From time to time Axis Bank will publish the officially supported tools, technologies, and versions which shall contain terms and conditions which are applicable for use of the Mobile Banking. The Customer will comply with these terms and conditions at all times. Any attempts to work around these published requirements or to modify unsupported versions for use in Mobile Banking will be treated an unauthorized use and violation of this Terms and Conditions Document.

I agree that I shall use only my Mobile Phone to access the Mobile Banking Service of the Bank. The access is restricted to me on the specific Mobile Phone Number only as registered with the Bank for Mobile Banking. I understand the security of the Mobile Banking PIN (m-PIN) is very important and personal to me and that I must keep my m-PIN confidential and not reveal to any third party. I shall not write/record it at any place whereby some other person can come to know my m-PIN number. I understand that in case I fail to follow/adhere to these I shall be solely responsible for consequences arising there from. I must not let any other person have access to my Mobile Phone or leave the Mobile Phone unattended. I shall not attempt or permit others to attempt accessing the account information stored in the computers of the Bank through any unauthorised means.

During the process of registration of Mobile Banking Application customer will be asked to set mPIN and the Customer is at liberty to change the m-PIN as many number of times as possible at his risk and consequences. The Customer will be solely responsible for maintaining secrecy of the m-PIN, so changed, and the Bank in no way shall be responsible for the misuse of the said m-PIN by any person other than the authorized Customer.

The Bank does not assume any responsibility in this behalf including against loss incurred by the Customer as a result of misuse / unauthorised use of Mobile Banking Facility.
In case the Customer forgets the m-Pin the Mobile Banking application as a feature to set new mPIN with help of Internet Banking or Debit card credentials.

I am responsible for the correctness of information supplied by me to the Bank through the use of or through any other means such as electronic mail or written communication. The Bank doesn't accept any liability for the consequences arising out of erroneous information supplied by me. If I suspect that there is an error in the information supplied to the Bank by me, I shall advise the Bank as soon as possible. The Bank will endeavor to correct the error promptly and adjust any interest or charges arising out of the error. All outputs of statements are duplicate statements of account and will be prepared by electronic means and the information contained therein will be extracted from a computerized back up system maintained by the Bank. While the Bank will take all reasonable steps to ensure the accuracy of

the statement, the Bank is not liable for any error, which may happen due to reasons beyond its control like Data getting corrupted in transmission.

Liability of the Customer:

I agree that the access to Mobile Banking is through my Mobile Phone and any transaction, which originates from the same, whether initiated by me or not shall be deemed to have originated from me. I shall be liable for all loss from unauthorized transactions in my accounts if I have breached the Terms or contributed or caused the loss by negligent actions such as the following:

- a. Not advising the Bank about unauthorized access to or erroneous transactions in the Mobile Banking accounts.
- b. In case of change in or termination of the Mobile Phone number/SIM Card, not informing the Bank about the change/ termination.

I understand that in the event of loss of my Mobile Phone or it falling in the wrong hands, it can be misused. I indemnify the Bank for any such misuse arising out of the same. I shall not hold Bank responsible for any loss that I may suffer in these circumstances.

The customer shall be liable to the bank for any kind of unauthorized or unlawful use of any of the abovementioned passwords or of the said facility or any fraudulent or erroneous instruction given, and any financial charges thus incurred shall be payable by the customer only.

The customer is solely responsible for any unauthorized modifications to the device (such as by way of a “jailbreak” or “Root”). Axis Bank expressly reserves rights, at any time and without prior notice to customers, to change the Axis Mobile Transaction limit of “jailbreak” or “Rooted” devices.

The customer shall be liable for all loss if he has breached the Terms and conditions contained herein or contributed or caused the loss by negligent actions or a failure on his part to advise the Bank within a reasonable time about any unauthorized access in the account.

Axis Bank has adopted the mode of authentication of the Customer by means of verification of the Mobile Phone Number and/or through verification of mPIN, Password, debit card PIN allotted by Axis Bank to the Customer or through any other mode of verification as may be stipulated at the discretion of Axis Bank.

The unauthorized access and/or use of aforementioned modes of authentication can raise a risk to the security of the Account/s of the Customer. Hence, to avoid any legal risks related with use of modes of verification other than digital signatures, the Customer(s) shall ensure maintenance of complete confidentiality, secrecy and protection of the authentication parameters such as Mobile Phone Number, mPIN, Password and debit card PIN allotted to the Customer(s) or any other mode of verification as may be stipulated at the discretion of Axis Bank.

