### Key benefits

#### Maturity Benefit:

On Maturity of the Policy, you will receive the Fund Value including the Top-Up Premium Fund Value, if any. You will have an option to receive the Maturity Benefit as lump-sum or as a structured pay-out for a maximum of five years using Settlement Option.

#### Death Benefit

In the unfortunate event of Death of Life Assured during the Policy Term, if all due premiums are paid up to date and the policy is in-force, the death benefit will be as below

1) Higher of Prevailing Sum Assured# or Regular Premium Fund Value

Plus

2) Higher of Top-up sum assured or top-up premium fund value

The death benefit shall not be less than the Guaranteed Benefit\*\*

All the items mentioned above will be as on the date of intimation. The policy will terminate on the date of intimation of death of the life assured. If the rider Waiver of Premium (WOP) has been taken under the policy and the WOP benefit has already been triggered under the policy, then, on termination of policy, the present value of all future premiums, discounted at 4% p.a., shall also be payable.

Your nominee will have an option to receive the Death Benefit as a lumpsum or as a structured payout for a maximum of five years using the Settlement Option. If settlement option has been opted for at maturity, then, on death during the settlement period, The death benefit is Higher of Guaranteed Benefit\*\* or Regular Premium Fund Value plus Top-up Premium Fund Value; and the policy will terminate.

\*\*Guaranteed Benefit will be 105% of total premium received under the policy including Top Up premium received upto the date of death. | #Sum Assured: The sum assured (chosen by the policyholder) shall be reduced to the extent of any partial withdrawals made from the Regular Premium Fund Value during the two (2) year period immediately preceding the death of the life assured. Sum assured used for the determination of death benefit will be the prevailing sum assured after the latest revision of sum assured and/or premium, if any.

### Loyalty additions (LA):

We will contribute to your wealth creation in the form of allocating additional units to your policy from the end of the 10<sup>th</sup> policy year, every year till the end of the policy term.

The percentage of loyalty addition will depend upon the amount of premium you pay.

Premium	% of Regular Premium Fund Value
<Rs 1,00,000 L	0.50%
>=Rs 1,00,000 L	0.70%

The Loyalty Addition will be added into the Regular Premium Fund Value as a percentage of last 3 policy years average fund value.

- The amount of Loyalty Addition will be allocated in the funds in the same proportion of the fund values as at the date of addition. Unit Prices as on the date of Loyalty addition will be used for the unitization.
- No Loyalty Additions will be available on the discontinuance or paid-up or surrender of the policy.
- There will be no Loyalty Addition with respect to any Top-up premium paid or any Top-up Premium Fund Value.

### Maturity Booster

At the end of the Policy Term, we will add Maturity Booster as a percentage of the average Regular Premium Fund Value of last three (3) policy year (including the current year), to your Fund Value to reward you for staying invested.

The Maturity Booster will be offered to you on Maturity if you are an existing customer at the time of policy purchase and/or in case you opt for Auto pay facility to pay your renewal premiums.

The amount of Maturity Booster will depend on the Policy Term opted by you:

Category/ policy term	10 <sup>th</sup> year	15 <sup>th</sup> year	20 <sup>th</sup> year	25 <sup>th</sup> year	30 <sup>th</sup> year
<b>Auto pay</b>	0.25%	0.5%	0.5%	1%	1%
<b>Existing customer</b>	0.25%	0.5%	0.5%	1%	1%

- Maturity Booster will be added only if all the premiums are paid up to date of maturity.
- No Maturity Booster will be available on the discontinuance or paid-up of the policy.
- There will be no Maturity Booster with respect to any Top-up premium paid or any Top-up Premium Fund Value.
- The total amount of MB added into each fund available in the policy will be in the same proportion of the Regular Premium Fund Value as at the date of addition. Unit Price as on the date of addition will be used for the unitization.

### Return of mortality charges (ROMC)

At the end of the Policy term, on the date of Maturity of your Policy, the total amount of Mortality charges deducted in respect of life cover provided throughout the Policy term, will be added back as ROMC, to the Fund Value.

