

CITIZEN'S CHARTER

A CHARTER FOR CUSTOMER SERVICES

PREFACE

The ability of the banking industry to achieve its socio-economic objectives - and, in the process, attract more customers - ultimately depends on customer satisfaction. Axis Bank strongly believes that a satisfied customer is critical to building its business.

The document, titled the 'Citizen's Charter of Axis Bank', highlights the Bank's commitment to customer satisfaction. It details key commitments and responsibilities and also specifies the obligations of customers for a healthy banker-customer relationship.

The charter has been prepared to promote fair banking practices and to provide information on various activities relating to customer service. This is not a legal document and does not intend to create any new rights or obligations either the Bank or the customer, beyond those that arise from contractual or regulatory obligations in the normal course of business.

Copies of the Citizen's Charter will be available on request to all our customers at our branches, administrative offices and on our website.

Note

- Information given in the Charter was updated on June 28, 2024, and is subject to change / revision.
- Only key information on various services / facilities has been provided in this document. Each service has its own detailed Terms and Conditions, which are displayed on our website www.axisbank.com.

1. Vision

- To be the preferred financial solutions provider, excelling in service delivery through insights into customer needs, empowered employees, and the smart use of technology.
- To promote fair banking practices by maintaining transparency in various products and services offered to make banking a fulfilling experience.

2. Mission

- To make banking simple.
- To achieve excellence in customer service
- To provide prompt, innovative solutions for banking products and financial services and serve all segments of the society.
- To foster transparency and ethics in all dealings with customers.

3. Applicability of the Charter

This Charter applies to all products and services provided by the bank, whether provided by branches, subsidiaries, and / or agents acting on behalf of the Bank, availed across the counter, by post, by phone, or through interactive electronic devices and through technology (electronic channels).

All our products and services offerings can be viewed on our website www.axisbank.com.

4. Regulatory / Statutory Compliance

- In order to comply with regulatory / statutory requirements, while opening an account, the Bank will adhere to the Know Your Customer (KYC) Norms and Anti Money Laundering (AML) norms as laid down by the regulator.
- The Bank shall ensure that it is satisfied with the identity of the person seeking to open an account and conduct verification of the address of the applicant, thereby protecting prospective customer and members of the public against fraud and other misuse of the banking system.
- The Bank shall also ask both existing and prospective customers to furnish documents to verify the source of income.
- Customers must also provide relevant documents and information to the Bank for updating customer information periodically.

5. Our Commitments

A. To act fairly and reasonably in all dealings with customers in respect of the following:

- i. Providing minimum banking facilities such as receipt on payment / deposit of cash / cheques at the Bank's counters and opening basic savings bank deposit accounts for the purpose of financial inclusion.
- ii. Meeting the commitments and standards laid out in the Charter for products and services offered.
- iii. Ensuring that products and services offered are in adherence to relevant laws and regulations in letter and spirit.
- iv. Ensuring that dealings with the customers rest on ethical principles of integrity and transparency.
- v. Operating a secure and reliable banking service and payment system.
- vi. Dealing quickly and empathetically with customer grievances arising due to errors, delays in handling of customer related issues or on account of problems arising due to technological failures.
- vii. Ensuring that customers are treated fairly at all times.
- viii. Ensuring that customers are informed of the avenues to escalate their complaints / grievances within the Bank and their rights to alternative remedy, if they are not fully satisfied with the response of the Bank to their complaints.
- ix. Ensuring that the Bank treats all complaints efficiently and fairly.

B. To display on the Bank's website

- i. The Integrated Banking Ombudsman Scheme 2021: Reserve Bank of India (RBI) and Banking Ombudsman (BO) offices propagate education of the public about the BO Scheme. The Scheme is displayed on the Bank's website and is also available at our branches.
- ii. The Bank's customer service policies which have been framed in accordance with the RBI guidelines contained in the Master Circular on customer service and relevant circulars.

C. To maintain privacy and confidentiality of customers' personal information:

The Bank shall not disclose details / particulars of the customer's account to a third person or party without the express or implied consent from the customer. However, there are exceptions in terms of circumstances mentioned in paragraph no.25 of RBI Master circular on customer service in Banks dated 1.7.2015, as listed below:

- a) Where disclosure is under compulsion of law
- b) Where there is duty to the public to disclose
- c) Where interest of the Bank requires disclosure
- d) Where the disclosure is made with the express or implied consent of the customer

Additionally, the Bank may use the customer information for customer verification, provision of products and services, personalization of products or services, marketing or promotion of our financial services or related products, creation of statistical information, statistical analysis or credit scoring, enforcement of the customer's obligations, and any other purpose that will help the Bank in providing customers with optimal and high-quality services.

D. To publicize the Charter:

- a) Provide the customer a copy of the Charter on request.
- b) Display the Charter on Bank's website.
- c) Ensure training to the staff to put the provisions of Charter into practice

E. Special customers

The Bank commits to the following while dealing with special customers.

i. Pensioners and other senior citizens:

- Prioritized services will be offered to senior citizen's in Branches.
- The Bank will issue a pension slip to pensioners containing details of the pension credited to their account.
- In special circumstances, the Bank will endeavor to arrange to disburse the pension at the doorstep.
- The Bank will accept Life Certificates from pensioners at any of its branches.
- The Bank will endeavor to provide 'doorstep' banking (pick up of cash / instruments for credit to the account or delivery of cash / demand drafts against issue of cheque / requisition in writing) in special circumstances such as ill health, differently-abled etc.

ii. Self-help groups (SHGs):

The Bank will consider granting loans to SHGs and their members in tranches, on a case-to-case basis, based on the merits, viability of the business proposition, and other lending norms as prescribed for SHGs in the Bank's extant credit policy.

