A) Example for Interest Computation (Effective 20th Dec 2024):

Interest is levied on all transactions that are carried out during the time the customer uses the revolving facility (has revolving credit and has paid less than Total Amount Due in previous month). An illustration for the same is provided below:

- Statement Cycle – 12th to 11th of every month
- Statement Generation Date – 11th of every month
- Interest Rate – 3.75% per month

Cycle 1: 12th Mar to 11th Apr

Assume that you have paid all previous dues in full, and do not have any amount outstanding in your credit card Account. Suppose

a purchase of INR500 is made on 30th Mar followed by a cash withdrawal for INR4,000 on 2nd Apr. Statement for INR5,148.19 will be generated on 11th Apr with due date of 1st May with the following components:

Date	Transaction Type	Amount (INR)	Explanation
30 th Mar	Purchase	500 Dr	Purchases made on credit card
2 nd Apr	Cash withdrawal	4,000 Dr	Cash withdrawn on credit card
2 nd Apr	Cash Advance fee	500 Dr	INR 4,000*2.5% =INR 100 which is less than INR 500
2 nd Apr	GST on cash fee	90 Dr	INR 500*18% = INR 90
11 th Apr	Interest	49.32 Dr	Cash withdrawal amount INR 4,000* 10 days* 3.75% interest rate*12 months/365 days = INR 49.32
11 th Apr	GST on Interest	8.88 Dr	INR 49.32 *18% = INR 8.88
Closing Balance		5,148.19 Dr	Total Payment Due

Minimum Amount Due (MAD) for this cycle will be INR 738.19.
MAD calculation is as follows $MAD = 2\% * (500 + 4,000) + (500 + 90 + 49.32 + 8.88) = \text{INR } 738.19$.

Cycle 2: 12th Apr to 11th May

Suppose a new purchase is made for INR 2,500 on 1st May and MAD payment is made on 15th Apr, then the statement generated on 11th May with due date of 31st May will consist of following components:

Date	Transaction Type	Amount (INR)	Explanation
Opening balance		5,148.19 Dr	Closing balance from previous statement

15 th Apr	Payment	738.19 Cr	Payment towards previous Minimum Amount Due = INR 738.19
1 st May	Purchase	2,500 Dr	Purchases made on credit card
11 th May	Interest	205.78 Dr	Break up of INR 205.78 given below
11 th May	GST on Interest	37.04 Dr	INR 205.78 *18% = INR 37.04
Closing Balance		7,152.81 Dr	Total Payment Due

Interest Charged consists of following components:

Balance (INR)	Period	No. of days	Calculation	Interest (INR)
500	30 th Mar to 15 th Apr	17	$500 \times 17 \times 3.75\% \times 12/365$	10.48
4,000	12 th Apr to 15 th Apr	4	$4,000 \times 4 \times 3.75\% \times 12/365$	19.73
2,500	1 st May to 11 th May	11	$2,500 \times 11 \times 3.75\% \times 12/365$	33.90

Date	Transaction Type	Amount (INR)	Explanation
Opening balance		7,152.81 Dr	Closing balance of previous statement
13 th May	Purchase	1,000 Dr	Purchase made on credit card
25 th May	Payment	7,152.81 Cr	Full payment towards previous Total Amount Due = INR 7,152.81
31 st May	Purchase	5,000 Dr	Purchase made on credit card
11 th June	Interest	139.10 Dr	Break up of INR 139.10 given below

Interest Charged				139.10

Minimum Amount Due (MAD)-

The monthly payment should cover at least the MAD. Any unpaid MAD from the previous statements will also be added to the current MAD to arrive at the MAD payable in the current statement. MAD is computed as below, subject to a minimum of INR100:

MAD is computed as the sum of all instalments, all Fees, interest / finance charges, taxes, the amount utilized over the credit limit (if any) and 2% of remaining balance outstanding.