- ROMC will be allocated to the fund(s) in the same proportion of the Fund Value as at the date of addition. Unit Price as on the date of addition will be used for the unitisation.
- ROMC is not applicable in case of a Surrendered, Discontinued or Paid-up Policy, and will be payable provided all due Regular Premiums under the Policy have been paid up to date
- ROMC will be excluding any extra Mortality charge & or Goods & Service Tax/any other applicable tax levied on the Mortality charge deducted, subject to changes in tax laws
- There will not be any ROMC with respect to any Top-Up Premiums paid or Top-up Sum Assured.

### Family Benefit

If any of your family member is an existing policyholder of Bajaj Life Insurance Limited, you will be entitled to a family benefit.

The benefit will be paid to you on maturity and will be added into the regular premium fund value as a percentage of the average of your previous three years daily regular premium fund value

The percentage of family benefit will depend upon the policy term opted by you:

Policy Term	%age family benefit
<20 years	0.5%
>=20 years	1%

- The amount of Family Benefit will be allocated in the funds in the same proportion of the fund values as at the date of addition. Unit Prices as on the date of Family Benefit addition will be used for the unitization.
- No Family Benefit will be available on the discontinuance or paid-up of the policy.
- There will not be any family benefit for Top-up premiums paid.

Family member shall be defined as spouse, children, brothers, sisters, grandchildren, parents, parents in-laws; and will be available to family members of existing customers including who have matured policies

### Other benefits in detail

#### Partial withdrawal

You will have an option to partially withdraw funds from your savings any time after completion of 5 policy years. There will not be any charge that will be deducted on the partial withdrawal done.

**Note:**

- For the purpose of partial withdrawal, each payment of Top- Up premium shall have a lock-in period of five (5) years from the date of payment of each Top-up premium.
- Eligible Top Up premium units would be encashed first from the Top Up Premium Fund Value on First in First out (FIFO) basis before allowing partial withdrawals from the Regular Premium Fund Value
- The regular premium fund value should not fall below two (2) times of the annualized premium, across all funds, after a partial withdrawal.
- The minimum amount of withdrawal at any one time is Rs.5,000/-.
- The maximum amount of partial withdrawal at any one time is 50% of the Regular Premium Fund Value as on the withdrawal request date.
- The company shall affect the partial withdrawal by redeeming units from the fund(s) at their respective unit price/NAV.
- A partial withdrawal shall not be allowed if it will result in foreclosure of the policy.
- In case of minor life, partial withdrawal is allowed after attaining age 18 years.
- In the Investor Selectable Portfolio Strategy, you will have the option to choose the fund you want to do partial withdrawals from. In the Target asset allocation strategy and automatic transfer portfolio strategy, withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal. You will not have any choice to opt the fund from which the partial withdrawal of units is to be done.

## Magnum Fortune Plus III

A Unit-linked Non-Participating Individual Life Savings Insurance Plan

- The Company reserves the right at any time and from time to time to vary the conditions, by giving written notice of three months in advance, subject to prior approval from IRDAI.

### Systematic Partial Withdrawal (SPW)

- You will have the option to choose SPW at inception or any time during the policy term, provided policy term is 10 years or more.
- You can opt to receive SPW on any specified date of your choice
- You will have an option to take these systematic partial withdrawals in yearly, half yearly, quarterly or monthly frequencies.
- Partial withdrawal conditions with respect to age criteria or minimum and maximum withdrawal amount etc. will be applicable for SPW as well
- Systematic Partial withdrawals will also be allowed any-time after the end of 5 years, as per the partial withdrawal conditions

### Decrease in Sum Assured

You can choose to reduce the Sum assured at any policy anniversary during the Policy Term as per your risk needs provided all due premiums till date have been paid and the policy is not in Discontinued mode.

- The Sum Assured can be reduced to the minimum Sum Assured available in the product at that current age
- Once the Sum Assured has been reduced, it cannot be increased, even to the extent of the previous sum assured
- Decrease in Sum Assured will not change the premium payable under the policy.
- Once reduced, the death benefit payable will be based on the revised Sum Assured under the Policy. This will be referred to as the Prevailing Sum assured
- The Mortality Charge will be based on the Prevailing Sum Assured from the next Monthly Due Date
- Miscellaneous charges, as mentioned in the charge section, will be applicable.