F. Customers in rural and semi-urban areas

Bank will ensure proper currency exchange facilities and the quality of notes disbursed to customers, especially in rural areas. The Bank will also ensure that branches remain open for public transactions during the prescribed business hours on all working days.

G. Providing banking facilities to the visually challenged / differently-abled

i. Making physical access to branches and ATMs convenient:

The Bank will endeavor to make changes at its flagship branches and ATMs, wherever possible, to make it easy for special customers to get physical access. It will ensure that customers can obtain information easily about branches / ATMs which are equipped with ramps. The Bank staff shall be sensitized to offer assistance to customers over the step, wherever stepped access cannot be avoided.

ii. Making usage of ATM services friendly for the visually challenged:

In order to ensure that the ATMs are user-friendly for customers with special needs, the Bank shall install Braille-enabled and talking ATMs.

iii. Providing account opening and banking facilities:

The Bank will make its best efforts to make banking easy and convenient for senior citizens, differently-abled and illiterate persons. The bank will ensure that all the banking facilities such as cheque book facility,

ATM facility, net banking facility, locker facility, retail loans, credit cards etc., are invariably offered to the visually challenged without any discrimination.

iv. Providing special services at the branch:

The Bank recognizes the need to provide special services at the branch to the differently-abled customers and will endeavor to:

- a) Accord due priority to these customers at branches.
- b) Offer staff assistance to visually impaired and physically challenged customers in navigating the branch.
- c) Provide services through a single window mechanism.
- d) Provide seating arrangements in the banking hall.
- e) Permit withdrawal of funds, up to limits set by them or by persons authorized by them on production of the authorization letter and passbook.
- f) Provide 'doorstep' banking (pick up of cash / instruments for credit to the account or delivery of cash / demand drafts against issue of cheque / requisition in writing) in special circumstances like ill health, differently-abled etc.
- g) Guide relatives / parents of differently-abled on how to appoint a legal guardian, under the National Trust Act, 1999, for disabled persons with autism, cerebral palsy, mental retardation, and multiple disabilities who can then open and operate accounts for such persons.

v. Point of Sale (POS) Machines

To aid visually impaired customers, almost all Axis Bank POS terminals (approximately 95%+) have either of the below three capabilities, dependent on the mode:

- a) Raised markers on few keys which can denote clear / cancel / enter buttons.
- b) Voice call-out of successful transactions on POS.
- c) Tap & Pay - capable of accepting contactless transaction without PIN entry (up to Rs.5,000).

vi. Issuance of Credit Cards / Debit Cards to visually impaired persons

- a) All the credit card features and services extended by the bank are available for all customers (including visually impaired persons).
- b) However, banks can evaluate plastic designs which facilitate touch features on the plastic that can specifically help virtually impaired customers. For example, key card details embossed in Braille script, touch features that can help a customer differentiate a debit card from a credit card or pre-paid card, so that visually impaired persons are able to correctly orient the card when making a payment or accessing an ATM.
- c) The availability of such plastics across all vendors needs to be assessed. Accordingly, appropriate system developments can be undertaken at application stage to capture 'customer's disabilities' and flow to the backend to dispatch the specialized plastic to the customer.

vii. Staff Sensitization:

The Bank shall endeavor to sensitize the staff to assist differently-abled customers in carrying out their banking transactions.

viii. Understanding needs of special customers:

The Bank will endeavor to arrange regular meetings so that the customers may voice their concerns and benefit from collective experience.

H. Payment of balance in accounts of the deceased customers to survivors / claimants

The Bank follows a simplified procedure for settlement of death claims without insisting on production of a succession certificate of deceased customers' deposit accounts, lockers, and articles kept in safe custody within prescribed limits. The Bank will, however, adopt such safeguards in considering the ...considering the settlement of claims, including accepting an indemnity bond. A nomination facility is available to facilitate speedy settlement of balances in the accounts of deceased customers. Customers are also periodically made aware of the availability of the facility offered in terms of provisions of the Banking Regulation Act. The Bank has also laid down a policy for the settlement of claims in respect of deceased depositors and missing persons.

I. Exchange of soiled / slightly mutilated currency notes

All branches of the Bank will exchange soiled and slightly mutilated / cut notes of all denominations. Currency exchange facility will be offered free of cost and will be available to the bank's customers as well as to the general public. Reserve Bank of India has permitted Banks to exchange mutilated currency notes which are genuine and where mutilations are such as not to cause suspicion or fraud. The refund value of these notes is, however, paid as per RBI (Note Refund) Rules.

J. Safe deposit vaults (Lockers)

The facility of safe deposit lockers is an ancillary service offered by the Bank. The facility shall be offered by the Bank at its discretion based on potential as well as commercial and other considerations. The Bank shall exercise due care and necessary precautions for the safety of lockers provided its customers. Clauses suggested by the regulator in the years 2021 and 2023 have been incorporated in the revised agreement.

- 1 The bank's liability to compensate customers with 100 times of rent in event of loss.
