- a. RBI vide its guidelines (reference no. RBI/2021-2022/125 DOR.STR.REC.68/21.04.048/2021-22) on 'Prudential Norms on Income Recognition, Asset Classification and Provisioning, pertaining to Advances – Clarifications' dated 12-11-2021 has clarified and/or harmonized certain aspects of the extant Regulatory guidelines. The Borrower agrees, undertakes and confirms that the Bank has brought the following clarifications to the notice of the Borrower and the Borrower confirms of having been apprised of as follows:

1.1 Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA)

- i. **Dues:** shall mean the principal / interest / any charges levied on the loan account which are payable within the period stipulated as per the terms of sanction of the credit facility.
- ii. **Overdue:** shall mean the principal / interest / any charges levied on the loan account which are payable, but have not been paid within the period stipulated as per the terms of sanction of the credit facility. In other words, any amount due to the bank under any credit facility is 'overdue' if it is not paid by the due date fixed by the bank.
- iii. **Relevance of the principle of 'First In First Out' (FIFO) in appropriation of payments into the Borrower's account:** The principle of FIFO i.e. 'First In, First Out' accounting method is relevant to arrive at the number of days overdue for determining the SMA/NPA status. The FIFO principle assumes that the oldest outstanding dues in the loan account needs to be cleared first. The FIFO method thus requires that what is due first must be paid by the Borrower first. For example, if in any loan account as on 01-02-2021, there are no overdues and an amount of INR X is due for payment towards principal instalment / interest / charges, any payment being credited on or after 01-02-2021 in the loan account will be used to pay off the dues outstanding on 01-02-2021. Assuming that nothing is paid / or there is partial payment (INR Y) of dues during the month of February, the overdue as on 01-03-2021 will be INR X - INR Y. Additionally, an amount of INR Z becomes due as on 01-03-2021. Now any payment partial payment into the account on or after 01-03-2021 will be first utilized to pay off the partial due of 01-02-2021 (INR X - INR Y). If there is more recovery than the INR X - INR Y, then after recovering dues of 01-02-2021, the remaining amount will be treated as recovery towards due of 01-03-2021.
- iv. **Age of oldest dues:**
The age of oldest dues is reckoned in days from the date on which the oldest payment is due and continues to remain unpaid. In the aforesaid illustration, if the dues relating to 01-02-2021 remain unpaid till 01-03-2021, the age of the oldest dues is reckoned as 29 days on 02-03-2021.

(b) Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA)

Lending institutions will recognize the incipient stress in loan accounts, immediately on default, by classifying them as Special Mention Accounts (SMA). The basis of classification of SMA / NPA category shall be as follows:

Loans other than revolving facilities		Loans in the nature of cash credit / overdraft	
SMA Sub categories	Basis for classification – Principal or interest payment or any other amount wholly or partly overdue	SMA Sub categories	Basis for classification – Outstanding balance remains continuously in excess of the sanctioned limit or drawing power, whichever is lower, for a period of:
SMA 0	Up to 30 days	NA	NA
SMA 1	More than 30 days and Up to 60 days	SMA 1	More than 30 days and Up to 60 days
SMA 2	More than 60 days and Up to 90 days	SMA 2	More than 60 days and Up to 90 days

(c) Non-performing Asset:

Non-Performing Asset (NPA) is a loan or an advance where

- i. Interest and/or instalment of principal remains overdue for a period of more than 90 days in respect of a term loan,
- ii. The account remains 'out of order' as indicated below, in respect of an Overdraft / Cash Credit (OD/ CC),
- iii. The bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted,
- iv. The instalment of principal or interest thereon remains overdue for two crop seasons for short duration crops
- v. The instalment of principal or interest thereon remains overdue for one crop season for long duration crops
- vi. The amount of liquidity facility remains outstanding for more than 90 days, in respect of a securitisation transaction undertaken in terms of the Reserve Bank of India (Securitisation of Standard Assets) Directions, 2021.
- vii. in respect of derivative transactions, the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.

(d) 'Out of Order' Status:

An account shall be treated as 'out of order' if:

- i. the outstanding balance in the CC/OD account remains continuously in excess of the sanctioned limit/drawing power for 90 days, or
- ii. the outstanding balance in the CC/OD account is less than the sanctioned limit/drawing power but there are no credits continuously for 90 days, or the outstanding balance in the CC/OD account is less than the sanctioned limit/drawing power but credits are not enough to cover the interest debited during the previous 90 days period.