### Top up Premiums

- You will have the option to pay Top-Up premiums at any time, except during the last five (5) policy years, over and above the limited premiums payable, provided all due limited premiums have been paid.
- The minimum amount of Top- Up premium is 5,000, always subject to the company's right to alter the minimum payable from time to time subject to approval from IRDAI.
- The Top Up premium will be treated as single premium
- Top-up premiums once paid cannot be withdrawn from the fund for a period of 5 years from the date of payment of the top up premium, except in case of complete surrender of the policy.
- Once death claim has been triggered, no Top-up premium would be allowed in the policy after the intimation of death.
- The Company reserves the right to disallow a Top-Up premium based on the prevailing board approved underwriting policy.

### Option to change the premium payment term

- You have an option to change the premium payment term
- The option to change the PPT will be available at any time.
- The option can be exercised only after the payment of first 5 policy years full premium and provided all due premiums have been paid till date. The option must be exercised before the expiry of the prevailing premium payment term.
- The change in PPT is subject to the premium payment term and policy term combination being available under the plan.
- The change will be subject to the prevailing Board Approved Underwriting Policy (BAUP).

### Increase in Policy Term

You will have an option to increase the Policy Term anytime during the tenure of the Policy

- Increase in Policy Term can be done maximum to 1 month before the end of the Policy Term currently running.
- An increase in policy term allowed is based on the prevailing Board Approved Underwriting Policy (BAUP).
- Increase in policy term is subject to the chosen policy term being available under the product.

### Option to reduce premium

You will have an option to reduce the prevailing premium under the policy after the completion of first five (5) policy term.

- The reduction can be up to a maximum percentage of 50% of the premium at the inception of the policy, subject to the minimum premium allowed under the product
- Once reduced, the same cannot be increased, even to extent of the premium chosen at inception of the policy.
- On receipt of the reduced premium, the Prevailing Sum Assured under the policy will be correspondingly reduced.
- Miscellaneous charges, as mentioned in the charge section, will be applicable.

### Alteration of premium payment frequency

The premium payment frequency may be changed at any time as long as the existing & requested premium frequencies can be aligned and subject to minimum premium. Miscellaneous charges, as mentioned in the charge section, will be applicable.

### Settlement option

- The Settlement Option is available both for Maturity Benefit and Death Benefit
- In case you opt for Settlement, the benefit amount will be paid in instalments. The instalment frequency can be Yearly, Half Yearly, Quarterly, or Monthly spread over a period of 5 years
- If the nominee chooses the Settlement Option, in case of death, the Death Benefit will be unitised into Fund(s) in same proportion as it was on the date of intimation of death. In case of maturity, the policy monies continue to be invested in the same funds as at the date of maturity, with the option of switching between funds as available
- The first instalment will be due on the Maturity date or the date of intimation of death, as the case may be
- The amount paid out in each instalment will be the outstanding Fund Value as at that instalment date divided by the number of outstanding instalments, hiked- up by 0.5%. Therefore, each instalment is equal to  $[\text{Fund Value} / \text{No. of Outstanding Instalment}] * 1.005$
- Instalment payments will be made by redeeming units from the funds at the unit price applicable on the instalment date.
- Risk cover during the settlement period:
  - In case of Death Benefit, no risk cover will be available during the period of the settlement option
  - In the case of Maturity Benefit, the risk cover will be available, and the Death Benefit will be the higher of 105% of premium paid or outstanding regular premium fund value plus top up premium fund value, if any. In case of death during the settlement period, the death benefit as on the date of intimation of death will be paid as a lumpsum to the nominee and the policy will terminate
  - In both maturity and death, rider covers will not be available
- No partial withdrawal (non-systematic and systematic) is allowed during the subsistence of the period of the settlement option.
- Fund switches are allowed during the subsistence of the period of the settlement option
- Fund management charge would be adjusted in unit price and mortality charge shall be deducted through the redemption of units from the funds during the period of the settlement option
- Alternatively, the policyholder/nominee will have an option to withdraw the Regular Premium Fund Value and any Top Up Premium Fund Value completely, anytime during the period of settlement option. The fund value will be calculated as the total number of outstanding units in the policy multiplied by the unit price as on date of complete withdrawal
- The investment risk in the investment portfolio during the settlement period shall be borne by the Policyholder

### How does the plan work

Mr. Patil aged 35 years plan to save for his child higher education which is expected in the next 15 years. He decides to pay the premium of 2.5L for a period of 10 years with policy term of 15 years. The total premium that will be paid by Mr. Patil throughout the policy term will be ₹25,00,000.