Liability of the Bank:

The Bank shall, in no circumstances, be held liable to me, if access is not available in the desired manner for reasons including natural calamity, floods, fire and other natural disasters, legal restraints, faults in the telecommunication network or network failure, non-delivery of SMS, software or hardware error or any other reason beyond the control of the Bank. Under no circumstances shall the Bank be liable for any damages whatsoever whether such damages are direct, indirect, incidental, consequential and irrespective of whether any claim is based on loss of revenue, investment, production, goodwill, profit, interruption of business or any other loss of any character or nature whatsoever and whether sustained by the Customer or any other person. The Bank is in no way liable for the services provided by the CSP in relation to the Mobile Phone. The Bank is in no way responsible/ liable for the charges levied by the CSP in relation to Mobile Banking transaction.

Fingerprint and Face authentication Terms:

The customer understands that, authenticating a transaction using fingerprint or face is the capability of the device/smartphone and the accuracy of the feature. The Bank doesn't hold responsibility for any issues in the operation of the feature. The Bank validates a transaction based on the success or failure message that is received from the device.

The customer takes a conscious call in giving permission to Mobile Banking to use the finger print and Face authentication feature of the device. The customer is aware that any fingerprint or face added/registered to the device will be able to transact on the Mobile Banking application: however, this transaction doesn't include login and beneficiary addition. The Bank is not responsible for any fraud that might occur due to any person other than the genuine customer adding his/her fingerprint to the device and transacting on Mobile Banking. The customer should ensure that only his/her fingerprint or face is added/registered to his/her device and no one else has access to this fingerprint authentication feature.

Disclosure of Personal Information:

By using the App, you are authorizing us (Axis Bank) to collect and use technical information about the equipment and related software, hardware and peripherals and any data and information stored in the equipment, whether internet-based or wireless, to improve our products and to provide Services to you. FATCA- CRS Terms and Conditions

The Central Board of Direct Taxes has notified on 7th August 2015 Rules 114F to 114H, as part of the Income-tax Rules, 1962, which Rules require Indian financial institutions such as the Bank to seek additional personal, tax and beneficial owner information and certain certifications and documentation from all our account holders. In relevant cases, information will have to be reported to tax authorities/ appointed agencies/ withholding agents for the purpose of ensuring appropriate withholding from the account or any proceeds in relation thereto. Should there be any change in any information provided by you, please ensure you advise us promptly, i.e. within 30 days. If you have any questions about your tax residency, please contact your tax advisor. If you are a US citizen or resident or green card holder, please include United States in the foreign country information field along with your US Tax Identification Number. It is mandatory to supply a TIN or functional equivalent if the country in which you are tax resident issues such identifiers. If no TIN is yet available or has not yet been issued, please provide an explanation and attach this to the form. I am aware that the bank reserves the right to consolidate any existing customer IDs as it may decide, without any prior notice to me I do hereby solemnly declare that the information provided above is up to date and correct and I hereby submit my recent photograph and photographs of the KYC documents.

Dormancy and Closure of Wallet account

If there are no transactions in the wallet account for a period of ten years, the account will be treated as an inoperative account. The customer should thus transact on the account periodically, so that it does not become inoperative. In case there are no customer induced debit, credit and/or third-party transactions in the account for a period of ten years, it may be classified as inoperative. Any transaction initiated by the Bank would not be considered as customer induced transactions. The Bank reserves the right to close the inoperative wallet account without any obligation to intimate the customer. The wallet account along with unutilised funds would be moved to DEAF (Depositors Awareness and Education funds) post completion of 10 years from the date of last transaction induced by the customer.

If the balance in the wallet is Zero, Axis Bank has a right to close the account at any point of time without any obligation to intimate the customer.

Axis Bank reserves the right to change the service provider or change the way Axis provide service. Axis Bank reserves right to close Axis Mobile Application and move balances to their Axis savings account. Risks

By using the Axis Mobile Application, the Customer acknowledges and understands the inherent risks associated with digital and mobile banking services. While Axis Bank endeavors to provide robust security measures, the Customer agrees that the Bank cannot guarantee absolute security due to factors beyond its control. The Customer expressly agrees and acknowledges the following potential risks:

1. **Unauthorized Access:** Unauthorized access may occur if the Customer's credentials, including mPIN, passwords, or mobile device security settings, are compromised. The Customer agrees that maintaining the confidentiality of these credentials is their sole responsibility.
2. **Loss or Theft of Mobile Device:** Loss or theft of the Customer's mobile phone can expose sensitive banking data, increasing the risk of unauthorized transactions. It is the Customer's responsibility to promptly inform Axis Bank in such circumstances to block access to their account.
3. **Cyber-attacks:** The Customer acknowledges that mobile banking services are susceptible to cyber threats, including hacking, malware, ransomware, and viruses, which could potentially compromise personal and financial information.
4. **Phishing and Social Engineering Attacks:** Customers may be targeted through phishing emails, fraudulent websites, calls, messages, or other deceptive methods to extract sensitive banking credentials. The Customer should remain vigilant and cautious, refraining from responding to suspicious requests.
5. **Malware Attacks:** Installation of malicious software (malware) on mobile devices can lead to unauthorized access to personal data, login credentials, and transactional details. Customers must ensure their devices are protected with reliable security software and refrain from downloading applications from untrusted sources.
6. **Processing Errors:** Due to system glitches, software bugs, or human input errors, processing inaccuracies may arise, including but not limited to transaction failures. The customer expressly agrees that Axis Bank shall not be responsible for any such errors or losses unless caused by gross negligence or willful misconduct by the bank.
7. **Transactional Risks:** Transactions executed via mobile banking may sometimes face delays, failures, or inaccuracies due to technical issues, network failures, server downtime, or transaction processing errors. Axis Bank shall not be held liable for losses arising out of such transactional disruptions beyond its reasonable control.
8. **Security Breach:** Despite the deployment of robust cybersecurity infrastructure, there remains a residual risk of unauthorized intrusions, hacking attempts, or data breaches. Customers

acknowledge that Axis Bank shall not be held liable for any losses or damages resulting security breaches that are beyond the Bank's reasonable control.

9. **Data Breaches:** The Customer understands that data breaches may occur despite reasonable efforts by Axis Bank. Such breaches may expose sensitive personal and financial information, posing risks of identity theft, financial fraud, and privacy invasion.
10. **Third-party Service Providers:** Axis Bank may employ third-party service providers for certain services. The Customer acknowledges that reliance on third-party providers may carry risks, including failure of services or breach of data security by such third parties. The Bank shall not be liable for any breaches or failures by these third-party entities.
11. **Service Unavailability:** From time to time, mobile banking services may be disrupted due to scheduled maintenance, system updates or unforeseen technical issues. Customers understand and accept that Axis Bank shall not be held accountable for any delays, disruptions, or inability to access banking services during such periods on unavailability.
12. **Internet and Telecommunication Risks:** Mobile banking services depend significantly on internet connectivity and telecom services, which are susceptible to interruptions, poor connectivity, network issues, and other infrastructure failures. The Customer acknowledges these risks and agrees that Axis Bank is not responsible for interruptions caused by such factors.
13. **Regulatory and Legal Risks:** Mobile banking is subject to changes in regulatory frameworks, guidelines, and compliance requirements. Changes in law or regulations may impact the functionality, availability, or security standards of mobile banking services.

The customer agrees that Axis Bank shall not be held liable for any direct, indirect, incidental, or consequential losses resulting from these or other risks inherent in the use of Banking services.

Customer Obligations to Mitigate Risks:

- Regularly update mobile applications and operating systems to the latest versions.
- Enable and maintain robust security measures on mobile devices, including biometric authentication, passwords, and PIN protection.
- Avoid using unsecured public Wi-Fi networks to conduct banking transactions.
- Regularly monitor account statements and transaction alerts for suspicious or unauthorized activity.
- Immediately report any loss, theft, or compromise of mobile devices and/or banking credentials to Axis Bank.
- Exercise caution against responding to unsolicited communications seeking personal or financial information.
- Regularly change passwords and mPIN to maintain security and reduce vulnerability.

Axis Bank's Measures:

- Axis Bank employs advanced security measures including encryption, firewalls, secure authentication methods, and regular security audits to protect Customer data. Despite these efforts, the Customer acknowledges that complete immunity against risks cannot be ensured.
- The Customer agrees that Axis Bank shall not be held liable for any direct, indirect, consequential, or incidental losses, damages, claims, liabilities, or expenses arising from the risks mentioned above or any other risks inherent in the use of the Axis Mobile Application, except in cases of proven gross negligence or intentional misconduct by the Bank.
- By continuing to use the Axis Mobile Application, the Customer confirms understanding and

acceptance of these risks, their obligations, and Axis Bank's limitations of liability.

Near Me

The 'Near Me' trend is gaining popularity exponentially. open by Axis Bank reduces the effort in matter of few clicks. That's all! The latest and trending technology of Augmented Reality is already implemented at the back end of the open by Axis Bank App. Augmented Reality in the open by Axis Bank app lets you hunt for dining offers, ATMs, Branches and even properties pre-approved by the bank for home loans (all falling within 5km radius) using the camera on your phone. To use this feature a customer has to:

- Select Near-Me from the bottom menu in the Pre-Login screen
- Make sure the Near Me option is checked in the top left corner
- Now select the Bank's services you are searching for
- Press the Binocular icon on the top left on the screen
- Choose AR View from the options
- This will start the augmented reality feature of the open by Axis Bank

Additionally, you can change the radius of your search and move your phone 360 degrees to see all the locations around you that are providing the services. You can also enable bird's eye view to see all the locations together.

You can search these both by choosing the location or by using the GPS based feature.

Note: You have to enable the Location Services under Privacy Settings on your phone for this feature.
