

Customer request form for lien marking deposit (Lock FD) to restrict digital closureDate:

Customer ID	
Customer name	
Fixed deposit account number	

☐ Opt-in for Lock FD ☐ Opt-out of Lock FD**General Terms & Conditions**

I / We agree to the following terms & conditions

- The lien placed on fixed deposit can only be removed by visiting the nearest Axis Bank branch for partial / pre-closure of the deposit. The application of lien cannot be lifted through digital channels.
- We are aware that this an optional feature available to safeguard the deposits which are booked at branch locations or through digital mediums by application of lien. This facility safeguards and only secures the deposits which are mentioned above as part of the customer request. Deposits which are not part of this availed facility can be liquidated through digital channels.
- We have been made aware about the benefits & restrictions of digital closures of this facility.
- We have also been made aware that these services functions seamless if the deposit requests are set on auto renewal maturity instructions.
- In case of joint holders in fixed deposit, the request needs to be signed by all holders to avail this facility.
- In event of joint holder not being in conscious state of mind at the time of lien application / removal, a court appointed individual shall be able to opt for this facility by providing relevant court order related documents.
- For non-individual entities, the request to avail this facility needs to be authenticated by authorised signatories of the entity.
- In event of any statutory claim, the bank will be authorised to remove the lien from term deposit and make payment to respective statutory body.
- Flexi deposits, tax saver deposits, third party lien deposits, non-callable deposits cannot be lien marked for the above mentioned facility.