## Magnum Fortune Plus III

A Unit-linked Non-Participating Individual Life Savings Insurance Plan

- You have an option to choose one or more of the above mentioned funds in this strategy
- You will have an option to switch units from one fund to another, by giving written notice to the Company
- You can switch out of this Portfolio Strategy at any Policy Anniversary by giving a written notice to the Company 30 days in advance
- After taking prior approval from IRDAI, the Company may carry out addition, closure, or merger of the Funds available under this Policy. "Liquid Fund" will be the default fund in case of closure or modification of any fund in future

### Target Asset Allocation Strategy

This strategy enables you to choose an Asset Allocation that is best suited to your risk appetite and maintain it throughout the policy term.

- You can allocate the premium between any two funds available with this policy, in the proportion of your choice. The portfolio will be rebalanced every quarter to ensure that this asset allocation is maintained
- The re- balancing of units shall be done on the last day of each policy quarter. If the last day of the quarter is a non- working day, then the next working day's NAV will be applicable
- You can avail this option at inception or at any subsequent policy anniversary by giving a written notice to the company 30 days in advance during the Policy Term
- You can switch out of this Portfolio Strategy at any Policy Anniversary by giving a written notice to the Company 30 days in advance
- In case of Partial withdrawal, the withdrawal of units from each fund will be done in the same proportion as the value of the Units held in that Fund as on date of withdrawal. You will not have any choice to opt the fund from which the partial withdrawal of units is to be done

### Automatic Transfer Portfolio Strategy

This strategy helps you to save your money in a systematic way by automatically switching it every month from low-risk fund(sto high risk/ moderate risk fund of your choice.

Under this portfolio strategy, you have to choose the following:

- The low risk fund (i.e. Bond Fund or Liquid Fund)
- The fund(s) to which the money will be transferred every month
- Under this Portfolio Strategy, premium and Top Up Premiums if any, (after any premium allocation charge) will be allocated in the Bond Fund and/or Liquid Fund, as decided by the policyholder
- You can opt for this portfolio strategy at the commencement of the policy or can switch to this strategy at any subsequent policy anniversary by giving a written notice to the company 30 days in advance
- At the start of each month of the policy, a proportion (as mentioned below) of fund value in the bond fund and/or liquid fund as on that date will be switched to the other fund/s (available in the product) as specified by you
- The proportion to be switched will depend upon the no. of outstanding months till the next premium due date. The proportion would be mentioned as below:

Outstanding no. of Months till the next premium due date	11	10	9	8	7	6	5	4	3	2	1
Proportion of Fund Value	1/11	1/10	1/9	1/8	1/7	1/6	1/5		1/3	1/2	1

- This strategy will not be available in case the premium are being paid on monthly basis.
- The Policyholder can switch out of this Portfolio Strategy at any Policy Anniversary by giving a written notice to the Company 30 days in advance.

### Change of Portfolio Strategy

- You may, at any policy anniversary, change from one portfolio strategy to any other another available strategy by giving a 30-day prior written notice
- On switching into the Investor Selectable Portfolio Strategy, the existing funds and the new Regular Premiums and Top-up Premiums paid will be allocated into the Funds of your choice
- On the policyholder switching into the Target Asset Allocation Strategy, the existing funds and the new Regular Premiums and Top-up Premiums paid will be allocated as mentioned in the relevant section above
- On the policyholder switching into the Automatic Transfer Portfolio Strategy, the existing funds and the new Regular Premiums and Top-up Premiums paid will be allocated as as mentioned in the relevant section above
- Miscellaneous charge, as mentioned in section below, will be applicable

### Switching of Funds

If you have opted for Investor Selectable Portfolio Strategy, you can opt to switch from the existing fund to any other available fund of your choice

- You can switch units from one fund to another, by giving written notice to the company provided the funds are not in the discontinuance fund
- The minimum switching amount is ₹5,000 or the value of units held by you in the fund to be switched from, whichever is lower
- The company shall affect the switch by redeeming units from the fund to be switched from and allocating new units in the fund being switched to at their respective unit price
- You can exercise unlimited free switches

### Premium Apportionment

If you have opted for Investor selectable Portfolio Strategy,

- You have a choice to apportion the allocated premium into various funds offered. You can specify the proportion of the limited and top up premium between the various funds you want to invest in.
- You may, at any time, change the proportion of limited and top up premium to the funds you wish to invest.
- The premium proportion to any fund in which you wish to invest must be at least 5% of the premium. The company will reserve the right to revise the minimum apportionment percentages upon giving written notice of not less than three months subject to obtaining clearance from the IRDAI.
- Miscellaneous charge, as mentioned in the charge section, will be applicable if the premium apportionment is altered.

