tax authorities and other statutory authorities which are disputed by the Bank. The Bank holds provision of ₹925.74 crores as on 31 March, 2026 (previous year ₹896.77 crores) towards claims assessed as probable.

b) Liability for partly paid investments

This represents amounts remaining unpaid towards liability for partly paid investments.

c) Liability on account of forward exchange contracts

The Bank enters into foreign exchange contracts, including non-deliverable forward (NDF) contracts on its own account and on OTC for customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. A non-deliverable forward contract is a currency derivatives contract to exchange cash flows between the contracted forward exchange rate and prevailing spot rates. The amount of contingent liability represents the notional principal of respective forward exchange contracts. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the inter-bank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.

d) Liability on account of derivative contracts

The Bank enters into derivative contracts in the form of currency options/swaps, exchange traded currency options, Non-deliverable derivatives and interest rate/ currency futures on its own account and on OTC for customers. Currency swaps are commitments between two counterparties to exchange streams of interest payments and/or principal amounts in different currencies on specified dates over the duration of the swap at a pre-agreed exchange rate. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. Interest rate futures are standardised, exchange-traded contracts that represent a pledge to undertake a certain interest rate transaction at a specified price, on a specified future date. Forward rate agreements (FRA) are financial contracts between two counterparties, in which a buyer will pay or receive, on the settlement date, the difference between a pre-determined fixed rate (FRA rate) and a reference interest rate, applied on a notional principal amount, for a specified forward period. A foreign currency option is an agreement between two parties in which one grants to the other the right to buy or sell a specified amount of currency at a specific price within a specified time period or at a specified future time. An Exchange Traded Currency Option contract is a standardised foreign exchange derivative contract, which gives the buyer the right, but not the obligation, to exchange money denominated in one currency into another currency at a pre-agreed exchange rate on a specified date on the date of expiry. Non-deliverable derivative means an OTC foreign exchange derivative contract in which there is no delivery of the notional amount of the underlying currencies of the contract and which is cash settled. Currency Futures contract is a standardised, exchange-traded contract, to buy or sell a certain underlying currency at a certain date in the future, at a specified price. The amount of contingent liability represents the notional principal of respective derivative contracts. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the inter-bank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.

e) Guarantees given on behalf of constituents

As a part of its banking activities, the Bank issues guarantees on behalf of its customers to enhance their credit standing. Guarantees represent irrevocable assurances that the Bank will make payments in the event of the customer failing to fulfil its financial or performance obligations. These are stated net of cash margin held with the Bank as on the reporting date in Schedule 12 – Contingent Liabilities of the Balance Sheet.

f) Acceptances, endorsements and other obligations

These include documentary credit issued by the Bank on behalf of its customers and bills drawn by the Bank's customers that are accepted or endorsed by the Bank. These are stated net of cash margin held with the Bank as on the reporting date in Schedule 12 – Contingent Liabilities of the Balance Sheet.

g) Other items for which the Bank is contingently liable

Other items represent outstanding amount of bills rediscounted by the Bank, estimated amount of contracts remaining to be executed on capital account, notional principal on account of outstanding Tom/Spot foreign exchange contracts, contracts for purchase of investments where settlement is due post balance sheet date, deed of indemnity issued to liquidator of overseas subsidiary, contingent liability relating to undertakings issued towards settlements under resolution plan in respect of non-performing assets, commitments towards underwriting and investment in equity through bids under Initial Public Offering (IPO) of corporates, commitment for investment in Associate entity and amount transferred to Depositor Education and Awareness Fund (DEAF).

The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Bank has reviewed and recorded adequate provision as required under any law/ accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements, where applicable.

3. Previous year figures have been regrouped and reclassified, where necessary to conform to current year's presentation.

In terms of our report attached.

Independent Auditor's Report

To
The Members of Axis Bank Limited
Report on the audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying Consolidated Financial Statements of Axis Bank Limited ('the Holding Company' or 'the Bank'), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its associate, which comprise the Consolidated Balance Sheet as at 31 March 2026, and the Consolidated Profit and Loss Account, and the Consolidated Cash Flow Statement for the year ended on that date, and notes to the Consolidated Financial Statements, including a summary of the significant accounting policies and other explanatory information ('the Consolidated Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and the other financial information of such subsidiaries and associate, the aforesaid Consolidated Financial Statements give the information required by the Banking Regulation Act, 1949, as well as the Companies Act, 2013 ('the Act') and circulars and guidelines issued by the Reserve Bank of India ('RBI'), in the manner so required for banking companies and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 ('AS') and other accounting principles generally accepted in India, of the Consolidated State of Affairs of the Group and its associate at 31 March 2026, and its Consolidated Profit, and its Consolidated Cash Flow for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of audit reports of the other auditors referred to in the 'Other Matters' paragraph below is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current year. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters:

S. No.	Key Audit Matter	How the matter was addressed in our audit
1.	Information Technology (IT) Systems and controls over financial reporting	
	As the Bank operates on core banking solution across its branches and asset centres, the reliability and security of Information Technology ("IT") systems plays a key role in the business operations. Since large volume of transactions are processed daily, the IT controls are required to ensure that applications process data as expected and that changes are made in an appropriate manner.	In assessing the controls over the IT systems of the Bank, we involved our technology specialists to understand the IT control environment, IT infrastructure and IT systems.

S. No.	Key Audit Matter	How the matter was addressed in our audit
1.	Information Technology (IT) Systems and controls over financial reporting	
	IT infrastructure is critical for smooth functioning and accurate accounting and financial reporting process. Due to the pervasive nature and complexity of the IT environment, we have ascertained key IT systems used in financial reporting process and its related controls as a key audit matter.	We conducted an assessment and identified key IT systems that are critical for accounting and financial reporting process and are relevant for our audit and tested their internal controls. In particular: • We obtained an understanding of the Bank's IT control environment and key changes during the audit period that may be relevant to the audit; • We tested the design, implementation and operating effectiveness of the Bank's General IT controls over the key IT systems that are critical to accounting and financial reporting. This included evaluation of Bank's controls for user access management, program change management, database management, network operations, incident management and other IT operations performed by the Bank during the period of audit; • We tested key automated and manual business cycle controls and logic for system generated reports relevant to the audit; and • We also tested compensating controls and performed alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.
2.	Income Recognition, Asset Classification and provisioning on Advances (IRAC) as per the regulatory requirements.	
	Total Loans and Advances (Net of Provision) as at 31 March 2026: INR 12,33,569.88 crore Provision for NPAs as at 31 March 2026: INR 10,677.32 crore Refer Schedule 9, Schedule 17(4.3) and Schedule 18(1) - Note 1.4 of the Standalone Financial Statements The Bank is required to comply with the Master Circular issued by the Reserve Bank of India ('RBI') on 'Prudential Norms for Income Recognition, Asset Classification and Provisioning pertaining to Advances' (the 'IRAC norms') and amendments thereto ("RBI guidelines") which prescribes the norms for identification and classification of Non-performing Assets ('NPAs') and the minimum provision required for such assets. The Bank is also required to apply its judgement to determine the identification and provision required against NPAs considering various quantitative as well as qualitative factors. As the identification of and provisioning against NPAs requires considerable level of management estimation, application of various regulatory requirements and its significance to the overall audit due to stakeholder and regulatory focus, we have identified this as a key audit matter.	Our audit approach included testing the design, operating effectiveness of internal controls and substantive audit procedures in respect of income recognition, asset classification and provisioning pertaining to advances. In particular: • We have evaluated and understood the Bank's internal control system in adhering to the RBI guidelines; • We have analysed and understood key IT systems/ applications used and tested the design and implementation and operational effectiveness of relevant controls in relation to income recognition, asset classification, viz., standard, sub-standard, doubtful and loss with reference to RBI guidelines and provisioning pertaining to advances; and • We test checked advances to examine the validity and accuracy of the recorded amounts, provision for NPAs, and compliance with IRAC norms of RBI. • Assessed appropriateness & the adequacy of disclosures as per RBI guidelines relating to NPAs.

The auditors of Axis Securities Limited, vide their audit report dated 13 April 2026, have expressed an unmodified opinion on the financial statements. Based on consideration of their report, the following Key Audit Matter was included in their audit report.

S. No.	Key Audit Matter	How the matter was addressed in our audit
1.	Information Technology (IT) Systems and controls over financial reporting	Our Audit Approach: With the assistance of our IT Specialists, we obtained an understanding of the Company's IT Applications, databases and operating systems relevant to the financial reporting and the control environment. Our audit approach was combination of test of internal controls and substantive procedures on the areas of the IT infrastructure, which majorly focused access security (including controls over privileged access), program change controls, database management and network operations. In particular, our activity included the following: General IT controls design, observation and operation • Understood the changes made in the IT environment during the year and ascertained its effect on the financial statements controls and accounts. • Tested key controls operating over the information technology in relation to financial accounting and reporting systems, including system access and system change management, program development and computer operations. User access controls operation: • Obtained management's evaluation of the access rights granted to applications relevant to financial accounting and reporting systems and tested resolution of a sample of expectations. • Further, we assessed the operating effectiveness of controls over granting, removal and appropriateness of access rights. Application controls: • We tested the design and operating effectiveness of automated controls critical to financial accounting and reporting. • For any identified deficiencies, tested the design and operating effectiveness of compensating controls and, where necessary, extended the scope of our substantive audit procedures. • Our tests also included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materiality impact the Financial Statements. • Considered the reports for certain applications on test check basis, as issued by the professional consultants with respect to VAPT testing done on such applications. • Considered the reports issued by the professional consultants with respect to Information Systems (IS) Audit and IT Infrastructure of the Company and of certain applications at group level relevant for the Company.

The auditors of Axis Finance Limited, vide their audit report dated 17 April 2026, have expressed an unmodified opinion on the financial statements. Based on consideration of their report, the following Key Audit Matter was included in their audit report.

S. No.	Key Audit Matter	How the matter was addressed in our audit
1.	Information Technology (IT) Systems and controls over financial reporting The Company's key financial accounting and reporting processes are highly dependent on the automated controls over the Company's information system, such that there exists a risk that gaps in the Information Technology General Control environment could result in a misstatement in the financial accounting and reporting records. Proper IT general and application controls are essential to ensure accurate, complete and consistent data processing for reliable financial reporting. Accordingly, we have considered user access management, segregation of duties and control over system change over key financial accounting and reporting systems, as a key audit matter.	Our Audit Approach: With the assistance of our IT Specialists, we obtained an understanding of the Company's IT Applications, databases and operating systems relevant to the financial reporting and the control environment. Our audit approach was combination of test of internal controls and substantive procedures on the areas of the IT infrastructure, which majorly focused access security (including controls over privileged access), program change controls, database management and network operations. In particular, our activity included the following: General IT controls design, observation and operation: - Understood the changes made in the IT environment during the year and ascertained its effect on the financial statements controls and accounts. - Tested key controls operating over the information technology in relation to financial accounting and reporting systems, including system access and system change management, program development and computer operations. User access controls operation: - Obtained management's evaluation of the access rights granted to applications relevant to financial accounting and reporting systems and tested resolution of a sample of expectations. - Further, we assessed the operating effectiveness of controls over granting, removal and appropriateness of access rights. Application controls: - We tested the design and operating effectiveness of automated controls critical to financial accounting and reporting. - For any identified deficiencies, tested the design and operating effectiveness of compensating controls and, where necessary, extended the scope of our substantive audit procedures. - Our tests also included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the Financial Statements.

