14. Classification as Special Mention Account (SMA) and Non-Performing Asset (NPA) - On accordance with the provisions of the Regulatory Guidelines the lenders are required to

recognize incipient stress in borrower accounts, immediately on default, by classifying them as special mention accounts (SMA). The classification of borrower accounts as SMA as well as NPA shall be done as part of day-end process for the relevant date and the SMA or NPA classification date shall be the calendar date for which the day end process is run. Accordingly, the date of SMA/NPA shall reflect the asset classification status of the account at the day-end of that calendar date. An Illustration of such classification is as follows:

- SMA 0 - If due date of a loan account is March 31, 2021, and full dues are not received on this date, the account shall be SMA 0 on day end of March 31, 2021.
- SMA 1 - If it continues to remain overdue, then this account shall get tagged as SMA-1 upon completion of 30 days of being continuously overdue i.e. April 30, 2021.
- SMA 2 - If the account continues to remain overdue, it shall get tagged as SMA-2 on May 30, 2021
- NPA - If the account continues to remain overdue further, it shall get classified as NPA on June 29, 2021

As per RBI guidelines, classification of accounts as NPA is done Borrower wise and not Facility wise and hence, it may be noted that in case of non-payment of dues by the customer in case of any facility availed from the Bank and consequently the account is to be classified as NPA, all other loan/credit card and accounts of the Borrower/Card Holder, with the Bank, also shall be classified as NPA and it shall entitle the Bank to recall all such loans/credit cards/facilities availed from the Bank, irrespective of regular payment in such accounts.