## Charges under the policy

## Premium Allocation Charges

A certain percentage of each limited premium will be allocated to purchase units at the prevailing unit price and the balance shall be taken as Premium Allocation Charge.

The below charges are expressed as a percentage of premium.

## For Yearly Mode:

Premium Band Name	Annualized Premium	Policy Year					
		1	2	3	4	5	6 to PPT
Prime	Premium < 1Lakh	4%	4%	4%	4%	4%	0.0%
Prestige	1Lakh <= Premium < 2.4Lakh	3%	3%	3%	3%	3%	0.0%
Priority	Premium >= 2.4Lakh	2%	2%	2%	Nil	Nil	0.0%

## For Half Yearly / Quarterly / Monthly Mode:

Premium Band Name	Annualized Premium	Policy Year					
		1	2	3	4	5	6 to PPT
Prime	Premium < 1Lakh	4%	4%	4%	4%	4%	0.0%
Prestige	1Lakh <= Premium < 2.4Lakh	3%	3%	3%	3%	3%	0.0%
Priority	Premium >= 2.4Lakh	2%	2%	2%	2%	2%	0.0%

All Top ups have a Premium Allocation Charge of 2%.

The above charges are applicable for all premium modes and are in annualised basis.

Example: If a customer pays a quarterly premium of ₹30,000, the annualized premium will be ₹1,20,000, which comes in the Annualized premium slab of 1-2.4 lacs. Hence, the applicable premium allocation charge will be 3% for the first five policy year.

## Policy Administration Charges

The charge is applicable throughout the Policy Term and will be deducted at each monthly anniversary by cancellation of units at prevailing unit price.

2.1% of the prevailing annualized premium or ₹ 500 per month, whichever is lower

### Fund Management Charges

### Miscellaneous charges

The miscellaneous charge would be charged at the rate of ₹100/- per transaction.

### Non forfeiture benefits

#### Surrender

You can surrender the policy anytime during the term of the policy.

In case of surrender of policy during the first 5 policy year (lock in period), the Fund Value less the applicable discontinuance/surrender charge as on the date of surrender, will be transferred to the Discontinued Life Policy Fund, and all risk cover will be terminated immediately. The discontinuance/surrender charge will be applicable only to the Fund Value.

Post surrender of policy during the lock in period the option to revive the policy will not be available to such a surrendered policy. The discontinuance value as at the end of the lock-in period will be available as surrender value.

In case of surrender of policy post the lock in period, the surrender value available will be the Fund value as on the date of surrender.

The policy shall thereafter terminate upon payment of full surrender value by the company.

### Premium discontinuance & policy revival

- a) On Discontinuance of regular premiums due during the first five (5) policy years, the policy will be converted to a discontinued life policy (without any risk cover, Guaranteed Benefit, Loyalty Addition) at the end of the grace period, and the regular premium fund value less the discontinuance/surrender charge along with top up premium fund value, if any, will be transferred to the discontinued life policy fund.
  - i) A notice will be sent by the company to the policyholder within three (3) months from the date of first unpaid premium, informing the policyholder of the status of the policy and requesting to revive the policy or, in writing, agree to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums, subject to revival conditions.
  - ii) If the policyholder has opted to revive the policy but has not revived the policy within the revival period, the discontinuance value shall be payable as the surrender benefit at the end of lock-in period of five (5) policy years or at the end of the revival period, whichever is later.
  - iii) If no communication is received from the policyholder with respect to the revival of the policy, the discontinuance value shall be payable as the surrender benefit at the end of lock-in period of five (5) policy years.
  - iv) At any time the policyholder has the option to completely withdraw from the policy without any risk cover, Guaranteed Benefit, Loyalty Addition and receive the discontinuance value (as surrender benefit) at the end of the lock-in period of five (5) policy years or the date of surrender, whichever is later.
- b) On Discontinuance of regular premiums due after the lock-in period of five (5) policy years, the policy will be, immediately & automatically, converted to a paid-up policy at the end of the grace period, with risk cover under the base policy to the extent of the paid-up sum assured and Guaranteed Benefit without any rider cover, Loyalty addition or Fund Booster. The paid-up sum assured will be the sum assured in