Other Information

- The Bank's Board of Directors are responsible for the other information. The Other Information comprises the information included in the Annual Report but does not include the Consolidated Financial Statements and our Auditors' Report thereon. The Other Information is expected to be made available to us after the date of this Auditors' Report.
- Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

8. When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The Bank's Management and Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act, that give a true and fair view of the Consolidated State of Affairs, Consolidated Profit and Consolidated Cash Flows of the Group in accordance with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, and other accounting principles generally accepted in India and provisions of section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the RBI from time to time ('RBI Guidelines'). The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act and the RBI Guidelines for safeguarding of the assets of the Group of its associates and for preventing and detecting frauds and other irregularities; selection of the appropriate accounting software for ensuring compliance with applicable laws and regulations including those related to retention of audit logs; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the Consolidated Financial Statements by the Management and directors of the Bank, as aforesaid.
10. In preparing the Consolidated Financial Statements, the respective Management and the Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
11. The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the respective companies included in the Group and associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.
13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - 13.1. Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - 13.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to the Consolidated Financial Statements and the operating effectiveness of such controls.
 - 13.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- 13.4. Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- 13.5. Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 13.6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
14. We communicate with those charged with governance of the Bank regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

17. We did not audit the Financial Statements of nine subsidiaries and two stepdown subsidiaries, whose financial statements reflect total assets (before consolidation adjustments) of ₹65,903.06 crore as at 31 March 2026, total revenues (before consolidation adjustments) of ₹9,608.77 crore, total net profit after tax (before consolidation adjustments) of ₹2,051.19 crore and net cash inflows (before consolidation adjustments) amounting to ₹320.88 crore for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors. Further, of these subsidiaries, one subsidiary is located outside India whose financial statements have been prepared in accordance with accounting principles generally accepted in that country and which has been audited by its auditors under generally accepted auditing standards applicable in that country. The Parent's management has converted the financial statements of such subsidiary from generally accepted accounting principles applicable in that country to generally accepted accounting principles applicable in India. Our audit report in so far as it relates to the balances and affairs of such subsidiary located outside India, is based on the report of other auditor. According to the information and explanations given to us by the Management, the financial statements of this subsidiary are not material to the Group. Our opinion is not modified in respect of these matters.
18. We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets (before consolidation adjustments) of ₹10.86 crore as at 31 March 2026, total revenues (before consolidation adjustments) of ₹0.16 crore, total net profit after tax (before consolidation adjustments) of ₹0.98 crore and net cash flows amounting (before consolidation adjustments) to ₹2.54 crore for the year ended on that date, as considered in the Consolidated

Financial Statements. These financial statements are unaudited and have been furnished to us by the Board of Directors and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of section 143(3) of the Act in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial statements. This subsidiary is located outside India, whose financial statements have been prepared in accordance with accounting principles generally accepted in its country. The Parent's management has converted the financial results of such subsidiary from generally accepted accounting principles applicable in its country to generally accepted accounting principles applicable in India. According to the information and explanations given to us by the management, the financial statements of this subsidiary are not material to the Group. Our opinion is not modified in respect of this matter.

19. The Consolidated Financial Statements also include the Group's share of net profit of ₹54.09 crore for the year ended 31 March 2026, as considered in the Consolidated Financial Statements, in respect of one associate based on management's best estimate in the absence of the financial information which has been relied upon by us. According to the information and explanations given to us by the Management, the financial information of the associate is not material to the group.
20. Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

21. In our opinion, the Consolidated Balance Sheet and the Consolidated Profit And Loss Account have been drawn up in accordance with the provisions of section 29 of the Banking Regulation Act, 1949 and section 133 of the Act.
22. Further, as required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries and associates, we report, to the extent applicable, that:
 - 22.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - 22.2. In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors except for the matters stated in paragraph 23.8 below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
 - 22.3. The Consolidated Balance Sheet, the Consolidated Profit and Loss account, and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - 22.4. In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with the relevant rules thereunder to the extent they are not inconsistent with the accounting policies prescribed by the RBI.
 - 22.5. On the basis of the written representations received from the directors of the Bank as on 31 March 2026 taken on record by the Board of Directors of the Bank and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - 22.6. The observation relating to the maintenance of accounts and other matters connected therewith as stated in the paragraph 22.2 above on reporting under Section 143(3)(b) of the Act and paragraph 23.8 below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
 - 22.7. With respect to the adequacy of internal financial controls with reference to Consolidated Financial Statements of the Bank, its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.

- 22.8. In our opinion and according to the information and explanation given to us and based on reports of the statutory auditors of such subsidiary companies incorporated in India which were not audited by us, except in case of an associate which is unaudited, the remuneration paid during the current year by the subsidiaries incorporated in India to its directors is in accordance with the provisions of and the limits laid down under section 197 of the Act. The remuneration paid to any director by the subsidiary companies incorporated in India is not in excess of limit laid down under section 197 of the Act. Further, since the Bank is a banking company, as defined under Banking Regulation Act, 1949, the reporting under section 197(16) in relation to whether the remuneration paid by the Bank is in accordance with the provisions of section 197 of the Act and whether any excess remuneration has been paid in accordance with the aforesaid section, is not applicable.
23. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of audit reports of other auditors on separate financial statements of such subsidiaries as noted in the 'Other Matters' paragraph:
- 23.1. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2026 on the consolidated financial position of the Group, its associate – Refer Schedule 12 to the consolidated financial statements.
- 23.2. Provision has been made in the Consolidated Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Schedule 5 and 12 read with Note No. 1.18 of Schedule 18 to the Consolidated Financial Statements in respect of such items as it relates to the Group, its associate and the Group's share of net profit in respect of its associate.
- 23.3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Bank and its subsidiary companies incorporated in India during the year ended 31 March 2026.
- 23.4. The respective managements of the Bank and its subsidiaries in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively, to best of their knowledge and belief, that no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Bank or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank or any of such subsidiaries ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- 23.5. The respective managements of the Bank and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively, to best of their knowledge and belief, that no funds have been received by the Bank or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Bank or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- 23.6. Based on such audit procedures, that have been considered reasonable and appropriate in the circumstances, performed by us and those performed by auditors of the subsidiaries incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or other auditors to believe that the representation under sub clause (i) and (ii) of Rule 11(e), as provided under para 23.4 and 23.5 above, contain any material misstatement.
- 23.7. In our opinion and according to the information and explanations given to us, the dividend declared and / or paid during the year by the Bank is in compliance with Section 123 of the Act.

- 23.8. Based on our examination, which included test checks, and that performed by the respective auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, except in case of an associate which is unaudited, the Bank and its subsidiaries have used various accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the above referred subsidiaries did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail has been preserved by the Bank and above referred subsidiaries as per the statutory requirements for record retention except in case of 1 subsidiary where the respective Component auditors has reported that for the periods of previous financial year the audit trail feature was not enabled for certain software.

Annexure 'A' to the Independent Auditors' report on the Consolidated Financial Statements of Axis Bank Limited for the year ended 31 March 2026

(Referred to in paragraph '22.7' under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

Opinion

1. In conjunction with our audit of the Consolidated Financial Statements of Axis Bank Limited as of and for the year ended 31 March 2026, we have audited the internal financial controls with reference to the Consolidated Financial Statements of Axis Bank Limited ('Bank') and its subsidiary companies which are companies incorporated in India, as of that date.
2. In our opinion, the Bank, and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to the Consolidated Financial Statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal controls over financial reporting criteria established by the respective companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('the Guidance Note').

Management's responsibility for Internal Financial Controls

3. The respective Board of Directors of the Bank, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal controls over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's responsibility

4. Our responsibility is to express an opinion on the Bank, its subsidiaries, which are companies incorporated in India, internal financial controls with reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('SA'), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Consolidated Financial Statements. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Consolidated Financial Statements were established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to the Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to the Consolidated Financial Statements

7. A company's internal financial controls with reference to the Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the Consolidated Financial Statements includes those policies and procedures that
- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
 - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Consolidated Financial Statements

8. Because of the inherent limitations of internal financial controls with reference to the Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

9. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls system with reference to the Consolidated Financial Statements in so far as it relates to nine subsidiaries and one Stepdown Subsidiary, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries.

17 Significant Accounting Policies to the Consolidated Financial Statements

for the year ended 31 March, 2026

1. Principles of consolidation

The consolidated financial statements comprise the financial statements of Axis Bank Limited ('the Bank'), its Subsidiaries and Associate (together 'the Group'). As on 31 March, 2026, the Bank has overseas branches at Singapore, DIFC - Dubai and an Offshore Banking Unit at the International Financial Service Centre (IFSC), Gujarat International Finance Tec-City (GIFT City), Gandhinagar, India.

The Bank consolidates its Subsidiaries in accordance with Accounting Standard ('AS') 21, Consolidated Financial Statements notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021 on a line-by-line basis by adding together the like items of assets, liabilities, income and expenditure. All significant inter-company accounts and transactions are eliminated on consolidation.

Investment in entities where the Bank has the ability to exercise significant influence are accounted for under the equity method of accounting as prescribed under Accounting Standard (AS) 23 "Accounting for investments in Associates in Consolidated Financial Statements" and the pro-rata share of their profit/(loss) is included in the consolidated Profit and Loss account.

2. Basis of preparation

- a) The consolidated financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting in accordance with the Generally Accepted Accounting Principles in India ('GAAP'), unless otherwise stated by the Reserve Bank of India ('RBI'), to comply with the statutory requirements prescribed under the Third Schedule of the Banking Regulation Act, 1949, the circulars, notifications, guidelines and directives issued by the RBI from time to time and the Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021 to the extent applicable and practices generally prevalent in the banking industry in India. Accounting policies applied have been consistent with the previous year except otherwise stated.
- b) The consolidated financial statements present the accounts of the Bank including the following entities:

Name	Relation	Country of Incorporation	Ownership Interest
Axis Capital Ltd.	Subsidiary	India	100.00%

Axis Max Life Insurance Ltd. (formerly Max Life Insurance Company Ltd.)	Associate	India	19.02%

- c) The financial statements of certain subsidiaries have been prepared in accordance with notified Indian Accounting Standards ('Ind-AS'). The financial statements of such subsidiaries used for consolidation are special purpose financial statements prepared in accordance with GAAP specified under section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021.
- d) The audited financial statements of the above subsidiaries/step-down subsidiaries (except for Axis U.K. Ltd.) have been drawn up to the same reporting date as that of the Bank, i.e. 31 March, 2026.

- e) The financial statements (unaudited) of the Bank's foreign subsidiary, Axis U.K. Limited ('the Company') are prepared in accordance with UK adopted international accounting standards which have been converted to Indian GAAP for the purpose of consolidated financial statements of the Group. Considering that the Company is currently under liquidation, the financial statements of the Company have been prepared on a basis other than that of a going concern. Basis the size and scale of operations of the Company, the impact of the above is not material on the financial statements/position of the Group.
- f) On 17 July, 2024, the Board of Directors of Freecharge Payment Technologies Private Limited (FPTPL) approved a Scheme of Demerger ('the Scheme'). The Scheme involves the transfer of the Business Correspondence (BC) and Technology Service Provision (TSP) business from FPTPL to Freecharge Business and Technology Services Limited (FBTSL), both wholly owned subsidiaries of the Bank. As part of this process, a joint petition was filed with the National Company Law Tribunal (NCLT) Chandigarh bench on 31 July, 2024, under Section 230-232 of the Companies Act, 2013, seeking approval for the Scheme. The NCLT approved the Scheme on 10 December, 2025. Consequently, the BC and TSP business have been transferred and vested in FBTSL effective 1 January, 2026, with the appointed date being 1 July, 2024, as per the Scheme. FPTPL has completed the necessary filings with the Registrar of Companies in accordance with the NCLT order. This transaction has no impact on the consolidated financial results for the year ended 31 March, 2026.
- g) The Group's share of net profit after tax for the year ended 31 March, 2026 as included in the consolidated financial statements in respect of the Associate entity is based on management's best estimate in the absence of financial information of such Associate.

3. Use of estimates

The preparation of the consolidated financial statements in conformity with the generally accepted accounting principles requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) at the date of the financial statements, revenues and expenses during the reporting period. Actual results could differ from those estimates. The Management believes that the estimates and assumptions used in the preparation of the financial statements are prudent and reasonable. Any revisions, as and when carried out, to the accounting estimates are recognised prospectively in the current and future periods.

4. Significant accounting policies

4.1 Investments

Axis Bank Ltd.

Classification

In accordance with the RBI guidelines, investments (except investments in subsidiaries, joint ventures and associates) are classified at the time of acquisition as:

- Held to Maturity ('HTM');
- Available for Sale ('AFS') and
- Fair Value through Profit and Loss (FVTPL) with Held for Trading (HFT) as a separate investment subcategory within FVTPL.

Classification of Investments in the Balance sheet

For disclosure in the Balance Sheet, investments in India are classified under six categories - Government Securities, Other Approved Securities, Shares, Debentures and Bonds, Investment in Subsidiaries/Joint Ventures/Associates and Others. Investments made outside India are classified under three categories - Government Securities, Subsidiaries and/or Joint Ventures abroad and Others.

All investments are accounted for on settlement date, except investments in equity shares which are accounted for on trade date.

i. Held to Maturity ('HTM')

The Bank classifies investments as HTM, if both of the following conditions are met:

- The investment is acquired with the intention and objective of holding it to maturity, i.e., the financial assets are held with an objective to collect the contractual cash flows; **and**
- The contractual terms of the investment give rise to cash flows that are solely payments of principal and interest on principal outstanding ('SPPI criterion') on specified dates.

ii. Available for Sale ('AFS')

The Bank classifies investments as AFS, if both the following conditions are met:

- The investment is acquired with an objective which is achieved by both collecting contractual cash flows and selling securities; **and**
- The contractual terms of the investment give rise to cash flows that meet SPPI criterion on specified dates.

