New Delhi, 1 December, 2018: Axis Bank, India's third largest private sector bank, hosts 'Jobex' – an exclusive mega job fair, to provide an employment platform for Delhi Polices' retired personnel and children. The event was flagged off by Mrs. Patnaik, Head- Delhi Police Welfare Association. The event, organized at police training ground, Kingsway Camp, saw over 100 corporates interviewing and offering jobs to the applicants.

More than 9000 candidates were provided with registration forms by Delhi police officials. These forms were then uploaded on an online portal which the hiring companies could access, identify and select candidates for a potential job interview. In the second leg of the process, over 5000 candidates were selected for an interview. At this event, interviews were conducted and the selected candidates were given on the job offers. The event was co-sponsored by Max Life Insurance.

Mr. Nuti Chakravathy, Regional Branch Banking head, North, Axis Bank, at the event said "We are happy to be of service to uniformed forces and Government institutions and we will continue to offer special and customized banking services catering their needs. The bank has been at the forefront to offer products and services that are exclusive to defence and police forces under 'Power Salute'. The job fair is to further extend our gratitude to the forces by providing them with a platform for employment opportunities. We believe that a forum of this stature will symbiotically benefit interviewees to find ideal jobs and the corporates to find talent with the right skill-sets".

The Bank had also hosted Jobex fair for Mumbai Police in June, 2018 which was attended by over 1000 participants and 20 corporates.