the policy multiplied by the proportion of the number of Regular Premiums paid to the number of Regular Premiums payable in the policy. All charges as per the terms & conditions of the policy will be deducted.

- i) A notice will be sent by the company to the policyholder within three (3) months from the date of first unpaid premium, informing the policyholder of the status of the policy and requesting him to exercise one of the options mentioned below.
    - (1) Option A: Revive the policy or, in writing, agree to revive the policy within the revival period of three (3) years from the date of first unpaid premium, by paying all due regular premiums and subject to revival conditions below, OR
    - (2) Option B: Intimate the company to completely withdraw from the policy without any risk cover or any additional rider cover, and receive the surrender benefit under the policy as on the date of receipt of such intimation.
  - ii) If the policyholder has chosen the Option A above but does not revive the policy during the revival period, or the company does not receive any intimation in writing from the policyholder, the policy shall be treated as an a paid-up policy, as mentioned in section b) above. At the end of the revival period, if the policy has not been revived, the surrender benefit under the policy as at the end of the revival period will be payable to the policyholder, immediately & automatically.
  - iii) If the policyholder does not exercise any option [as mentioned in sub-section i) above], the policy shall continue as a paid-up policy, as mentioned in section b) above. At the end of the revival period, if the policy has not been revived, the surrender value under the policy as at the end of the revival period will be payable to the policyholder, immediately & automatically.
  - iv) If the policyholder decides to surrender the policy as per Option B above, the surrender benefit under the policy as on the date of receipt of such intimation, will be payable to the policyholder.
- c) Notwithstanding anything mentioned above, on the death of the life assured,
- i) If the policy is discontinued as per sub-section a) above, the discontinuance value as on the date of receipt of intimation at the Company's office, shall be payable as death benefit, and, then, the Policy will terminate.
  - ii) If the policy is discontinued as per sub-section b) i)(1) above, the higher of the [paid up sum assured or regular premium fund value] plus higher of the [top-up sum assured or top-up premium fund value], if any, subject to a minimum of the Guaranteed Death Benefit, all, as on the date of receipt of intimation, shall be payable as death benefit, and, then, the Policy will terminate.

### Terms & Conditions

#### Grace Period

A grace period of 30 days for yearly, half yearly & quarterly Premium payment frequency and 15 days is available for monthly Premium payment frequency from the due date of Premium payment, without any penalty or late fee, during which time the Policy is considered to be in-force with the risk cover without any interruption as per the Policy Terms and conditions

#### Free Look Period

- You will be provided a free look period of 30 days beginning from the date of receipt of policy document, whether received electronically or otherwise, to review the terms and conditions of such policy except for those policies with tenure of less than a year
- In the event you disagree to any of the policy terms or conditions, or otherwise and has not made any claim, you shall have the option to return the policy to the insurer for cancellation, stating the reasons for the same
- Irrespective of the reasons mentioned, you will be entitled to a refund of the premium paid subject only to a deduction of a proportionate risk premium for the period of cover and the expenses, if any, incurred by the insurer on medical examination of the proposer and stamp duty charges
- In addition to the deductions mentioned above, the company shall also be entitled to repurchase the units at the price of the units on the date of cancellation
- The request for cancellation of the policy during free look period shall be processed and premium shall be refunded within 7 days of receipt of such request

### Suicide Clause

In case of death due to suicide within 12 months from the date of commencement of the policy or from the date of revival of the policy, whichever the later, the nominee or beneficiary of the policyholder shall be entitled to Fund Value, as available on the date of intimation of death. Any charges other than FMC or guarantee charge recovered subsequent to the date of death shall be added to the Fund Value as at the date of intimation of death.