The Bank, upon initial recognition, may make an irrevocable election to classify an equity instrument as an AFS that is not held with the objective of trading.

iii. Fair Value through Profit and Loss (FVTPL)

The investments that are not classified as HTM or AFS are classified as FVTPL. The Bank classifies investments in FVTPL category as either FVTPL-Held for Trading ('HFT') or FVTPL Non-HFT. Any investment held by the Bank for one or more of the following purposes is, when it is first recognised on its books, designated as a FVTPL HFT:

- short-term resale;
- profiting from short-term price movements;
- locking in arbitrage profits; or
- hedging risks that arise from instruments meeting all of the above

Investments in listed equities, trading-related repo-style transactions, instruments resulting from market-making activities, equity investments in a fund are included in FVTPL HFT category. Investments in unlisted equities are included in FVTPL Non-HFT category.

All other investments forming part of FVTPL category are classified as FVTPL Non-HFT.

Investments in Subsidiaries, Associates and Joint Ventures

All investments in subsidiaries, associates and joint ventures held by Bank are classified under this category separately from the aforesaid investment categories.

Initial recognition

The Bank measures all investments at fair value on initial recognition. Unless facts and circumstances suggest that the fair value is materially different from the acquisition cost, it is presumed that the acquisition cost is the fair value. Any discount or premium on the investments under HTM category is amortised over the remaining life of the instrument on a constant yield basis.

i. Acquisition cost

Costs incurred at the time of acquisition, pertaining to investments, such as brokerage, commission etc. are charged to the Profit and Loss Account. Broken period interest is charged to the Profit and Loss Account. Cost of investments is computed based on the weighted average cost method.

ii. Day 1 gain/loss

Day 1 Gain/loss is the difference between the fair value at initial recognition and acquisition cost.

Any Day 1 gain/loss arising on quoted investments is recognized in the Profit and Loss Account. Any Day 1 loss arising from Level 3 investments is recognised immediately. Any Day 1 gains arising from Level 3 investments is deferred. In the case of debt instruments, the Day 1 gain is amortized on a straight-line basis up to the maturity date (or earliest call date for perpetual instruments), while for unquoted equity instruments, the gain is set aside as a liability until the security is listed or derecognised.

iii. Subsequent measurement

a. Investments classified under the HTM category

Investments held in HTM category are carried at cost and are not Mark-to-Market (MTM) after initial recognition. The amortised amount is reflected under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.

Realised gains on sale of investments in HTM category are recognised in the Profit and Loss Account and subsequently appropriated to the Capital Reserve Account (net of taxes and transfer to statutory reserves) in accordance with the RBI guidelines. Realised losses are recognised in the Profit and Loss Account.

b. Investments classified under AFS category

Investments held in AFS category are fair valued. Any discount or premium on the acquisition of debt securities under AFS is amortised over the remaining life of the instrument on a constant yield basis. The amortised amount is reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.

The net valuation gains and losses across all performing investments under AFS is aggregated and the net appreciation or depreciation (net of tax) is directly credited or debited to the AFS Reserve without routing through the Profit & Loss Account.

The AFS-Reserve is reckoned as Common Equity Tier (CET) 1 capital but not available for distribution of dividend and coupon on Additional Tier I instruments

On sale or maturity of a debt instrument in AFS category, the accumulated gain/ loss for that security in the AFS Reserve is transferred from the AFS Reserve and recognized in the Profit and Loss Account.

In the case of equity instruments designated under AFS at the time of initial recognition, any gain or loss on sale of such investments is transferred from AFS Reserve to Capital Reserve in accordance with the RBI Investment Direction, 2023.

c. Investments classified under FVTPL category

Investments held under FVTPL category are fair valued and the net gain or loss arising on such valuation is directly credited or debited to the Profit and Loss Account.

Any discount or premium on the debt securities under FVTPL category is amortised over the remaining life of the instrument. The amortised amount is reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned' with a contra in Schedule 8: 'Investments'.

d. Investments in Associates and Joint Ventures

The Bank measures all the investments (i.e., including debt and equity) in associates and joint ventures at acquisition cost.

Any discount or premium on the acquisition of debt securities of associates and joint ventures is amortised over the remaining life of the instrument. The amortised amount is reflected in the financial statements under item II 'Income on Investments' of Schedule 13: 'Interest Earned'.

Valuation

The Bank determines the fair values of its investments according to the following hierarchy:

Level 1: Valuation based on quoted market price: These investments are valued with quoted prices (unadjusted) for identical instruments in active markets that the Bank can access at the measurement date.

Level 2: Valuation based on using observable inputs: These investments are valued with inputs other than quoted prices included within Level 1, that are observable, either directly or indirectly.

Level 3: Valuation technique with significant unobservable inputs: These investments are valued using valuation techniques where one or more significant inputs are unobservable.

The fair value of various types of instruments is determined as per the valuation norms laid down in RBI guidelines, as follows:

- The fair value of quoted investments (other than discounted instruments) included in the AFS and FVTPL categories is considered as available from the trades/quotes on the stock exchanges or prices, yield and spread matrix declared by the Fixed Income Money Market and Derivatives Association of India ('FIMMDA')/Financial Benchmark India Private Limited ('FBIL'), periodically.
- Treasury Bills, Exchange Funded Bills, Commercial Paper and Certificate of Deposits being discounted instruments, are valued at carrying cost which includes discount accreted over the period to maturity.
- Units of mutual funds are valued at the latest repurchase price/Net Asset Value ('NAV') declared by the mutual fund.
- Units of Venture Capital Funds ('VCF') and Unquoted Alternative Investment Fund (AIFs) are valued at Net Asset Value (NAV) declared by the funds. Where an AIF fails to carry out and disclose the valuation of its investments by an independent valuer as per the frequency mandated by SEBI (Alternative Investment Fund) Regulations, 2012 the value of its units is treated as Re. 1. In case AIF is not registered under SEBI (Alternative Investment Fund) Regulations, 2012 and the latest disclosed valuation of its investments by an independent valuer precedes the date of valuation by more than 18 months, the value of its units is treated as Re. 1.
- Investments in Associates and Joint Ventures category are assessed for impairment to determine permanent diminution, if any, in accordance with the RBI guidelines and suitable provisions are made.
- The fair value of investments where current quotations are not available, is determined in accordance with the norms prescribed by the RBI/FIMMDA/FBIL as under:
 - a) The fair value of unquoted government securities which are in the nature of Statutory Liquidity Ratio ('SLR') securities forming part of AFS, FVTPL-HFT and FVTPL Non-HFT categories are computed as per the rates published by FIMMDA/FBIL.
 - b) In case of special bonds issued by the Government of India that do not qualify for SLR purposes, unquoted bonds, debentures and preference shares where interest/dividend is received regularly (i.e. not overdue beyond 90 days), the market price is derived based on the Yield to Maturity ('YTM') for such securities as published by FIMMDA/FBIL and suitably marked up for credit risk applicable to the credit rating of the instrument. The matrix for credit risk mark-up for each category and credit ratings along with residual maturity issued by FIMMDA/FBIL is adopted for this purpose.
 - c) In case of bonds & debentures where interest is not received regularly (i.e. overdue beyond 90 days), the valuation is in accordance with prudential norms for provisioning as prescribed by the RBI.
 - d) Pass Through Certificates (PTCs) are valued based on yields published by FIMMDA, suitably adjusted downwards for the quality and characteristics of the underlying pool of assets in the PTCs.
 - e) Equity shares, for which current quotations are not available or where the shares are not quoted on the stock exchanges, are valued at break-up value (without considering revaluation reserves, if any) which is ascertained from the company's latest Balance Sheet (not older than 18 months). In case the latest Balance Sheet is not available, the shares are valued at Re. 1 per company.

- f) Valuation of investments in private equity funds and limited liability partnership funds is based on valuation of their underlying exposures.
- g) Investments in listed instruments of Real Estate Investment Trust ('REIT')/Infrastructure Investment Trust ('INVIT') are valued at the closing price on the recognised stock exchange. In case the instruments are not traded on any stock exchange for a period of 30 days, valuation is carried out based on lower of the latest NAV (not older than 1 year) submitted by the trust or last available traded price.
- h) Investments in Government guaranteed Security Receipts ('SRs') are valued periodically by reckoning the Net Asset Value (NAV) declared by the Asset Reconstruction Company ('ARC') based on the recovery ratings received for such instruments. Any Government guaranteed SRs outstanding after the final settlement of the Government guarantee or the expiry of the guarantee period, whichever is earlier, are valued at one rupee (₹1).

Investments in other SRs are valued as per the NAV declared by the issuing ARC or net book value of loans transferred or estimated recoverable value based on Bank's internal assessment on case to case basis, whichever is lower. Investments in such Security Receipts where original maturity period has expired are valued at one rupee (₹1). In case of investments in SRs which are backed by more than 10 percent of the stressed assets sold by the Bank, the valuation of such SRs is additionally subject to a floor of face value of the SRs reduced by the provisioning rate as per the extant asset classification and provisioning norms as applicable to the underlying loans, assuming that the loan notionally continued in the books of the Bank.

Investment asset classification and provisioning

Investments under HTM, AFS and FVTPL category are subjected to income recognition, asset classification and provisioning norms of RBI. Non-performing Investments (NPIs) are identified and provision is made thereon in the Profit and Loss account, as per the RBI guidelines. Once an investment become NPI, the Bank segregates it from rest of the portfolio and does not consider it for netting valuation gains and losses. A NPI investment is segregated from other investments within the same category [i.e., HTM, AFS, or FVTPL] under which it was classified at initial recognition. Interest on NPIs is not recognized in the Profit and Loss Account until received. MTM appreciation in case of NPIs over and above the book value is not recognized and ignored.

Reclassification between categories

Reclassification of investments between categories (viz. HTM, AFS and FVTPL) if any is carried out only after, prior approval of Board of Directors and RBI and the same is accounted for in accordance with the RBI guidelines.

Short sales

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. Such short positions are categorised under FVTPL category and netted off from investments in the Balance Sheet. These positions are marked-to-market along with the other securities under FVTPL portfolio and the resultant MTM gains/losses are accounted for as per the relevant RBI guidelines for valuation of investments.

Subsidiaries

Investments are initially recognised at cost which comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Any reduction in the carrying amount and any reversal of such reductions are charged or credited to the Profit and Loss Account.

Long term investments are stated at cost. Provision is made to recognise a decline, other than temporary, in the value of such investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Profit and Loss Account.

4.2 Repurchase and reverse repurchase transactions

Axis Bank Ltd.

Repurchase transactions ('Repos')

Repurchase transactions in Government securities and corporate debt securities including those conducted under the Liquidity Adjustment Facility ('LAF') and Marginal Standby Facility ('MSF') with RBI are accounted for as collateralised borrowings. Accordingly, securities given as collateral under an agreement to repurchase them, continue to be held under the investment account and the Bank continues to accrue the coupon on the security during the repo period. Borrowing cost on such repo transactions is accounted as interest expense in "Schedule 15 – Interest Expended" in the Profit and Loss Account.

Reverse repurchase transactions ('Reverse repos')

Reverse repurchase transactions with RBI with original maturity upto 14 days, including those conducted under the Liquidity Adjustment Facility ('LAF') and Standing Deposit Facility ('SDF') are accounted for as collateralised lending under "Schedule 6 - Balances with RBI - in Other Accounts". Reverse repurchase transactions with banks and other financial institutions with original maturity upto 14 days, are accounted for as collateralised lending under "Schedule 7 - Balances with Banks and Money at call and short notice". Revenue on such reverse repos is accounted for as interest income under "Schedule 13 – Interest Earned – Interest on balances with Reserve Bank of India and Other Inter-bank Funds" in the Profit and Loss Account.

Reverse repos with original maturity of more than 14 days are accounted for as collateralised lending under "Schedule 9 - Advances". Revenue on such reverse repos is accounted for as interest income under "Schedule 13 - Interest Earned – Interest/discount on advances/bills" in the Profit and Loss account.

4.3 Advances

Axis Bank Ltd.

Classification and measurement of advances

Advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of bills rediscounted, inter-bank participation certificates, specific provisions made towards NPAs, interest in suspense for NPAs, claims received from Export Credit Guarantee Corporation, provisions for funded interest on term loans classified as NPAs and floating provisions. Structured collateralised foreign currency loans extended to customers and deposits received from the same customer are reported on a net basis.