If the Total Amount Due (TAD) is less than INR 100, the MAD would be equal to TAD

Illustration for Minimum Amount Due (MAD) Computation:

Assume that you have paid all previous dues in full, and do not have any amount outstanding in your credit card account, and your monthly statement is generated on the 15th of every month.

					MAD computation logic	
Sr. No.	Txn Date	Type	Amount (INR)	Cr/ Db	MAD Contribution	Amount in MAD (INR)
a	25 th Sep	Purchase	5,000	Db	2%	100
b	1 st Oct	Joining Fee	1,000	Db	100%	1,000
c	1 st Oct	GST on Joining Fee	180	Db	100%	180
d	1 st Oct	Cash Withdrawal	2,000	Db	2%	40
e	1 st Oct	Cash Withdrawal Fee	500	Db	100%	500
f	1 st Oct	GST	90	Db	100%	90

g	15 th Oct	Interest on Cash Withdrawal	36.99	Db	100%	36.99
h	15 th Oct	GST on Interest	6.66	Db	100%	6.66
	Total Due (INR)					8,813.65
	Minimum Amount Due (MAD)					1,953.65

$$\text{MAD} = 2\% \times (5,000 + 2,000) + 100\% \times (1,000 + 180 + 500 + 90 + 36.99 + 6.66) = 1,953.65$$

Minimum Amount Due will be INR1,953.65

If you spend INR 5,000 and pay back exactly the Minimum Amount Due (subject to a minimum payment of INR100) every month, it will take you up to ~7 years to pay back the total amount. We therefore suggest that whenever your cash flows allow, pay back the entire outstanding or an amount substantially more than your Minimum Amount Due.

Terms and Conditions – EMI/Loan Foreclosure

With effect from 10th November 2023, if a Loan facility/Loan is foreclosed by the Cardholder during the Loan facility/Loan tenure, the Cardholder shall be liable to repay Total Outstanding due (including the principal outstanding, foreclosure charge and the interest on the loan for the actual number of days till closure) from the last billing date till the date of closure of Loan Facility/Loan, to the Bank. In such a scenario, the following shall be the entries in the card statement for the interest charge:

Effectively, the net interest i.e. (A-B) shall be billed to the customer for the number of days since last billing date to loan foreclosure date.

If the Card Member is using revolving credit facility, this balance will now attract applicable charges including finance charges for the credit card. The Bank shall be entitled to demand immediate repayment of such outstanding amounts.

A) Credit and Cash Withdrawal / Advance Fees

- **The Credit Limit:** This is the limit assigned to the Cardholder. The total outstanding, including all transactions, Fees and Charges should not exceed this limit.
- **Cash Limit:** This is the Cash Advance Limit assigned to the Cardholder. This limit is lower than the Credit Limit, and is a subset of the overall Credit Limit.

A transaction fee is levied on cash withdrawn from ATMs. Also, cash transactions always accrue interest from the transaction date, unlike retail purchases, where interest accrual depends on the payment of 100% balance payment by the Payment Due Date

- **Available Credit Limit:** The Available Credit Limit at any time is the difference between the assigned Credit Limit and the outstanding balance on the Card at that point of time. The Add - on Cardholder(s) will share this Credit Limit assigned to the primary Cardholder
- **Available Cash Limit:** The Available Cash Limit at any time, is the difference between the assigned Cash Limit and the outstanding cash balance on the Card at that point of time.

- **International Limit:** International Limit is the limit assigned to the customer for international usage. It is only applicable for customers who have opted for international usage at the time of Credit Card Application. This is as per the International Limit mentioned on your Welcome Kit
- The Credit, Cash and International (if any) Limit will vary for each Cardholder. It will be communicated to the

Cardholder in the Welcome Letter at the time of delivery of the Card, and will also be disclosed in the monthly statement sent to the Cardholder. The Available Credit Limit at the time of generation of each monthly statement is provided as a part of the said statement.