In case of death, there is no other exclusion other than the suicide clause

### Foreclosure

- If the Fund Value after three (3) years is lower than one (1) annualized premium, the policy shall be foreclosed and any discontinuance value/ surrender value shall be paid to you
- If the rider Waiver of Premium (WOP) has been taken under the policy and the WOP benefit has already been triggered under the policy, then, the above-mentioned surrender benefit will be increased by the present value of future premiums due, discounted at 4% p.a
- The implementation of this will ensure that some benefit is made available to the policyholder, which is fair to the policyholder.
- Before foreclosure of the policy, the policyholder will be given the option to pay any premiums due under the policy or to pay top-up premium, as applicable

### Termination

- All risk covers including any additional rider covers under the Policy will terminate immediately, and the Policy will terminate on payment of the last instalment ( If the Policyholder has opted for the Settlement Option). This Policy shall automatically and immediately terminate on the earlier occurrence of any of the following events:
  - On free look cancellation of the Policy
  - On the foreclosure of the Policy, as mentioned above
  - On the date of receipt of intimation of death of the Life Assured (unless the Policyholder has opted for the Settlement Option).
  - On payment of Discontinuance Value or Surrender Benefit.
  - The Maturity Date, unless you have opted for the Settlement Option.
  - The expiry of the period of Settlement Option, if opted.
  - On date of receipt of intimation of the suicide of Life Assured

### Definition

- a) **Annualized Premium** means the amount of Regular Premium payable by the Policyholder in a Policy Year, excluding the taxes, rider premiums, and underwriting extra premium on riders if any.
- b) **Fund Value** means sum total of the Regular Premium Fund Value and the Top-Up Premium Fund Value, if any.
- c) **Regular Premium Fund Value (RPFV)** is equal to the total Units in respect of Regular Premiums received under this Policy multiplied by the respective Unit Price/NAV on the relevant Valuation Date
- d) **Sum Assured** is the amount as specified in the Schedule or such amounts as set out in a subsequent Endorsement issued by the Company upon the Policyholder choosing any option available under the Policy. The Sum Assured prevailing on the date of death is known as Prevailing Sum Assured and will be used to determine the Death Benefit under the Policy.
- e) **Total Premiums Paid** means the sum of all Regular Premiums and Top-up Premiums, if any, received till date, excluding any rider premium, any extra premium on rider, any modal loading in the rider premium and taxes.
- f) **Top-Up Premium Fund Value** is equal to the total Units in respect of Top-Up Premiums, if any, received under this Policy multiplied by the respective Unit Price/NAV on the relevant Valuation Date.
- g) **Discontinued Life Policy Fund** means a segregated Fund, constituted by the Fund Value of all the Discontinued Life Policies, and is maintained by the Company, if any, in accordance with the "IRDAI (Insurance Products)

Regulations, 2024" and any subsequent modification made therein by the IRDAI.

**Discontinued Life Policy Fund: Risk Profile - Low SFIN - ULIF07026/03/13DISCONLIFE116**

On the date of discontinuance/surrender of the Policy before the lock-in period of 5 Policy Years, the Fund Value less the Discontinuance/ Surrender charge as on the date of discontinuance/ surrender of the Policy shall be moved to the Discontinued Life Policy Fund. The portfolio allocation of the fund is as given below.

**Portfolio Allocation:**

<b>Money market instruments</b>	0% to 40%
<b>Government securities</b>	60% - 100%

**h) Discontinuance Value**

1. The Discontinuance Value of the Policy will be higher of:
  - a) The Fund Value less the discontinuance/surrender, as on date of discontinuance/ surrender accumulated at the rate of return earned on the Discontinued Life Policy Fund net of fund management charge.
  - b) The Fund Value less the Discontinuance/Surrender charge, as on date of discontinuance/surrender accumulated at the guaranteed rates of investment return net of fund management charge. The current guaranteed rate of investment return is 4% p.a.
2. The current cap on Fund Management Charge on the Discontinued Life Policy Fund is 0.50% per annum, as per the "IRDAI (Insurance Products) Regulations, 2024".
3. The Fund Management Charge and the minimum guaranteed rate of investment return as mentioned above, for the calculation of the Discontinuance Value may change from time to time as per the IRDAI guidelines.