The Bank transfers advances through inter-bank participation with and without risk. In accordance with the RBI guidelines, in the case of participation with risk, the aggregate amount of the participation issued by the Bank is reduced from advances and where the Bank is participating, the aggregate amount of the participation is classified under advances. In the case of participation without risk, the aggregate amount of participation issued by the Bank is classified under borrowings and where the Bank is participating, the aggregate amount of participation is shown as due from banks under advances.

Non-performing advances and provision on non-performing advances

NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI. Advances held at the overseas branches that are identified as impaired as per host country regulations for reasons other than record of recovery, but which are standard as per the RBI guidelines, are classified as NPAs to the extent of amount outstanding in the host country. NPAs are upgraded to standard as per the extant RBI guidelines.

Provisions for NPAs are made for sub-standard and doubtful assets at rates as prescribed by the RBI with the exception of schematic retail advances, agriculture advances and advances to Commercial Banking segment. In respect of

schematic retail advances, provisions are made in terms of a bucket-wise policy upon reaching specified stages of delinquency (90 days or more of delinquency) under each type of loan, which satisfies the RBI prudential norms on provisioning. Provisions in respect of Commercial Banking segment advances and agriculture advances classified into sub-standard and doubtful assets are made at rates which are higher than those prescribed by the RBI.

Provisions for advances booked in overseas branches, which are standard as per the RBI guidelines but are identified as impaired as per host country regulations for reasons other than record of recovery, are made as per the host country regulations.

In case of NPAs referred to the National Company Law Tribunal ('NCLT') under the Insolvency and Bankruptcy Code, 2016 ('IBC') where resolution plan or liquidation order has been approved by NCLT, provision is maintained at higher of the requirement under the RBI guidelines or the likely haircut as per resolution plan or liquidation order.

Loans reported as fraud are classified as loss assets, and fully provided for immediately without considering the value of security.

Provision on restructured assets

Restructured assets including compromise settlements where the time for payment of the agreed settlement amount exceeds three months are classified and provided for in accordance with the guidelines issued by the RBI from time to time.

In respect of advances where resolution plan has been implemented under the RBI guidelines on "Resolution Framework for COVID 19-related Stress" and "Micro, Small and Medium Enterprises (MSME) Sector – Restructuring of Advances", provisions are maintained as per the internal framework of the Bank at rates which are higher than those specified under the extant RBI guidelines. Restructured loans are upgraded to standard as per the extant RBI guidelines.

Provisions held on restructured assets are reported in Schedule 5 – Other Liabilities and Provisions in the Balance Sheet.

Write-offs and recoveries from written-off accounts

Write-offs are carried out in accordance with the Bank's policy.

Amounts recovered against debts written off are recognised in the Profit and Loss Account as a credit to Provision and Contingencies.

Appropriation of funds for standard advances

In case of Equated Monthly Instalment (EMI) based standard retail advances, funds received from customers are appropriated in the order of principal, interest and charges. In case of other standard advances, funds received from customers are appropriated in the order of charges, interest and principal.

Other provisions on advances classified under Schedule 5 – 'Other Liabilities and Provisions' in the Balance Sheet

The Bank recognises additional provisions as per the RBI's guidelines on accounts in default and with aggregate exposure above the threshold limits as laid down in the guidelines where the resolution plan is not implemented within the specified timelines. These provisions are written back on satisfying the conditions for reversal as per RBI guidelines.

In respect of borrowers classified as non-cooperative or wilful defaulters the Bank makes accelerated provisions as per the extant RBI guidelines.

In the case of one-time settlements with borrowers that are entered into but not closed as on the reporting date, the Bank makes provisions which is the higher of (i) the provision required based on asset classification; and (ii) the amount of contracted sacrifice, on a portfolio basis.

The Bank makes incremental provisioning (determined based on a time scale and on occurrence of predefined events) on all outstanding advances and investments relating to borrowers tagged as Red Flagged Accounts ('RFA').

For entities with Unhedged Foreign Currency Exposure ('UFCE'), provision is made in accordance with the guidelines issued by the RBI, which requires ascertaining the amount of UFCE, estimating the extent of likely loss and estimating the riskiness of the unhedged position. Further, incremental capital is maintained in respect of such borrower counter parties in the highest risk category, in line with stipulations by the RBI.

Upto 31 December, 2025 the Bank maintained provisions for incremental exposure of the banking system to specified borrowers beyond the Normally Permitted Lending Limit ('NPLL') in proportion to the Bank's funded exposure to the specified borrowers as per the RBI guidelines.

The Bank maintains a general provision on standard advances at the rates prescribed by the RBI. In respect of advances to stressed sectors, such general provision is made at rates higher than the regulatory minimum as per the internal policy of the Bank. The general provision on corporate standard advances internally rated 'BB and Below' or 'Unrated' and all Special Mention Accounts-2 ('SMA-2') advances as reported to Central Repository of Information on Large Credits ('CRILC'), is maintained at rates that are higher than those prescribed by RBI. In case of overseas branches, general provision on standard advances is maintained at the higher of the levels stipulated by the respective overseas regulator or by the extant RBI guidelines. The Bank also maintains general provision on positive Mark-to-Market (MTM) on derivative transactions at the rates prescribed under the extant RBI guidelines.

The Bank maintains additional specific provision on projects under implementation which have availed deferment in date of commencement of commercial operations and are classified as standard as per extant RBI guidelines

The Bank also maintains additional provision on standard accounts in a particular borrower group where one or more entity in the group is classified as NPA, subject to the aggregate outstanding of such entities being above a certain threshold limit. Such provision is in addition to and at rates higher than the provision for standard assets as prescribed by RBI.

The Bank also maintains provision on non-funded outstanding in relation to NPAs, prudentially written off accounts, corporate standard advances internally rated 'BB and Below' or 'Unrated' and all SMA-2 advances as reported to CRILC.

Under its home loan portfolio, the Bank offers housing loans with certain features involving waiver of EMIs for a specific period subject to fulfilment of certain conditions by the borrower. The Bank makes provision against the probable loss that could be incurred in future on account of these waivers to eligible borrowers, based on actuarial valuation conducted by an independent actuary.

As approved by the Board of Directors, the Bank holds prudent provision of ₹7,013 crores towards certain standard advances and / or exposures.

Axis Finance Ltd.

Advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of specific provisions made towards NPAs. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI.

Provisions for standard assets and NPAs are made at rates as prescribed by the Company policy which are over and above the minimum requirements under the RBI guidelines.

4.4 Country risk

Axis Bank Ltd.

In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure (other than for home country) as per the RBI guidelines. Such provisions are held only in respect of those countries where the net funded exposure of the Bank exceeds 1% of its total assets. For this purpose, the countries are categorized into seven risk categories namely insignificant, low, moderate, high, very high, restricted and off-credit as per internal parameters in accordance with RBI guidelines. Provision is made on exposures exceeding 180 days on a graded scale ranging from 0.25% to 100%. For exposures with contractual maturity of less than 180 days, 25% of the normal provision requirement is held. If the net funded exposure of the Bank in respect of each country does not exceed 1% of the total assets, no provision is maintained on such country exposure in accordance with RBI guidelines. Indirect exposure is reckoned at 50% of the exposure. This provision is classified under Schedule 5 – Other Liabilities and Provisions in the Balance Sheet.

4.5 Securitisation and transfer of assets

Axis Bank Ltd.

Securitisation of Standard Assets

The Bank enters into purchase/sale of corporate and retail loans through direct assignment/Special Purpose Vehicle ('SPV'). In most cases, post securitisation, the Bank continues to service the loans transferred to the assignee/SPV. The Bank also provides credit enhancement in the form of cash collaterals and/or by subordination of cash flows to Senior Pass Through Certificate holders. In respect of credit enhancements provided or recourse obligations (projected delinquencies, future servicing etc.) accepted by the Bank, appropriate provision/disclosure is made at the time of sale in accordance with AS-29, Provisions, Contingent Liabilities and Contingent Assets as notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021. In accordance with RBI guidelines on Securitisation of Standard Assets, any loss, profit or premium realised at the time of the sale is accounted for in the Profit & Loss Account for the accounting period during which the sale is completed. However, in case of unrealised gains arising out of sale of underlying assets to the SPV, the profit is recognised in Profit and Loss Account only when such unrealised gains associated with such income is redeemed in cash.

Transfer of Loan Exposures

In accordance with RBI guidelines on Transfer of Loan exposures, any profit or loss arising post transfer of loans, which is realised, is accounted for and reflected in the Profit & Loss Account for the accounting period during which the transfer is completed. Loans acquired are carried at acquisition cost unless it is more than the outstanding principal at the time of the transfer, in which case the premium paid is amortised based on a straight line method.

Axis Finance Limited

The Company enters into purchase/sale of corporate and retail loans through direct assignment/securitisation. The loans are recognised/derecognised in the books based on the risk and reward associated with the underlying loans in compliance with RBI guidelines.

4.6 Priority Sector Lending Certificates

Axis Bank Ltd.

The Bank enters into transactions for the sale or purchase of Priority Sector Lending Certificates ('PSLCs'). In the case of a sale transaction, the Bank sells the fulfilment of priority sector obligation and in the case of a purchase transaction the Bank buys the fulfilment of priority sector obligation through the RBI trading platform. There is no transfer of loan assets in PSLC transactions.

4.7 Translation of Foreign Currency items

Group

In respect of domestic operations, transactions denominated in foreign currencies are accounted for at the rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated at the closing rates of exchange as notified by the Foreign Exchange Dealers Association of India ('FEDAI'). All profits/losses resulting from year end revaluations are recognised in the Profit and Loss Account.

Financial statements of foreign branches classified as non-integral foreign operations as per the RBI guidelines, are translated as follows:

- Assets and liabilities (both monetary and non-monetary as well as contingent liabilities) are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- Income and expenses are translated at the rates prevailing on the date of the transactions.
- All resulting exchange differences are accumulated in a separate 'Foreign Currency Translation Reserve' (FCTR) till the disposal of the net investments. Any realised gains or losses on such disposal are recognised in the Profit and

Loss Account except for those that relate to repatriation of accumulated profits which are reclassified from FCTR to 'Balance in Profit and Loss Account' under Schedule 2 – Reserves and Surplus in the Balance Sheet.

Contingent liabilities on account of forward exchange and derivative contracts, guarantees, acceptances, endorsements and other obligations denominated in foreign currencies are disclosed at closing rates of exchange notified by FEDAI.

4.8 Foreign exchange and derivative contracts

Axis Bank Ltd.

Derivative transactions comprise of forward contracts, swaps, FRAs, futures and options which are disclosed as contingent liabilities. The forwards, swaps and options are categorised as trading or hedge transactions.

Trading derivatives

Trading derivative contracts are revalued based on actual traded and/or derived from curves published by external market sources or FBIL with the resulting unrealised gain or loss being recognised in the Profit and Loss Account and correspondingly in other assets (representing positive MTM) and in other liabilities (representing negative MTM) on a gross basis.

Outstanding forward exchange contracts including tom/spot contracts (excluding swaps undertaken to hedge foreign currency assets/liabilities and funding swaps) as at Balance Sheet date are revalued at closing spot and forward rates as applicable as notified by FEDAI/FBIL and at interpolated rates for contracts of interim maturities. Valuation is considered on present value basis by discounting the forward value till cash date using Alternative Reference Rate ('ARR') curve and converting the foreign currency amount using the respective spot rates as notified by FEDAI/FBIL. The resulting gains or losses on revaluation are included in the Profit and Loss Account.

Currency futures contracts are mark-to-market using the daily settlement price on a trading day, which is the closing price of the respective futures contracts on that day. While the daily settlement price is computed based on the last half an hour weighted average price of such contracts, the final settlement price is taken as the RBI reference rate on the last trading day of the futures contracts or as may be specified by the relevant authority from time to time. All open positions are marked-to-market based on the settlement price and the resultant MTM profit/loss is daily settled with the exchange.

Valuation of Exchange Traded Currency Options ('ETCO') is carried out using internal pricing models and valuation of Interest Rate Futures ('IRF') is carried out on the basis of the daily settlement price of each contract provided by the exchange.

Premium on options is recognized as income/expense on expiry or early termination of the transaction.

Hedging derivatives including funding swaps

Foreign exchange forward contracts not intended for trading (including funding swaps), that are entered into to establish the amount of reporting currency required or available at the settlement date of a transaction, and are outstanding at the Balance Sheet date, are effectively valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised on a straight line basis as expense or income over the life of the contract.