- **Multi Cards-Limit sharing:** Axis Bank at its sole discretion reserves the right to provide a card type that is different from the existing card type held by the Cardholder. The Credit Limits and Cash Limits on any credit card at any point in time are at the sole discretion of Axis Bank. Credit limit across all your Axis Bank credit is shared. Irrespective of different credit limits individually on your Axis Bank credit card, the combined usage will be restricted to the shared limit. Credit limits at individual card level or shared limit at customer level are decided at sole discretion of the bank basis extant internal guidelines. In situations where the outstanding exceeds the credit limit assigned to the credit card standard over limit charges will be applicable.
Axis Bank reserves the right to update the customer's demographic and personal details as per the latest application for his/her existing card(s) if any.
The maximum number of Axis Bank credit cards issued to a customer is subject to the Bank's internal policies and discretion
- Credit limits across credit cards held by the customer is subject to extant internal policy guidelines and at the sole discretion of the Bank. In case a customer holds multiple Axis Bank credit cards, limit across all cards is shared and same across all cards. E.g. If the credit limit for Customer is INR 1,00,000 and customer holds two credit cards of Axis Bank, individual limit on each card shall be INR

1,00,000 and will be shared across both the cards. If customer does transactions worth INR 90,000 on Card A, available credit limit to be utilised across either of the cards shall be INR 10,000 regardless of no spends done on card B. Total customer limit in this scenario would not be 1,00,000 on Card A and 1,00,000 on Card B.

- In case customer holds one card of Axis Bank and applies for another card from the Bank, same limit as applicable on the first card shall also apply on the second card. However, at the time of second card application, if the customer is reviewed for a higher limit and has consented to the same via second card application, revised limit shall be applicable across all cards i.e. existing and new card issued to the customer.
- Axis Bank shall at its sole discretion be entitled to review (including enhancement or reduction) the credit limit assigned on the card(s) held by the customer from time to time. Basis such review, limit enhancement offer (with specific validity period) will be made to the customer and basis explicit customer consent, such enhancement shall be processed across all credit card held by the customer, subject to real time checks at the time of processing. The credit limit increase is subject to the credit card account being eligible on the date on which the action was taken for the request and same would be processed within 3 working days.
- In case the customer is not eligible for any limit enhancement offer from the Bank, customers can request for a review of existing credit limit basis submission of the necessary documents as required the Bank. Such review and enhancement (if any) is at the sole discretion of the Bank. Such requests shall be processed within 7 working days.
- **RBI Guidelines on usage**
As per RBI guidelines, all cards shall be enabled for use only at contact based points of usage within India (ATMs and POS i.e. point of sale devices). You can set or change your usage preference and manage transaction limits on your card anytime by enabling or disabling contactless, international, online transactions via Mobile Banking App,

open, Internet Banking or simply contacting the customer care / visiting the nearest branch. The contactless symbol on the front face of your card signifies that the card is contactless acceptance ready. If your card plastic does not support any of the above mentioned transactions, you will not be able to enable or disable preferences/limits, please call the customer care or visit a branch for your request.

B) Interest - Free Credit Period

The interest - free credit period could range from 20 to 50 days, depending on the date of transaction. The interest – free credit period for the current statement is suspended if any balance from the previous month's bill is not paid by the due date.

Illustrative example for the calculation of the grace period:

For a statement of the period from 21st June to 21st July, the Payment Due Date would be 10th August. Assuming that you have paid your Total Amount Due of the previous month's statement by the Payment Due Date, the grace period would be:

1. For a purchase dated 24th June, the interest - free grace period is from 24th June -10th August i.e. 47 days.
2. For a purchase dated 18th July, the interest - free grace period is from 18th July to 10th August i.e. 23 days.

Thus, the grace period can vary depending upon the date of purchase. However, if the Total Amount Due of the previous month is not paid by the Payment Due Date, then the Free Credit Period will be lost and there will not be any interest - free period. For cash advances, interest is charged from the date of transaction until the date of payment.

C) Billing and Statement