**i) Valuation Date** is the date when the Unit Price of the Fund is determined. We aim to value the funds on each day the financial markets are open. However, we may value the funds less frequently in extreme circumstances, where the values of assets are too uncertain. In such circumstances, we may defer the valuation of assets for up to 30 days until we feel that certainty as to the value of assets is resumed. The deferment of valuation of assets will be with prior consultation with the IRDAI.

**j) Existing Customer:** Policyholders who have previous policy/ies with the Company (prior to taking this policy)

### Auto Vesting

If the policy has been taken on the life of a minor, on attaining the age of majority i.e. 18 years, the policy will vest on him/her. Thereafter, the Life Assured shall become the policyholder who will then be entitled to all the benefits and subject to all liabilities as per the terms and conditions of the policy.

### Tax benefits

It may be available as per the prevailing income tax laws.

Goods and service tax and cesses, if any will be charged extra by redemption of units, as per the applicable rate. Tax laws are subject to amendments from time to time.

### Loan

No loan facility is available under the plan.

### Force Majeure

- i) As per IRDAI (Insurance Product) Regulation 2024, Schedule I, Clause 2, Section A, Sub-Section v, the company will declare a 'Single' Unit Price or Net Asset Value (NAV) for each segregated Fund on a day-to-day basis.
- ii) The company specifies that, in the event of certain force majeure conditions, the declaration of Unit Price or NAV on a day-to-day basis may be deferred and could include other actions as a part of investment strategy (e.g. taking exposure of any Segregated Fund (SFIN<sup>###</sup>) upto 100% in Money Market Instruments [as defined under Regulations 1(8) of the IRDAI (Actuarial, Finance and Investment) Regulations, 2024])
- iii) The Company shall value the Funds (SFIN<sup>###</sup>) on each day for which the financial markets are open. However, the Company may value the SFIN<sup>###</sup> less frequently in extreme circumstances external to the Company i.e. in force majeure events, where the value of the assets is too uncertain. In such circumstances, the Company may defer the valuation of assets for up to 30 days until the Company is certain that the valuation of SFIN<sup>###</sup> can be resumed.
- iv) The Company shall inform IRDAI of such deferment in the valuation of assets. During the continuance of the force majeure events, all request for servicing the policy including policy related payment shall be kept in abeyance.
- v) The Company shall continue to invest as per the Fund mandates as described in section 8.1 above. However, the Company shall reserve its right to change the exposure of all or any part of the Fund to Money Market Instruments [as defined under Regulations 1(8) of the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024] in circumstances mentioned under sub-section iii) and sub-section iv) above. The exposure of the Fund as per the Fund mandates as described in section 8.1 above shall be reinstated within reasonable timelines once the force majeure situation ends.
- vi) Some examples of such circumstances [in sub-section iii) & sub-section iv) above] are:
  - When one or more stock exchanges which provide a basis for valuation of the assets of the Fund are closed otherwise than for ordinary holidays.
  - When, as a result of political, economic, monetary or any circumstances out of the control of the Company, the disposal of the assets of the Fund are not reasonable or would not reasonably be practicable without being detrimental to the interests of the continuing Policyholders.
  - In the event of natural calamities, strikes, war, civil unrest, riots and bandhs.
  - In the event of any force majeure or disaster that affects the normal functioning of the Company.
- vii) In such an event, an intimation of such force majeure event shall be uploaded on the Company's website for information.

### Revision of charges

After taking due approval from the Insurance Regulatory and Development Authority of India, the Company reserves the right to revise the above-mentioned charges except the premium allocation charge and mortality charge, which are guaranteed throughout the policy term.

- Fund Management charge up to a maximum of 1.35% per annum will be adjusted in the unit price for the 19 funds mentioned above and 0.50% p.a. for the Discontinued Life Policy Fund.
- Policy Administration charge up to a maximum of Rs.500 per month.
- Miscellaneous charge up to a maximum of Rs.500 /- per transaction.
- Partial Withdrawal charge up to a maximum of Rs. 500/- per transaction
- Switching charge up to a maximum of Rs. 500/- per transaction.
- The company will give a notice of three (3) months to the policyholders for any changes in the above-mentioned charges. The policyholder/life assured who does not agree with the revised charges shall be allowed to surrender the policy at the then prevailing unit value. Discontinuance charge will be applicable if the surrender is during the lock-in period, otherwise, not.