For hedge transactions through other derivatives, the Bank identifies the hedged item (asset or liability) at the inception of transaction itself. The effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. In case of a fair value hedge, the changes in the fair value of the hedging instruments and hedged items are recognized in the Profit and Loss Account and in case of cash flow hedges, the change in fair value of hedging instrument for the effective portion is recognised in Schedule 2- 'Reserves and Surplus' under 'Cash Flow Hedge Reserve' and the ineffective portion of an effective hedging relationship, if any, is recognised in the Profit and Loss Account. The accumulated balance in the Cash Flow Hedge Reserve, in an effective hedging relationship, is recycled in the Profit and Loss Account at the same time that the impact from the hedged item is recognised in the Profit and Loss Account.

Provisioning

Pursuant to the RBI guidelines any receivables under derivative contracts comprising of crystallised receivables as well as positive MTM in respect of future receivables which remain overdue for more than 90 days are reversed through the Profit and Loss account and are held in a separate suspense account under Schedule 5 – 'Other Liabilities and Provisions'.

Axis Finance Limited

The Company enters into forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in the Profit and Loss Account immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Profit and Loss Account depends on the nature of the hedging relationship and the nature of the hedged item.

Cash Flow Hedges

A cash flow hedge is a hedge of the exposure to variability in cash flows that (i) is attributable to a particular risk associated with a recognized asset or liability or a highly probable forecast transaction or a firm commitment in respect of foreign currency and (ii) could affect the statement of profit and loss. Under a cash flow hedge, the hedging instrument is measured at fair value, but any gain or loss that is determined to be an effective hedge is recognized in equity, e.g., cash flow hedge reserve. The ineffective portion of the gain or loss on the hedging instrument is recognized immediately in the Profit and Loss Account.

Fair Value Hedges

A fair value hedge is a hedge of the exposure to changes in fair value of a recognised asset or liability or an unrecognised firm commitment, or an identified portion of such an asset, liability or firm commitment, that is attributable to a particular risk and could affect the Profit and Loss Account. When applying fair value hedge accounting, the hedging instrument is measured at fair value with changes in fair value recognised in the Profit and Loss Account. The hedged item is remeasured at fair value in respect of the hedged risk even if normally it is measured at cost, e.g., a fixed rate borrowing. Any resulting adjustment to the carrying amount of the hedged item related to the hedged risk is recognised in the Profit and Loss Account even if normally such a change may not be recognised, e.g., for inventory being hedged for fair value changes. The fair value changes of the hedged item and the hedging instrument will offset and result in no net impact in the Profit and Loss Account except for the impact of ineffectiveness.

4.9 Revenue recognition

Axis Bank Ltd.

Interest income is recognised on an accrual basis in accordance with AS-9, Revenue Recognition as notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014, the Companies (Accounting Standards) Rules, 2021 and the RBI guidelines except in the case of interest income on non-performing assets where it is recognised on receipt basis as per the income recognition and asset classification norms of RBI. Any discount or premium on the investments in debt-securities is amortised as interest income over the remaining life of the instrument. Interest income on investments in PTCs is recognized on a constant yield basis.

Commission on Guarantees and Letters of Credit ('LC') is recognised on a pro-rata basis over the period of the Guarantee/LC. Locker rent is recognized on a straight-line basis over the period of contract. Annual fee for credit cards and debit cards is recognised on a straight-line basis over the period of service. Arrangership/syndication fee is accounted for on completion of the agreed service and when the right to receive is established.

Loan processing fee is accounted for upfront when due, where the Bank is reasonably certain of ultimate collection. Penal charges on loans are recognized as income on actual realization.

Other fees and commission income are recognised when due, where the Bank is reasonably certain of ultimate collection. Payouts made to network partners and entities with co-branded arrangements, in the nature of sharing of fees or based on driver of volume/spends are netted off from the respective fee and commission income.

Dividend income is accounted on an accrual basis when the right to receive the dividend is established.

Income from units of mutual funds / AIFs / VCFs is recognised on cash basis in line with regulatory guidelines.

Gain/loss on sell down of loans and advances through direct assignment is recognised at the time of sale.

Fees paid for purchase of PSLCs are amortised on straight-line basis over the tenor of the certificate as 'Other Expenditure' under Schedule 16 of the Profit and Loss Account. Fees received on sale of PSLCs are amortised on straight-line basis over the tenor of the certificate as 'Miscellaneous Income' under Schedule 14 of the Profit and Loss Account.

In accordance with RBI guidelines on sale of non-performing advances, if the sale is at a price below the net book value (i.e. book value less provisions held), the shortfall is charged to the Profit and Loss Account. If the sale is for a value higher than the net book value, the excess provision is credited to the Profit and Loss Account in the year the amounts are received.

Subsidiaries

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Fee income is recognised on the basis of accrual when all the services are performed and there is reasonable certainty of ultimate collection.

Interest income is recognised on an accrual basis.

Dividend income is accounted on an accrual basis when the right to receive the dividend is established.

Income from sale of investments is determined on weighted average basis and recognised on the trade date basis.

Axis Capital Limited

Brokerage income in relation to stock broking activity is recognised as per contracted rates at the execution of transactions on behalf of the customers on a trade date basis. Gains/losses on dealing in securities are recognised on a trade date basis.

Revenue from issue management, loan syndication, and financial advisory services is recognised based on the stage of completion of assignments and terms of agreement with the client.

Selling commission/brokerage generated from primary market operations i.e. procuring subscriptions from investors for public offerings of companies, mutual funds, etc. is recorded on determination of the amount due to the Company, once the allotment of securities is completed.

Axis Trustee Services Limited

Annual fees for trusteeship services and servicing fees are recognised, on a straight line basis, over the period when services are performed. Initial acceptance fee for trusteeship services is recognised as and when the 'Offer Letter' for the services to be rendered is accepted by the customer.

Realised gains and losses on mutual funds are dealt with in the Profit and Loss Account. The cost of units in mutual funds sold is determined on a FIFO basis for the purpose of recording gains or losses on sale/redemption of such units.

Axis Asset Management Company Limited

Management fees are recognised on accrual basis. The fees charged are in accordance with the terms of scheme information documents of respective schemes and are in line with the provisions of SEBI (Mutual Funds) Regulations, 1996 as amended from time to time.

Management fees from Portfolio Management Services, Alternate Investment Fund and Investment advisory fees-offshore are recognized on an accrual basis as per the terms of the contract with the customers.

Axis Mutual Fund Trustee Limited

Trustee fee is recognised on accrual basis, at the specific amount approved by the Board of Directors of the Company, within the limits specified under the Deed of Trust, and is applied on the net assets of each scheme of Axis Mutual Fund.

Axis Finance Limited

Interest income is recognized on an accrual basis except in the case of interest income on non-performing assets where it is recognised upon realisation, as per the income recognition and asset classification norms prescribed by the RBI.

Income on discounted instruments is recognised over the tenure of the instrument on a straight-line method.

Front end fees on processing of loans are recognised upfront as income.

Axis Securities Limited

Business sourcing and resource management fees are recognised on accrual basis in accordance with the terms and contracts entered between the Company and counterparty.

Brokerage income on securities is recognised as per contracted rates at the execution of transactions on behalf of the customers on the trade date.

Gains/ losses on dealing in securities are recognised on a trade date basis.

Fees earned for the provision of services are recognised over time as the customer simultaneously receives and consumes the benefits, as the services are rendered. These include brokerage fees which is fixed at inception irrespective of number of transactions executed. The revenue for such contracts is recognised on consumption of benefits and the balance unutilized plan value is recognised on maturity/ validity of the plan. Lifetime subscription based revenue is recognised at a point in time and other subscriptions are recognised over period of time based on subscription period.

Selling commission/brokerage generated from primary market operations i.e. procuring subscriptions from investors for public offerings of companies, mutual funds etc. is recorded on determination of the amount due to the Company, once the allotment of securities is completed.

Depository fees are recognised on completion of the transaction.

Portfolio management fees are recognised on accrual basis based on fixed percentage of the corpus/fixed amount over the period of service.

A.Treds Ltd.

Onboarding fee is a one-time fee and is recognised at the time of onboarding of buyer, seller or financier. Transaction fee is recurring in nature and is recognised on time proportion basis over the tenure of transaction. Transaction fee received from sellers is recognised upfront on the date of transaction. The Company follows recognition of annual fees on time proportion basis over the tenure of one year.

Freecharge Payment Technologies Private Ltd.

Merchant Discount Rate (MDR) is recognised on the basis of successful pay-out to the respective merchants. In addition, through its own application, the Company offers its proprietary Bill Payments & Recharge service on other consumer applications managed by Partners. Revenues from the said service are recognised upon successful recharge / payment confirmation for the transactions executed.

Revenue from services i.e. sound box is recognized when the control in services is transferred as per the terms of the agreement with the merchant i.e. as and when services are rendered.

Revenue from ancillary activities like convenience fee, merchant monetization fees, issuance fees, system integration, paid coupon income, marketing fee etc. is recognised upon rendering of services.

Axis Pension Fund Management Company Ltd.

Investment management fees are recognised on an accrual basis net of Goods and Services Tax on the daily closing assets under management across respective schemes under pension funds.

Management fees from schemes defined by the PFRDA are recognized on an accrual basis as per the terms defined by PFRDA.

Interest income on debt investments is recognised on accrual basis. Amortisation of premium or accretion of discount on debt investments is recognised over the period of maturity/holding of the investment on a straight-line basis.

4.10 Scheme expenses

Axis Asset Management Company Ltd.

New fund offer expenses

Expenses relating to new fund offer of Axis Mutual Fund are charged to the Profit and Loss Account in the year in which they are incurred.

Commission

Commission paid on Alternate Investment Fund schemes is amortized over the minimum tenure of the scheme. The unamortized portion of the commission is carried forward as prepaid expense.

4.11 Bullion

The Bank deals in bullion on a consignment basis. The difference between the amount recovered from customers and cost of bullion is accounted for at the time of sale to the customers. The Bank also deals in bullion on a borrowing and lending basis and the interest paid/received is accounted for on an accrual basis.

4.12 Fixed assets and depreciation

Group

Fixed assets are carried at cost of acquisition less accumulated depreciation and impairment, if any. Cost includes initial handling and delivery charges, duties, taxes and incidental expenses related to the acquisition and installation of the asset. Subsequent expenditure incurred on assets put to use is capitalised only when it increases the future economic benefit / functioning capability from / of such assets.

Capital work-in-progress includes cost of fixed assets that are not ready for their intended use and also includes advances paid to acquire fixed assets.

Depreciation is provided over the estimated useful life of a fixed asset on a straight-line method from the date of addition. The Management believes that depreciation rates currently used, fairly reflect its estimate of the useful lives and residual values of fixed assets based on the historical experience of the Group, though these rates in certain cases are different from those prescribed under Schedule II of the Companies Act, 2013. Whenever there is a revision of the estimated useful life of an asset, the unamortised depreciable amount is charged over the revised remaining useful life of the said asset.

Asset	Estimated useful life	As per Companies Act, 2013
Leased Land	As per the term of the agreement	-
Owned premises	60 years	60 years
Furniture and Fittings including interior	9 years to 10 years	10 years
Office/Electrical equipment and installations	5 years to 10 years	5 years to 10 years
Application software	5 years	-
Vehicles	4 years	8 years
Computer hardware including printers	3 years	3 years
CCTV and video conferencing equipment	3 years	5 years

Assets costing less than ₹5,000 individually are fully depreciated in the year of purchase.

Depreciation on assets sold during the year is recognised on a pro-rata basis in the Profit and Loss Accounts till the date of sale.

Gains or losses arising from the retirement or disposal of fixed assets are determined as the difference between the net disposal proceeds and the carrying amount of assets and are recognised as income or expense in the Profit and Loss Account. Further, profit on sale of premises is appropriated to the Capital Reserve Account (net of taxes and transfer to Statutory Reserve) in accordance with RBI instructions.

4.13 Impairment of Fixed Assets

The carrying amounts of fixed assets are reviewed at each Balance Sheet date to ascertain if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

4.14 Non-banking assets

Axis Bank Ltd.

Non-banking assets ('NBAs') acquired in satisfaction of claims include land. In the case of land, the Bank creates provision and follows the accounting treatment as per specific RBI directions.

4.15 Lease Transactions

Group

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognised as an expense in the Profit and Loss Account on a straight-line basis over the lease term, unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase. Lease income from assets given on operating lease is recognized as income in the Profit and Loss Account on a straight line basis over the lease term.

4.16 Employee benefits

Short-term employee benefits

Short-term employee benefits comprise salaries and other compensations payable for services which the employee has rendered during the period. These are recognized at the undiscounted amount in the Profit and Loss Account.

Defined benefit plans

The Bank has defined benefit plans in the form of provident fund, gratuity and resettlement allowance. Provident and Gratuity are in the nature of funded defined benefit plans and resettlement allowance is in the nature of unfunded defined benefit plan.

