The Net Asset Value (NAV) of the segregated funds shall be computed as:

Market value of investment held by the fund + value of current assets - (value of current liabilities and provisions, if any)

Number of units existing on Valuation Date (before creation/redemption of units)

The Net Asset value (NAV) will be determined and published daily in various financial newspapers and will also be available on www.tataaia.com, the official website of Tata AIA Life. All you have to do is multiply the number of Units you have with the published NAV to arrive at the value of your investments.

Credit/Debit of Units

Premiums received, after deducting the Regular Premium/ Single Premium / Top-up Premium Allocation Charge and applicable Goods and Services Tax and cess as applicable, will be used to purchase Units at the NAV according to your instruction for allocation of Premium. Units purchased by Regular /Single Premium and Top-up Premium, net of payable premium allocation charge and applicable Goods and Service Tax and cess as applicable , will be deposited into the Regular/Single Premium Fund Value and Top-up Premium Fund Value respectively.

Where notice is required (Partial Withdrawal, Complete withdrawal or death of the Insured), Units being debited shall be valued by reference to their NAV as specified in the section "Cut-off time for determining the appropriate valuation date"

   - If the premium/s, by way of cash or a local cheque or a demand draft payable at par or the request for switching in Fund Value(s) is/are received by us after 3:00 pm of a business day, at the place where these are receivable, NAV of the next valuation date following the receipt or the due date, whichever is later shall apply.
   - If the premium/s is received by us by way of an outstation cheque/outstation demand draft, NAV of the date of on which these instruments are realized shall apply.
   - In case of proposals or requests for Top-up Premium where underwriting or Our approval is required, the closing NAV of the day on which underwriting/approval is completed in all respects or the date of receipt of premium (in case of cash or local cheque or demand draft payable at par) or the date of cheque/demand draft realization (in case of an outstation cheque/demand draft) whichever is later shall apply.
   - If premiums are received via standing instruction (such as auto pay, credit cards, electronic clearing system etc) the same procedure as for local cheques will apply with the date of sending the collection request to the relevant bank/financial institution being taken as the date of receipt of the local cheque.