● Provident Fund

Axis Bank Ltd.

Retirement benefit in the form of provident fund is a defined benefit plan wherein the contributions are charged to the Profit and Loss Account of the year when such contributions are due and when services are rendered by the employees. Further, an actuarial valuation is conducted by an independent actuary using the Projected Unit Credit Method as at 31 March each year to determine the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate declared by the Central Government and the shortfall if any due to fluctuations in price or impairment, in the aggregate asset values of the Trust as compared to the market value. Actuarial gains/losses are immediately recognized in the Profit and Loss Account and are not deferred.

The overseas branches of the Bank and its eligible employees contribute a certain percentage of their salary towards respective government schemes as per local regulatory guidelines.

Subsidiaries

Retirement benefit in the form of provident fund is a defined contribution scheme with the contribution payable to the provident fund scheme recognised as an expenditure, when an employee renders the related service. The contributions are accounted for on an accrual basis and charged to the Profit & Loss Account.

- **Gratuity**

Axis Bank Ltd.

The Bank contributes towards gratuity fund (defined benefit retirement plan) administered by various insurers for eligible employees. Under this scheme, the settlement obligation remains with the Bank, although the insurers administer the scheme and determine the contribution premium required to be paid by the Bank. The plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee's salary and the years of employment with the Bank. The liability with regard to the gratuity fund is recognized based on actuarial valuation conducted by an independent actuary using the Projected Unit Credit Method as at each reporting date based on certain assumptions regarding rate of interest, salary growth, mortality and staff attrition. Actuarial gains/losses are immediately recognized in the Profit and Loss Account and are not deferred.

In respect of employees at overseas branches (other than expatriates), the liability with regard to gratuity is provided on the basis of a prescribed method as per local laws, wherever applicable.

Subsidiaries

Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation using Projected Unit Credit Method as at each reporting date. Actuarial gains/losses are immediately recognized in the Profit and Loss Account and are not deferred.

- **Resettlement Allowance**

Axis Bank Ltd.

The Bank provides for resettlement allowance liability in the form of six months' pay at the time of separation, for certain eligible employees who moved to the Bank as part of the Citibank India Consumer Business acquisition. Provision for this liability is based on an actuarial valuation conducted by an independent actuary using the Projected Unit Credit Method as at 31 March each year based on certain assumptions regarding discount rate and salary escalation rate.

- **Compensated Absences**

Subsidiaries (Axis Capital Limited, Freecharge Payment Technologies Private Limited and Freecharge Business and Technology Services Limited)

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The expected cost of such absences is measured as the additional amount that is expected to be paid as a result of the unused entitlement that has accumulated at the reporting date.

Accumulated leave which is expected to be carried forward beyond twelve months is treated as long-term employee benefit for measurement purposes. Such compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately recognised in the Profit and Loss Account and are not deferred.

Defined Contribution plans

- **Superannuation**

Axis Bank Ltd.

Select employees of the Bank are entitled to receive retirement benefits under the Bank's superannuation scheme either under a cash-out option through salary or under a defined contribution plan. For the employees covered under the defined contribution plan the Bank contributes annually a sum equal to 10% of the employee's eligible annual basic salary to the Life Insurance Corporation of India (LIC), which undertakes to pay the lump sum and annuity benefit payments pursuant to the scheme. Such contributions are recognised in the Profit and Loss Account in the period in which they accrue.

- **National Pension Scheme ('NPS')**

Group

In respect of employees who opt for contribution to the NPS, the Group contributes a certain percentage of the total basic salary of such employees to the aforesaid scheme, a defined contribution plan, which is managed and administered by pension fund management companies. Such contributions are recognised in the Profit and Loss Account in the period in which they accrue.

4.17 Reward points

Axis Bank Ltd.

The Bank runs a loyalty program which seeks to recognize and reward customers based on their relationship with the Bank. Under the program, eligible customers are granted loyalty points redeemable in future, subject to certain conditions. In addition, the Bank continues to grant reward points in respect of certain credit cards (not covered under the loyalty program). The Bank estimates the provision for such loyalty/reward points using an actuarial method at the Balance Sheet date through an independent actuary, basis assumptions such as redemption rate, lapse rate, discount rate, value of reward points etc. Provision for the said reward points is then made based on the actuarial valuation report as furnished by the said independent actuary.

4.18 Taxation

Group

Income tax expense is the aggregate amount of current tax and deferred tax charge. Current year taxes are determined in accordance with the relevant provisions of the Income Tax Act, 1961 and considering the material principles set out in the Income Computation and Disclosure Standards to the extent applicable. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off assets against liabilities representing current tax and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The impact of changes in the deferred tax assets and liabilities is recognised in the Profit and Loss Account.

Deferred tax assets are recognised and reassessed at each reporting date, based upon the Management's judgement as to whether realisation is considered as reasonably certain. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax asset can be realised against future profits.

4.19 Share issue expenses

Group

Share issue expenses are adjusted from the Share Premium Account in terms of Section 52 of the Companies Act, 2013.

4.20 Corporate Social Responsibility

Group

Expenditure towards Corporate Social Responsibility is recognised in the Profit and Loss Account in accordance with the provisions of the Companies Act, 2013.

4.21 Earnings per share

Group

The Group reports basic and diluted earnings per share in accordance with AS-20, Earnings per Share, as notified under Section 133 of the Companies Act, 2013 read together with the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Rules, 2021. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the year end except where the results are anti-dilutive.

4.22 Employee stock option/unit scheme

Axis Bank Ltd.

The Employee Stock Option Scheme ('the Scheme') provides for grant of stock options on equity shares of the Bank to employees and Directors of the Bank and its subsidiaries. Under the Scheme, options are granted at an exercise price, which is equal to the fair market price of the underlying equity shares at the date of the grant. The fair market price is the latest available closing price, prior to the date of grant, on the stock exchange on which the shares of the Bank are listed. If the shares are listed on more than one stock exchange, then the stock exchange where there is highest trading volume on the said date is considered.

Further, the Employees Stock Unit Scheme ('the ESU Scheme') provides for grant of stock units convertible into equivalent number of fully paid-up equity share(s) of the Bank to eligible employees. The stock units are granted at an exercise price as determined by the Bank and specified at the time of grant which shall not be less than the face value of the equity shares of the Bank.

As per RBI guidelines, for options/units granted after 31 March, 2021, the Bank follows the fair value method and recognizes the fair value of such options/units computed using the Black-Scholes model without reducing estimated forfeitures, as compensation expense over the vesting period. On exercise of the stock options/units, the corresponding balance under Employee Stock Options/Units Outstanding account is transferred to the Share Premium account. In respect of the options/units which expire unexercised, the balance standing to the credit of Employee Stock Options/Units Outstanding account is transferred to the General Reserve. In respect of Employee Stock Options/Units which are granted to the employees of the subsidiaries, the Bank recovers the cost from the subsidiaries over the vesting period.

Axis Finance Limited

On September 11, 2025, Axis Finance Ltd. (the Company) introduced its own Employee Stock Option Plan (ESOP) under which options are granted to eligible employees. The Company estimates the fair value of underlying equity shares as on the grant date using the Black-Scholes Model and amortises the same as employee compensation cost over the vesting period on a straight-line basis, based on the number of options expected to vest, with a corresponding increase in equity. In the event of cancellation or lapse of unvested options, the previously recognized cost is reversed in the Profit and Loss Account.

4.23 Provisions, contingent liabilities and contingent assets

Group

In accordance with AS-29 "Provisions, Contingent Liabilities and Contingent Assets" provision is recognised when the Group has a present obligation as a result of past event where it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

A disclosure of contingent liability is made when there is:

- a possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Group; or
- a present obligation arising from a past event which is not recognised as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

Subsidiaries

Where doubtful debt remains unrecovered till the end of the year, the same is written off and reversed from the debtors account. Specific provisions are created in certain cases where recovery is assessed as doubtful even before the due date.

4.24 Accounting for dividend

Group

As per AS-4 'Contingencies and Events occurring after the Balance Sheet date' as notified by the Ministry of Corporate Affairs through the Companies (Accounting Standards) Rules, 2021, the Group does not account for proposed dividend as a liability through appropriation from the Profit and Loss Account. The same is recognised in the year of actual payout post approval of the shareholders. However, the Bank considers proposed dividend in determining capital funds in computing the capital adequacy ratio as on the reporting date.

4.25 Cash and cash equivalents

Group

Cash and cash equivalents include cash in hand, rupee digital currency, balances with RBI, balances with other banks and money at call and short notice.

4.26 Segment Reporting

Group

The disclosure relating to segment information is made in accordance with AS-17: 'Segment Reporting' and relevant guidelines issued by the RBI.

18 Notes forming part of the consolidated Financial Statements

For the year ended 31 March, 2026

1. Disclosures**1.1 'Provisions and contingencies' recognised in the Profit and Loss Account comprise of:**

	(₹ in crores)	
For the year ended	31 March, 2026	31 March, 2025
Provision for income tax ¹		
- Current tax	7,712.67	8,160.63
- Deferred tax [(Refer note 18 (1.11))]	(1,913.03)	449.79
	5,799.64	8,610.42
Provision for non-performing assets (including bad debts written off, net of write backs and recoveries in written off accounts) ²	9,758.70	7,817.29
Provision for restructured assets	1.83	(0.80)
Provision for Covid-19 restructuring & MSME restructuring	(195.12)	(143.48)
Provision towards standard assets ³	1,964.96	96.12
Provision for unhedged foreign currency exposures	161.44	(54.74)
Provision for country risk	25.49	10.57
Additional provision for delay in implementation of resolution plan	(18.18)	(38.44)
Provision for probable legal cases	28.96	527.55
Provision for other contingencies ⁴	1,889.01	(47.72)
Total	19,416.73	16,776.77

1. In the financial year 2022-23, the Bank acquired Citibank's India Consumer Business from Citibank N.A. (acting through its branch in India) ("CBNA") and the NBFC Consumer Business from Citicorp Finance (India) Limited ("CFIL") collectively referred to as Citi India Consumer Business on a going concern basis. In accordance with an independent valuer's report, intangibles (excluding goodwill) amounting to ₹8,714.25 crores were recognised in the Bank's financial statements. Despite retaining access to and business use of these assets, as a prudent measure aimed at protecting its capacity to pay dividends, the Bank opted to fully amortise these intangibles through the Profit and Loss account in FY 2022-23. Furthermore, the Bank elected not to create any deferred tax asset in FY 2022-23 on such intangibles, nor did the Bank consider the deductibility on the said intangibles while providing for current tax in the books until the regular tax assessment for the said financial year was completed. During the year ended 31 March 2026, following the conclusion of regular assessment proceedings by the income tax authorities, tax depreciation on these intangibles was allowed. As a result, the tax expense for FY26 is lower by ₹2,193.20 crores, which includes the reversal of excess tax provisions made in prior years amounting to ₹1,129.80 crores, reduction of current year's tax expense by ₹265.85 crores and recognition of a deferred tax asset of ₹797.55 crores
2. includes provision for non-performing advances of ₹13,282.50 crores (previous year ₹11,866.99 crores) and provision on non-performing investments of ₹65.86 crores (previous year provision of ₹222.51 crores), net of recoveries from written off accounts of ₹3,589.66 crores (previous year ₹3,827.19 crores)
3. During the year ended 31 March, 2026, following an RBI advisory, post its FY25 annual inspection, the Bank in Q2FY26 made an additional one-time standard asset provision of ₹1,231 crores for declassified PSL loans. The customer terms remain unchanged. This provision will be written back to the P&L upon all the declassified loans being made compliant, recovered or closed in the normal course, no later than March 31, 2028. No divergence in asset quality or NPA provisioning was identified in the said annual inspection
4. During the year, the Bank took the initiative to further strengthen its balance sheet by voluntarily enhancing its prudent provisioning framework for standard assets. In line with this framework, an additional one-time provision of ₹2,001 crores was made during the quarter. This measure is entirely prudent and does not indicate any concerns regarding asset quality or adverse credit developments in the Bank's loan or investment portfolio as of the reporting date

1.2 Capital instruments**a) Share Capital**

During the years ended 31 March, 2026 and 31 March, 2025, the Bank has not raised equity capital other than through allotment of equity shares upon exercise of options/units under its Employees Stock Option/Unit Scheme. During the year ended 31 March, 2026, pursuant to the exercise of options/units, the Bank has raised ₹680.88 crores, consisting of share capital of ₹2.16 crores and share premium of ₹678.72 crores (previous year ₹685.87 crores, consisting of share capital of ₹2.16 crores and share premium of ₹683.71 crores).

b) Other capital instruments

During the year ended 31 March, 2026, the Bank has not raised any non-equity Basel III compliant Tier-I/ Tier-II capital.

During the year ended 31 March, 2026, the Bank redeemed non-equity Basel III compliant Tier-II capital, the details of which are set out below:

Instrument	Capital	Date of maturity	Period	Coupon	Amount
Subordinated debt	Tier-II	30 September, 2025	120 months	8.50%	₹1,500.00 crores

During the year ended 31 March, 2025, the Bank has not raised any non-equity Basel III compliant Tier-I/ Tier-II capital.

During the year ended 31 March, 2025, the Bank redeemed non-equity Basel III compliant Tier-I/Tier-II capital, the details of which are set out below:

Instrument	Capital	Date of maturity	Period	Coupon	Amount
Subordinated debt	Tier - II	12 February, 2025	120 months	8.45%	₹850.00 crores

1.3 Divergence in asset classification and provisioning

In terms of RBI guidelines, banks are required to disclose the divergences in asset classification and provisioning consequent to RBI's annual supervisory process in their notes to accounts to the financial statements. The disclosure is required if either or both of the following conditions are satisfied: (a) the additional provisioning for NPAs assessed by RBI exceeds 5% of the reported profit before provisions and contingencies for the reference period and (b) the additional Gross NPAs identified by RBI exceed 5% of the published incremental Gross NPAs for the reference period.

Based on the above, no disclosure on divergence in asset classification and provisioning for NPAs is required with respect to RBI's annual supervisory process for the year ended 31 March, 2025 and 31 March, 2024.

1.4 Earnings Per Share ('EPS')

The details of EPS computation is set out below:

	31 March, 2026	31 March, 2025
Basic and Diluted earnings for the year (Net profit after tax) (₹ in crores)	26,384.85	28,055.11
Basic weighted average no. of shares (in crores)	310.28	309.26
Add: Equity shares for no consideration arising on grant of stock options/units under ESOP/ ESU scheme (in crores)	2.04	1.84
Diluted weighted average no. of shares (in crores)	312.32	311.10
Basic EPS (₹)	85.04	90.72
Less: Effect of potential equity shares for no consideration arising on grant of stock options/ units under ESOP/ESU scheme (₹)	(0.56)	(0.54)
Diluted EPS (₹)	84.48	90.18
Nominal value of shares (₹)	2.00	2.00

Dilution of equity is on account of 20,373,612 stock options/units (previous year 18,432,380 stock options/units)

1.5 Employee Stock Options/Units

Axis Bank Limited

Over the period till 31 March 2026, pursuant to the approval of the shareholders the Bank has framed Employee Stock Option Schemes for options aggregating 315,087,000 that vest in a graded manner over 3 to 4 years, subject to vesting conditions. The options can be exercised within five years from the date of the vesting. Further, pursuant to the approval of the shareholders in January 2023, the Bank also framed an Employee Stock Units (ESUs) Scheme aggregating to 50,000,000 units that vest in a graded manner over 3 years, subject to vesting conditions. The ESUs can be exercised within five years from the date of the vesting. Within the respective overall ceilings of options/units

the Bank is authorised to issue options/units to eligible employees and Whole Time Directors (including those of subsidiary companies and Associate entity).

331,417,818 options and 5,112,947 ESUs have been granted under the Schemes till the previous year ended 31 March, 2025. During the year ended 31 March, 2026, pursuant to the approval of the Nomination and Remuneration Committee, the Bank granted options/units (each option representing entitlement to one equity share of the Bank) to eligible employees/directors of the Bank/subsidiary companies as set out below:

Date of grant	Options/ESUs	No. of options granted	Grant price (₹ per option/unit)
25 April, 2025	Options	7,197,426	1,207.10
25 April, 2025	ESUs	2,213,962	2.00
16 July, 2025	Options	137,575	1,165.90
14 January, 2026	Options	103,916	1,262.00

Stock option activity under the Scheme for the year ended 31 March, 2026 is set out below:

	Options outstanding	Range of exercise prices (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	46,353,347	488.35 to 1,291.65	772.73	4.01
Granted during the year	7,438,917	1165.90 to 1,262.00	1,207.10	-
Forfeited during the year	(1,354,487)	488.35 to 1,207.10	1,017.76	-
Expired during the year	(98,943)	488.35 to 757.10	599.82	-
Exercised during the year	(9,956,984)	488.35 to 1,063.25	683.65	-
Outstanding at the end of the year	42,381,850	488.35 to 1,291.65	862.47	3.81
Exercisable at the end of the year	30,970,974	488.35 to 1,291.65	756.28	2.99

The weighted average share price in respect of options exercised during the year was ₹1,223.70.

Stock units activity under the Scheme for the year ended 31 March, 2026 is set out below:

	Units outstanding	Exercise price (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	4,267,217	2.00	2.00	5.75
Granted during the year	2,213,962	2.00	2.00	-
Forfeited during the year	(311,215)	2.00	2.00	-
Expired during the year	-	2.00	2.00	-
Exercised during the year	(846,588)	2.00	2.00	-
Outstanding at the end of the year	5,323,376	2.00	2.00	5.42
Exercisable at the end of the year	1,759,298	2.00	2.00	4.33

The weighted average share price in respect of units exercised during the year was ₹1,190.76.

Stock option activity under the Scheme for the year ended 31 March, 2025 is set out below:

	Options outstanding	Range of exercise prices (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	52,199,448	469.90 to 929.80	712.34	4.27
Granted during the year	7,105,507	1,063.25 to 1,291.65	1,066.02	-
Forfeited during the year	(2,455,328)	469.90 to 1,063.25	820.58	-
Expired during the year	(102,753)	469.90 to 757.10	654.80	-
Exercised during the year	(10,393,527)	469.90 to 848.80	659.82	-
Outstanding at the end of the year	46,353,347	488.35 to 1,291.65	772.73	4.01
Exercisable at the end of the year	34,860,694	488.35 to 1,063.25	707.90	3.32

The weighted average share price in respect of options exercised during the year was ₹1,143.23 .

Stock units activity under the Scheme for the year ended 31 March, 2025 is set out below:

	Units Outstanding	Exercise price (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	2,534,240	2.00	2.00	6.09
Granted during the year	2,408,870	2.00	2.00	-
Forfeited during the year	(270,729)	2.00	2.00	-
Expired during the year	-	-	-	-
Exercised during the year	(405,164)	2.00	2.00	-
Outstanding at the end of the year	4,267,217	2.00	2.00	5.75
Exercisable at the end of the year	1,057,224	2.00	2.00	4.63

The weighted average share price in respect of units exercised during the year was ₹1,146.05 .

Fair Value Methodology

In line with RBI clarification on Guidelines on Compensation of Whole Time Directors/Chief Executive Officers/ Material Risk Takers and Control Function Staff issued on 30 August, 2021, the Bank follows the fair value method for all share-linked instruments granted after 31 March, 2021 and consequently recognizes the fair value of options computed using the Black-Scholes model, without reducing estimated forfeitures, as a compensation expense over the vesting period. During the year, the Group recognised compensation cost of ₹443.58 crores (Previous year ₹430.53 crores) for options/units granted to employees of the Group.

The fair value of the options/units is estimated on the date of the grant using the Black-Scholes options pricing model, with the following assumptions:

	31 March, 2026		31 March, 2025	
	ESOP	ESU	ESOP	ESU
Dividend yield	0.09%-0.11%	0.11%	0.09%	0.09%
Expected life	2.95-5.95 years	1-3 years	2.95-5.95 years	1-3 years
Risk free interest rate	5.80% to 6.28%	5.87% to 5.96%	6.85% to 7.09%	6.95% to 7.06%
Volatility	21.61% to 28.38%	22.85% to 25.51%	24.00% to 29.15%	19.89% to 24.01%

Volatility is the measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. The measure of volatility used in the Black-Scholes options pricing model is the annualised standard deviation of the continuously compounded rates of return on the stock over a period of time. For calculating volatility, the daily volatility of the stock prices on the National Stock Exchange, over a period prior to the date of grant, corresponding with the expected life of the options has been considered.

The weighted average fair value of options granted during the year ended 31 March, 2026 is ₹369.69 (previous year ₹358.68).

The weighted average fair value of units granted during the year ended 31 March, 2026 is ₹1,202.67 (previous year ₹1,059.51).

Axis Finance Limited

The Board of Directors of Axis Finance Limited ('the Company') at its meeting held on 11 September 2025, approved an issue of stock options (ESOP 2025) upto a maximum of 1.94% of the then issued equity capital of the Company aggregating to 3,60,65,668 equity shares of the face value of ₹10 each in a manner provided in the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines 1999.

The options issued under the ESOP 2025 vest over a period of not less than 1 year and not later than 5 years from the date of grant with the vesting condition of continuous employment with the Company or the Group except in case of death or permanent incapacity of an Option Grantee where the minimum vesting period of 1 year from the date of grant shall not apply and settled by issue of shares at exercise price.

The Nomination and Remuneration Committee of the Company has approved the following grants to tenured employees in managerial and leadership positions upon achieving defined thresholds of performance and leadership behaviour in accordance with the ESOP 2025. Details of grants given up to the reporting date under the scheme are given as under:

Date of grant	No. of options granted	Grant price (₹ per option)
11 September, 2025	13,151,277	120.80

Stock option activity under the Scheme for the year ended 31 March, 2026 is set out below:

	Options outstanding	Range of exercise prices (₹)	Weighted average exercise price (₹)	Weighted average remaining contractual life (Years)
Outstanding at the beginning of the year	-	-	-	-
Granted during the year	13,151,277	120.80	120.80	3.50
Forfeited during the year	(216,336)	120.80	120.80	3.50
Expired during the year	-	-	-	-
Exercised during the year	-	-	-	-
Outstanding at the end of the year	12,934,941	120.80	120.80	3.50
Exercisable at the end of the year	-	-	-	-

Fair Value Methodology

The Company has used the fair value method to account for the compensation cost of stock options to employees. The fair value of options is estimated on the date of grant using the Black – Scholes Model with the following assumptions:

Risk free interest rate	Expected life	Expected volatility	Dividend yield
6.01% - 6.38%	3.5 – 6.5 years	31.39% - 39.57%	0.00%

Risk free interest rates over the expected term of the option are based on the government securities yield in effect at the time of the grant. The expected term of an option is estimated based on the average of minimum & maximum life of the options. Expected volatility during the estimated expected term of the option is based on historical volatility determined based on observed market prices of the Company's listed peers.

The weighted average fair value of options granted during the year ended 31 March, 2026 is ₹50.70 (previous year ₹Nil).

For the year ended 31 March 2026, the Company has accounted expense of ₹18.83 crores as employee benefit expenses on the aforesaid employee stock option plan (Previous year ₹Nil).

1.6 Proposed Dividend

The Board of Directors, in their meeting held on 25 April, 2026 have proposed a final dividend of ₹1 per equity share amounting to ₹310.82 crores. The proposal is subject to the approval of shareholders at the Annual General Meeting. In terms of revised Accounting Standard (AS) 4 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of Corporate Affairs through the Companies (Accounting Standards) Rules, 2021, such proposed dividend has not been recognised as a liability as on 31 March, 2026.

During the year, the Bank paid final dividend of ₹1 per equity share amounting ₹310.14 crores pertaining to the previous year ended 31 March, 2025.

1.7 Segmental reporting

The business of the Group is divided into four segments: Treasury, Retail Banking, Corporate/Wholesale Banking and Other Banking Business. These segments have been identified based on the RBI guidelines on Segment Reporting. The principal activities of these segments are as under:

Segment	Principal Activities
Treasury	Treasury operations include investments in sovereign and corporate debt, equity and mutual funds, trading operations, derivative trading and foreign exchange operations on the proprietary account and for customers. The Treasury segment also includes the central funding unit.
Retail Banking	Constitutes lending to individuals/small businesses through the branch network and other delivery channels subject to the orientation, nature of product, granularity of the exposure and the quantum thereof. Retail Banking activities also include liability products, card services, internet banking, mobile banking, ATM services, depository, financial advisory services and NRI services.
Digital Banking (Sub-segment of Retail Banking)	In accordance with RBI circular DOR.AUT.REC.12/22.01.001/2022-23 dated 7 April 2022 on Establishment of Digital Banking Units, the Bank has presented 'Digital Banking' as a sub-segment of the Retail Banking segment.
Corporate/Wholesale Banking	Includes corporate relationships not included under Retail Banking, corporate advisory services, placements and syndication, project appraisals, capital market related services and cash management services.
Other Banking Business	Includes para banking activities like third party product distribution and other banking transactions not covered under any of the above three segments.

Unallocated assets and liabilities - All items which are reckoned at an enterprise level are classified under this segment such as deferred tax, tax paid in advance net of provision, provision for other contingencies towards potential expected losses etc.

Business segments in respect of operations of the subsidiaries have been identified and reported taking into account the customer profile, the nature of product and services and the organisation structure.

Revenues of the Treasury segment primarily consist of fees and gains or losses from trading operations and interest income on the investment portfolio. The principal expenses of the segment consist of interest expense on funds borrowed from external sources and other internal segments, premises expenses, personnel costs, other direct overheads and allocated expenses.

Revenues of the Corporate/Wholesale Banking segment consist of interest and fees earned on loans given to customers falling under this segment and fees arising from transaction services and merchant banking activities such as syndication and debenture trusteeship. Revenues of the Retail Banking segment are derived from interest earned on loans classified under this segment, fees for banking and advisory services, ATM interchange fees and cards products. Expenses of the Corporate/Wholesale Banking and Retail Banking segments primarily comprise interest expense on deposits and funds borrowed from other internal segments, infrastructure and premises expenses for operating the branch network and other delivery channels, personnel costs, other direct overheads and allocated expenses.

Segment income includes earnings from external customers and from funds transferred to the other segments. Segment result includes revenue as reduced by interest expense and operating expenses and provisions, if any, for that segment. Segment-wise income and expenses include certain allocations. Inter segment interest income and interest expense represent the transfer price received from and paid to the Central Funding Unit (CFU) respectively. For this purpose, the funds transfer pricing mechanism presently followed by the Group, which is based on historical matched maturity and internal benchmarks, has been used by the Group and relied upon by the Statutory Auditors. Operating expenses other than those directly attributable to segments are allocated to the segments based on an activity-based costing methodology. All activities in the Group are segregated segment-wise and allocated to the respective segment.

Segmental results are set out below:

(₹ in crores)

	31 March, 2026							Total

Gratuity

Group

The following tables summarises the components of net benefit expenses recognised in the Profit and Loss Account and funded status and amounts recognised in the Balance Sheet for the Gratuity benefit plan.

Profit and Loss Account

Net employee benefit expenses (recognised in payments to and provisions for employees)

	31 March, 2026	31 March, 2025
Current Service Cost	159.57	119.82
Interest on Defined Benefit Obligation	85.24	66.83
Expected Return on Plan Assets	(67.15)	(52.69)
Net Actuarial Losses/(Gains) recognised in the year	(42.22)	16.39
Losses/(Gains) on Acquisition	-	-
Past Service Cost	352.90	-
Sub-total	488.34	150.35
Less: Utilisation from prudent provision made in earlier years towards probable impact on account of Code of Social Security, 2020	(295.66)	-
Total included in "Employee Benefit Expense" [Refer Schedule 16(1) and note below]	192.68	150.35
Actual Return on Plan Assets	65.41	66.57

On 21 November 2025, the Government of India consolidated 29 existing labour laws into a unified framework of four Labour Codes (including the Code on Social Security, 2020), collectively referred to as the 'New Labour Codes'. Since Q3FY21, based on an internal policy, the Bank has been consistently provisioning for gratuity liability, in anticipation of the implementation of the Code on Social Security, 2020. In Q3FY26, the Bank and its subsidiaries performed a preliminary assessment of the financial impact of the New Labour Codes based on the draft Central Rules and FAQs published by the Ministry of Labour and Employment, in line with the guidance from the Institute of Chartered Accountants of India and charged to its Profit and Loss Account an amount of ₹32.84 crores towards gratuity, primarily due to changes in the wage definition. The Group continues to monitor the finalization of Central and State rules relating to the New Labour Codes and will adjust its estimates and provisions in subsequent reporting periods, in accordance with applicable accounting standards.

Balance Sheet

Details of provision for gratuity

	31 March, 2026	31 March, 2025

Axis Pension Fund Management Limited

	31 March, 2026	31 March, 2025
Principal actuarial assumptions at the balance sheet date:		
Discount Rate	6.65%	6.70%
Expected rate of Return on Plan Assets	N.A.	N.A.
Salary Escalation Rate	8.00%	8.00%
Employee Turnover	14.00%	14.00%

The estimates of future salary increases considered in actuarial valuation take account of the inflation, seniority, promotion and other relevant factors.

The expected rate of return on plan assets is based on the average long-term rate of return expected on investments of the Fund during the estimated term of the obligations.

As the contribution expected to be paid to the plan during the annual period beginning after the balance sheet date is based on various internal/external factors, a best estimate of the contribution is not determinable.

The above information is as certified by the actuary and relied upon by the auditors.

Resettlement allowance

Profit and Loss account

During the year ended 31 March, 2026, the Bank wrote back a provision of ₹1.06 crores (previous year provisions of ₹0.21 crores) towards liability in respect of resettlement allowance based on actuarial valuation conducted by an independent actuary.

The above is based on the information available with the Group which has been relied upon by the auditors.

1.14 Provisions and contingencies**a) Movement in provision for frauds included under other liabilities is set out below:**

(₹ in crores)

	31 March, 2026	31 March, 2025
Opening balance at the beginning of the year	242.69	214.33
Additions during the year	54.42	56.88
Reductions on account of payments/reversals during the year	(5.41)	(28.52)
Closing balance at the end of the year	291.70	242.69

b) Other liabilities include provision for reward points made on actuarial basis, the movement of which is set out below:

(₹ in crores)

	31 March, 2026	31 March, 2025
Opening provision at the beginning of the year	1,178.45	997.08
Provision made during the year	1,312.62	1,024.16
Reductions during the year	(1,271.29)	(842.79)
Closing provision at the end of the year	1,219.78	1,178.45

c) Movement in provision for other contingencies is set out below:

	31 March, 2026	31 March, 2025
Opening provision at the beginning of the year	7,889.55	7,465.86
Addition during the year ^{1,2}	2,381.09	930.86
Reductions during the year	(532.89)	(507.17)
Closing provision at the end of the year^{3,4}	9,737.75	7,889.55

(₹ in crores)

- During the year, the Bank took the initiative to further strengthen its balance sheet by voluntarily enhancing its prudent provisioning framework for standard assets. In line with this framework, an additional one-time provision of ₹2,001 crores was made. This measure is entirely prudent and does not indicate any concerns regarding asset quality or adverse credit developments in the Bank's loan or investment portfolio as of the reporting date
- Includes movement on account of exchange rate fluctuation
- Closing provision includes provision for legal cases, additional provision for delay in implementation of resolution plan, provision on AIF investments, provision held under prudent provisioning framework for standard assets and provision for other contingencies
- Includes provision of ₹7,013 crores (previous year ₹5,012 crores) held under prudent provisioning framework for standard assets

1.15 Disclosure required as per Ministry of Corporate Affairs notification dated 24 March, 2021

During the year ended 31 March, 2026 and 31 March, 2025, other than the transactions undertaken in the normal course of banking business and in accordance with extant regulatory guidelines and Bank and its subsidiaries internal policies, as applicable:

- the Bank and its subsidiaries has not granted any advance/loans or investments or provided guarantee or security to any other person(s) or entities with an understanding, whether recorded in writing or otherwise, to further lend or invest on behalf of the Bank or provide guarantee or security or the like to any other person identified by the Bank.
- the Bank and its subsidiaries has not received any funds from any person(s) or entities with an understanding, whether recorded in writing or otherwise, that the Bank shall further lend or invest or provide guarantee or security or the like in any other person on behalf of and identified by such person(s)/entities.

1.16 Expenses exceeding 1% of the total income

Details of items under other expenditure (Schedule 16 – Operating Expenses) exceeding 1% of total income of the Group are given below:

For the year ended 31 March, 2026

Sr. No.	Nature of Expense	(₹ in crores)
1.	Commission paid to Direct Sales Agents (DSA)	3,037.99
2.	Charges paid for purchase of Priority Sector Lending Certificates	2,685.03
3.	Charges paid to Network partners	1,743.53
4.	Cashback charges	1,657.71

For the year ended 31 March, 2025

Sr. No.	Nature of Expense	(₹ in crores)
1.	Commission paid to Direct Sales Agents (DSA)	2,766.48
2.	Charges paid to Network partners	1,629.80
3.	Cashback charges	1,594.58
4.	Charges paid for purchase of Priority Sector Lending Certificates	1,589.06

1.18 Description of contingent liabilities

a) Claims against the Group not acknowledged as debts

These represent claims filed against the Group in the normal course of business relating to various legal cases currently in progress. These also include demands raised by tax authorities and other statutory authorities which are disputed by the Group. The Group holds provision of ₹935.74 crores as on 31 March, 2026 (previous year ₹904.76 crores) towards claims assessed as probable.

b) Liability for partly paid investments

This represents amounts remaining unpaid towards liability for partly paid investments.

c) Liability on account of forward exchange contracts

The Group enters into foreign exchange contracts, including non-deliverable forward (NDF) contracts on its own account and on OTC for customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. A non-deliverable forward contract is a currency derivatives contract to exchange cash flows between the contracted forward exchange rate and prevailing spot rates. The amount of contingent liability represents the notional principal of respective forward exchange contracts. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the inter-bank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.

d) Liability on account of derivative contracts

The Group enters into derivative contracts in the form of currency options/swaps, exchange traded currency options, Non-deliverable derivatives and interest rate/ currency futures on its own account and on OTC for customers. Currency swaps are commitments between two counterparties to exchange streams of interest payments and/or principal amounts in different currencies on specified dates over the duration of the swap at a pre-agreed exchange rate. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. Interest rate futures are standardised, exchange-traded contracts that represent a pledge to undertake a certain interest rate transaction at a specified price, on a specified future date. Forward rate agreements (FRA) are financial contracts between two counterparties, in which a buyer will pay or receive, on the settlement date, the difference between a pre-determined fixed rate (FRA rate) and a reference interest rate, applied on a notional principal amount, for a specified forward period. A foreign currency option is an agreement between two parties in which one grants to the other the right to buy or sell a specified amount of currency at a specific price within a specified time period or at a specified future time. An Exchange Traded Currency Option contract is a standardised foreign exchange derivative contract, which gives the buyer the right, but not the obligation, to exchange money denominated in one currency into another currency at a pre-agreed exchange rate on a specified date on the date of expiry. Non-deliverable derivative means an OTC foreign exchange derivative contract in which there is no delivery of the notional amount of the underlying currencies of the contract and which is cash settled. Currency Futures contract is a standardised, exchange-traded contract, to buy or sell a certain

underlying currency at a certain date in the future, at a specified price. The amount of contingent liability represents the notional principal of respective derivative contracts. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the inter-bank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.

e) Guarantees given on behalf of constituents

As a part of its banking activities, the Bank issues guarantees on behalf of its customers to enhance their credit standing. Guarantees represent irrevocable assurances that the Bank will make payments in the event of the customer failing to fulfil its financial or performance obligations. These are stated net of cash margin held with the Bank as on the reporting date in Schedule 12 – Contingent Liabilities of the Balance Sheet.

f) Acceptances, endorsements and other obligations

These include documentary credit issued by the Bank on behalf of its customers and bills drawn by the Bank's customers that are accepted or endorsed by the Bank. These are stated net of cash margin held with the Bank as on the reporting date in Schedule 12 – Contingent Liabilities of the Balance Sheet.

g) Other items for which the Group is contingently liable

Other items represent outstanding amount of bills rediscounted by the Bank, estimated amount of contracts remaining to be executed on capital account, notional principal on account of outstanding Tom/ Spot foreign exchange contracts, contracts for purchase of investments where settlement is due post balance sheet date, deed of indemnity issued to liquidator of overseas subsidiary, contingent liability relating to undertakings issued towards settlements under resolution plan in respect of non-performing assets, commitments towards underwriting and investment in equity through bids under Initial Public Offering (IPO) of corporates, commitment for investment in Associate entity and the amount transferred to Depositor Education and Awareness Fund (DEAF).

The Group has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Group has reviewed and recorded adequate provision as required under any law/accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements, where applicable.

2. Previous year figures have been regrouped and reclassified, where necessary to conform to current year's presentation.

Part “C”: Joint Ventures - Not applicable

Basel III Disclosures

As at 31 March, 2026

In accordance with RBI guidelines, banks are required to make Pillar 3 disclosures including leverage ratio and liquidity coverage ratio and Net Stable Funding Ratio (NSFR) under the Basel III framework. The Bank has made these disclosures which are available on its website at the following link:

<https://www.axis.bank.in/shareholders-corner/regulatory-disclosure>
